RE: City of Garden Grove 20-21 Sustainable Community Program Application Letter of Support

Dear: SCAG Representative:

The Orange County Bicycle Coalition (OCBC) is an 501(c)(3) non-profit bicycling advocacy organization that promotes bicycling as an everyday means of transportation and recreating in Orange County. The OCBC would like to support the City of Garden Grove with its proposed Traffic Circle, in the City's Downtown Historic Main Street on Main Street and Acacia Parkway (Project) that will address issues of mobility and accessibility, connectivity, safety, equity, economic vitality, and community health for the City's residents and the greater Orange County.

The Project will contribute to a vibrant, walkable Downtown that is attractive to businesses and inviting to residents and visitors. This Project will strengthen both the local multimodal transportation network and the larger regional network, including closing a major gap in the Orange County Transportation Authority Pacific Electric Public Right-of-Way and connecting to the planned OC Streetcar. Furthermore, this Project will be driven by a strong community engagement component that will build upon the City's previous outreach efforts around mobility.

The development of this Project builds upon the momentum and increases the impact of the City's Active Street Plans and will contribute to a vibrant and healthier economy and environment in the City. By investing in enhancements to pedestrian and bicycle facilities, residents, visitors, and employees will have improved transportation options and greater opportunities to incorporate physical activity into their daily lives. The OCBC believes that this Project will address the challenges to connect peoples walking and cycling to destinations in the City and lead to an increase in active transportation. The OCBC will support the Project as a stakeholder who will review, experience, and provide Project comments as well as encourage the community to participate in the engagement and response activities.

Sincerely,

Pete van Nuys  
Executive Director
