spoke with [REDACTED] he stated the car operates/is insured/tagged but the front end is smashed in, stated he has an open insurance claim, with a 90 day hold. I asked if he can conceal it with a cover/in garage. he stated he will cover it or relocate it to the garage ASAP.

Subject: **Municipal Code Violations at 12241 CLIFFWOOD AVE**

The City of Garden Grove is committed to working with citizens in a joint effort to preserve and improve the residential neighborhoods. The proper maintenance of homes and neighborhoods will allow all residents to live in a quality environment and will also protect the value of your home. The following violation(s) has been observed at your property:

The Garden Grove Municipal Code does not allow inoperative vehicles to be parked on driveways or in yard areas. An inoperative vehicle is one that has collision damage, flat tires, engine failure, electrical malfunction, or missing parts. Inoperative vehicles and vehicle parts may only be stored in a fully enclosed garage. Vehicle repairs must be done inside the garage. You are hereby required to repair all inoperative vehicles or move the vehicle and auto parts to a fully enclosed garage. (GGMC 9.32.170(B))

To assure compliance with the Garden Grove Municipal Code, corrective measures should begin now and should be completed within **7 day(s)** from the date of this notice.

Our main goal is to obtain voluntary compliance. However, if additional inspections are necessary after the initial compliance inspection confirms that corrections have not been completed, a re-inspection fee may be charged.

We would appreciate your assistance and cooperation in this matter. If you have any questions, or would like to schedule an appointment to meet in person, please call (714) 741-5353. My office hours are 700 AM to 800 AM and 4 PM to 5 PM.
