CODA Consulting Group has been commissioned to conduct a Property Condition Assessment located at the industrial warehouse located at 12400 Industry Street in Garden Grove, CA 92841.

Please respond to the following documentation/information requests. Should you have any questions, or should there be any fees associated with providing the requested information, please let us know.

1. Are there any backflow prevention devices located on the property? Yes No
2. Are records available indicating that the backflows have been tested/certified? Yes No
If yes, please provide copies of the most recent backflow device testing reports for each device. Please note if there are devices on site that have not been tested/tracked by the water utility.
3. Are backflow prevention devices required retroactively to protect domestic, fire suppression and irrigation water supplies, if not installed at the time of construction? What triggers installation? Yes No

Please e-mail your completed response to admin@codiconsults.com, via U.S. Mail to 3023 S. University Drive, Suite 220, Fort Worth, TX 76109, or via facsimile at 817-500-9084. If you have questions, feel free to contact me at 251-424-2069.

Thank you for your assistance.
