Exhibit A-Clarification regarding lawsuits page 34

**1. *NR Development, Inc. v. Facility Makers, Inc.*
Case #PSC1805678**

Status: Closed. Dismissed with prejudice on 7/1/2019

On or about April 3, 2017, NR and Facility entered into a Subcontract Agreement under which Facility Makers, Inc. was, among other things, to provide structural steel fabrication and primer services for a project known as the Carport and Shade Structures Projects for the Sanitary District in Indio, California. Facility Makers, Inc. failed to follow the terms of the Agreement, thereby causing NR to hire a sandblasting company to repair Facility's work. NR provide Facility with multiple opportunities to correct the faulty work all of which were refused by Facility. NR sent Facility notices which informed Facility of the issues with its work. The Agreement incorporates the general contract between NR and the District which states, "The Owner shall report to the Contractor, through the Architect any such defects found, and the Contractor shall make all repairs with reasonable promptness." Therefore, Facility was obligated to remedy faulty work and NR is obligated to ensure all subcontractor work is not faulty. Due to Facility's refusal to correct its faulty work, NR was obligated to perform corrective work. NR is informed and believes and based thereon alleges that as a direct, foreseeable, and unavoidable result of Facility's breaches of the Agreement described herein, and despite NR reasonable and diligent efforts to mitigate damages, NR has been damaged in an amount to proven at trial. NR and Facility Makers entered into a settlement agreement on 7/1/2019, and the case was dismissed with prejudice at or around the same day.

2. *NR Development Inc. v. Prengler, Inc., as against Prengler, American Contractors Indemnity Company (ACIC), Case No. 19CV348398.*

Status: Settlement reached on 10/7/2019. Will be dismissed without prejudice when settlement terms are fulfilled by Prengler.

On or about August of 2017, NRD entered into an oral sub-subcontract agreement with National Carport Industries/Prengler, Inc. where it was agreed for NR to install components of the carports that National fabricated, and was required to install under its Subcontract with another general contractor, in exchange for payment. Performed and executed all terms, provisions and conditions of the Contract to be performed by it, except to the extent that said performance was prevented or excused by National or other conduct and circumstances not attributable to NR. Defendants, and each of them, have breached the Contract by, among other things, failing to pay the amounts due under the Contract. As a direct and proximate result of the defendants' above-described breaches of the contract, NRD sustained damages. NR and Prengler entered into a settlement agreement on 10/7/2019. The settlement terms have been fulfilled, and the dismissal will be processed once Covid-19 restrictions are lifted from the courts.

DBE INFORMATION — GOOD FAITH EFFORTS

Bid Opening Date

Wednesday, October 21, 2020

PROJECT NO. 2163101280 REVISED

The City of Garden Grove established a Disadvantaged Business Enterprise (DBE) goal of 12 % for this Project. The information provided herein shows that a good faith effort was made.

Lowest, second lowest and third lowest bidders shall submit the following information to document adequate good faith efforts. Bidders should submit the following information even if the "Local Agency Bidder DBE Commitment" form indicates that the bidder has met the DBE goal. This will protect the bidder's eligibility for award of the contract if the administering agency determines that the bidder failed to meet the goal for various reasons, e.g., a DBE firm was not certified at bid opening, or the bidder made a mathematical error.

Submittal of only the "Local Agency Bidder DBE Commitment" form may not provide sufficient documentation to demonstrate that adequate good faith efforts were made.

The following items are listed in the Section entitled "Submission of DBE Commitment" of the Special Provisions:

1. The names and dates of each publication in which a request for DBE participation for this project was placed by the bidder (please attach copies of advertisements or proofs of publication):

<u>Publication</u>	<u>Dates of Advertisement</u>
<u>Compliance News</u>	<u>10/5/2020</u>

2. The names and dates of written notices sent to certified DBEs soliciting bids for this Project and the dates and methods used for following up initial solicitations to determine with certainty whether the DBEs were interested (please attach copies of solicitations, telephone records, fax confirmations, etc.):

<u>Names of DBEs Solicited</u>	<u>Date of Initial</u>	<u>Follow Up Methods</u>
<u>Solicitation</u>	<u>and Dates</u>	<u>Spoke to Nick Newman who indicated that they will</u>
<u>Newman Backhoe Services, Inc.</u>	<u>10/5/2020</u>	<u>explore the possibility of providing equipment</u>
		<u>operators, and renting some of their equipment to NR.</u>

3. The items of work which the bidder made available to DBE firms including, where appropriate, any breaking down of the contract work items (including those items normally performed by the bidder with its own forces) into economically feasible units to facilitate DBE participation. It is the bidder's responsibility to demonstrate that sufficient work to facilitate DBE participation was made available to DBE firms.

Items of Work Bidder Normally Performs	Breakdown of Amount Items	Percentage of Contract
Concrete	105,000	15%
Landscape and Irrigation	70,000	10%
Site Furnishings Installation	70,000	10%
Site Grading, Excavation	140,000	20%

4. The names, addresses and phone numbers of rejected DBE firms, the reasons for the bidder's rejection of the DBEs, the firms selected for that work (please attach copies of quotes from the firms involved), and the price difference for each DBE if the selected firm is not a DBE.

Names, addresses and phone numbers of rejected DBEs and the reasons for the bidder's rejection of the DBEs:

NR did not reject any DBE bids. Rather we did not receive any notification of interest for the DBE's that were sent invitations to bid. Newman Backhoe expressed interest in leasing their equipment during the project should the issue arise. Nevertheless, NR is committed to utilizing DBE's for services such as material supply, equipment rentals, etc., throughout the duration of the project.

Names, addresses and phone numbers of firms selected for the work above:

None. NR did not receive any bids from interested DBE's that provided a bid.

5. Efforts made to assist interested DBEs in obtaining bonding, lines of credit or insurance, and any technical assistance or information related to the plans, specifications and requirements for the work which was provided to DBEs:

NR's Invitation for Bid addresses our desire to assist various entities in securing bonding and lines of credit to perform the project.

6. Efforts made to assist interested DBEs in obtaining necessary equipment, supplies, materials or related assistance or services, excluding supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate:

NR's Invitation for Bid addresses our desire to assist various entities in securing bonding and lines of credit to perform the project.

7. The names of agencies, organizations or groups contacted to provide assistance in contacting, recruiting and using DBE firms (please attach copies of requests to agencies and any responses received, i.e., lists, Internet page download, etc.):

Name of Agency/Organization	Method/Date of Contact	Results
Compliance News	Online Order	Performed a full Good Faith Effort for \$75.00

8. Any additional data to support a demonstration of good faith efforts (use additional sheets if necessary):

None aside from the Invitations to Bid that were sent out along with the advertisement published by Compliance News.
