RATE AND SERVICES STRUCTURE

SECTION 4. RATE AND SERVICE STRUCTURE

Plan Review Fee Structure

As stipulated in the Request for Proposals, SFA proposes to charge plan review fees based on a percentage of the City Plan Review Fees. The project valuations assumed are based on the most current Valuation Data Chart published by the International Code Council. The percentage fees are scaled based on valuation as follows:

<u>Project Valuation</u>	<u>% of City P.C. Fee</u>
Up to \$1 Million	70%
>\$1 Million to 10 Million	60%
>\$10+ to \$50 Million	50%
>\$50+ Million to \$200 Million	40%
> \$200 Million	35%

Expedited Reviews would be provided at 125% of the regular plan review fee. This, however, would only apply when the City also collects an accelerated rate fee.

If SFA is reviewing duplicate or identical plans on a project, the proposed fee is fifteen percent (15%) of the plan review fee collected after the initial model is checked at the prescribed rate.

A minimum of \$200 would be charged for small projects.

PM & E when reviewed separately is proposed at \$110.00 per hour.

SFA will not charge for rechecks unless the plans are incomplete or revised for which the City would collect additional fees from the applicant as well. The City would then have the funds to reimburse SFA. Additional services outside the main scope of review would be charged at a rate of \$110.00 per hour or as mutually agreed upon based on the salary rate of the employee. A 1-hour minimum is applied for all hourly work.

SFA does not charge for plan shipping costs, copying or administrative costs.

SFA will be available for pre-construction or pre-design meetings, field visits and meetings with the design teams, construction team, architects and project owners for assigned projects at no cost to the City.
