PROJECT NO. 1350000-1

The City of Garden Grove established a Disadvantaged Business Enterprise (DBE) goal of 12 % for this Project. The information provided herein shows that a good faith effort was made.

Lowest, second lowest and third lowest bidders shall submit the following information to document adequate good faith efforts. Bidders should submit the following information even if the "Local Agency Bidder DBE Commitment" form indicates that the bidder has met the DBE goal. This will protect the bidder's eligibility for award of the contract if the administering agency determines that the bidder failed to meet the goal for various reasons, e.g., a DBE firm was not certified at bid opening, or the bidder made a mathematical error.

Submittal of only the "Local Agency Bidder DBE Commitment" form may not provide sufficient documentation to demonstrate that adequate good faith efforts were made.

The following items are listed in the Section entitled "Submission of DBE Commitment" of the Special Provisions:

- A. The names and dates of each publication in which a request for DBE participation for this project was placed by the bidder (please attach copies of advertisements or proofs of publication):

It is the bidder's responsibility to demonstrate that sufficient work to facilitate DBE participation was made available to DBE firms.

- Current lead time for Panels M1 & K1 is 9 weeks
- Current lead time for Panels T1, L1 & P1 is 10 weeks
- Current lead time for MTS & Cam-Lock Enclosure is 22 weeks

Thank you,
