Currently, I have been working with Care Ambulance as an EMT for 13 years.

12 of those years has been in the city of Garden Grove. I have been an Interim Ops Manager and also a Field Training Supervisor. During the Coronavirus Pandemic in New York City, I spent 3 1/2 months there as the Site Lead Manager for a private company that holds Federal contracts with the Government. While there, I was able to work with Hospital CEO's and Sr. Administrators to help identify some of the issues and work together to resolve them.

I grew up in Garden Grove and I have raised my kids in Garden Grove as well. I'm a local homeowner in District 2 and I take pride living in Garden Grove. Being active in my community and neighborhood, I try to do what's best. Staying involved is a way to make Garden Grove the best place for my kids to want to stay here and raise their kids as well.

I have applied for several commissions. I may not be able to serve on all of them, but I'm willing to do my part as a Garden Grove resident.
