OPTION AGREEMENT

This **OPTION AGREEMENT** is entered into as of January 24, 2012, by and between **TAMERLANE ASSOCIATES, LLC**, a California limited liability company (the "Owner"), and the **CITY OF GARDEN GROVE**, a municipal corporation (the "City").

RECITALS

A. Owner and the Garden Grove Agency for Community Development ("Agency") have entered into an Affordable Housing Loan Agreement dated as of February 9, 2010 ("AHLA"). Under the terms of the Affordable Housing Loan Agreement, Owner has with the assistance of the Agency purchased real property located within the Project Area of the Agency, located at 12162 Tamerlane Drive, which is improved with a four (4) unit apartment complex thereon (the "Property"), as particularly described in the Legal Description attached hereto as Attachment No. 1, and incorporated herein by reference. All capitalized terms not defined herein shall have the meaning set forth in the AHLA.

B. Pursuant to Section 400 of the Affordable Housing Loan Agreement ("AHLA") and by Option Agreement dated February 9, 2010 (the "Agency Option Agreement"), the Owner has granted to the Agency an option to purchase the Property upon payment of a purchase price as set forth in the Agency Option Agreement.

C. Owner desires to grant to City an option to purchase the Property on the terms and conditions set forth hereinbelow junior and subordinate to the right granted to the Agency pursuant to the Agency Option Agreement.

D. For purposes of this Option Agreement, "Property" shall also be deemed to include any and all improvements located on the real property, any and all security deposits held by Owner, operating and capital replacement reserve accounts, operating accounts, Owner's rights to payment for rent and other items, and all of Owner's right, title and interest in and to any and all easements, rights of way, licenses, permits, applications, reports or other personal property utilized in conjunction with or in any way related to or appurtenant to such real property and improvements (but excluding Owner's trade fixtures and equipment).

NOW, THEREFORE, in consideration of the foregoing, and the mutual covenants and conditions contained herein, the parties hereto agree as follows:

1. Grant of Option. Subject to the Agency Option Agreement, Owner grants to City an option (the "Option") to purchase the Property on the terms and conditions set forth in this Option Agreement. The purchase price payable by the City to the Owner for the Property shall be the amount of the then current balance of the Bank Loan and Promissory Note plus an amount equal to One Thousand, Three Hundred Thirty-Three Thousand Dollars (\$1,333) per month for each month from the twenty-fifth (25th) month following the commencement of the Option Term until escrow is closed less Net Profits retained by Owner plus operating losses (collectively, the "Option Price"). The Option created hereby shall be irrevocable by Owner and shall be binding upon the successors and assigns of Owner. The City shall have the right of specific performance to enforce the terms of this Option Agreement.

2. Term for Option. The term of the Option ("Option Term") shall commence on the date of this Option Agreement, and, unless extended by mutual written agreement of the Owner and the City, shall automatically expire on March 19, 2030 in which event, the City shall, upon written request by Owner, provide written request of such termination in recordable form.

3. Exercise of Option. The Option may be exercised at any time before the expiration of the Option Term by City's delivery to Owner of written notice of such exercise (the "Exercise Notice").

4. Escrow and Completion of Sale. Within five (5) days after City has exercised the Option, or as soon thereafter as reasonably practicable, an escrow shall be opened with an escrow company mutually acceptable to City and Owner for the conveyance of the Property to the City. The City shall deposit the Option Price in escrow not later than one (1) business day prior to the anticipated close of escrow date. The City's obligation to close escrow shall be subject to the City's approval of a then-current preliminary title report and, at City's option, environmental and other site testing. Any exceptions shown on such preliminary title report created on or after the Owner's acquisition of the Property shall be removed by Owner at its sole expense prior to the close of escrow pursuant to this Section 4 unless such exception(s) is(are) accepted by City in its reasonable discretion; provided, however, that City shall accept the following exceptions to title: (i) current taxes not yet delinquent, (ii) matters affecting title existing on the date of Owner's acquisition of the Property, (iii) liens and encumbrances in favor of the Agency or the City, and (iv) matters shown as printed exceptions in the standard form CLTA owner's policy of title insurance. In the event the Property or any portion thereof is encumbered by a mortgage or deed of trust, the City shall be permitted to unilaterally instruct the escrow agent to satisfy the indebtedness secured thereby out of the proceeds payable to the Owner through the foregoing escrow, or the City may satisfy all or a portion of the Option Price through the City's assumption of the promissory note or notes held by the holders of the deeds of trust encumbering the Site, if such holder or holders consent thereto. City shall pay all of the escrow fees, documentary transfer taxes, recording fees, the cost of any owner's policy of title insurance desired by the City, and any other costs and expenses of the escrow. City shall have thirty (30) days after exercise of the Option to enter upon the Property to conduct any tests, inspections, investigations, or studies of the condition of the Property. Owner shall permit the City access to the Site for such purposes. The City shall indemnify, defend, and hold harmless Owner and its officers, directors, shareholders, partners, employees, agents, and representatives from and against all claims, liabilities, or damages, and including expert witness fees and reasonable attorney's fees and costs, caused by City's activities with respect to or arising out of such testing,

inspection, or investigatory activity on the Site. Escrow shall close promptly after acceptance by City of the condition of title and the physical and environmental condition of the Property.

5. Failure to Exercise Option. If the Option is not exercised in the manner provided in Section 3 above before the expiration of the Option Term, the Option shall terminate. Upon receipt of the written request of Owner, City shall cause a quitclaim deed terminating or releasing any and all rights City may have to acquire the Property (the "Quitclaim Deed") to be recorded in the Official Records of Orange County, California.

6. Assignment. City shall have the right to assign its interest hereunder. In connection with any assignment, any assignee shall execute all documents reasonably necessary to assume all of the obligations imposed under this Option Agreement on City as if the assignee were the original party in this Option Agreement.

7. Representations and Warranties of Owner. Owner hereby represents, warrants and covenants to City as follows, which representations and warranties shall survive the exercise of the Option and the Close of Escrow:

(a) that this Option Agreement and the other documents to be executed by Owner hereunder, upon execution and delivery thereof by Owner, will have been duly entered into by Owner, and will constitute legal, valid and binding obligations of Owner;

(b) neither this Option Agreement, nor anything provided to be done under this Option Agreement, violates or shall violate any contract, document, understanding, agreement or instrument to which Owner is a party or by which it is bound; and

(c) Owner shall pay, prior to delinquency or default, any and all real property taxes and assessments which affect the Property.

Owner agrees to indemnify, protect, defend, and hold City and the Property harmless from and against any damage, claim, liability, or expense of any kind whatsoever (including, without limitation, reasonable attorneys' fees and fees of expert witnesses) arising from or in connection with any breach of the foregoing representations, warranties and covenants. Such representations and warranties of Owner, shall be true and correct on and as of the date of this Option Agreement and on and as of the date of the Close of Escrow.

8. Title. Following the date hereof, Owner agrees not to cause, and shall use commercially reasonable efforts not to permit, any lien, easement, encumbrance or other exception to title to be recorded against the Property without City's prior written approval, such approval not to be unreasonably withheld.

9. Representations and Warranties of City. City hereby represents and warrants and covenants to Owner, as follows, which representations and warranties shall survive the Close of Escrow:

(a) that this Option Agreement and the other documents to be executed by City hereunder, upon execution and delivery thereof by City, will have been duly entered into by City, and will constitute legal, valid and binding obligations of City, and

(b) neither this Option Agreement, nor anything provided to be done under this Option Agreement, violates or shall violate any contract, document, understanding, agreement or instrument to which City is a party or by which it is bound.

City agrees to indemnify, protect, defend, and hold Owner and the Property harmless from and against any damage, claim, liability, or expense of any kind whatsoever (including, without limitation, reasonable attorneys' fees and fees of expert witnesses) arising from or in connection with any breach of the foregoing representations, warranties and covenants. Such representations and warranties of City, and any other representations and warranties of City contained elsewhere in this Option Agreement shall be true and correct on and as of the date of this Option Agreement and on and as of the date of the Close of Escrow.

10. Relocation. In the event that the City purchases the Property pursuant to this Option Agreement and any displacement of tenants of the Property occurs, the City shall provide relocation assistance in accordance with the Federal Uniform Relocation Assistance and Real Property Acquisition Act, 42 U.S.C. § 4601, *et seq.*, the California relocation law, Government Code Section 7260, *et seq.*, and the regulations adopted pursuant thereto by the United States, State of California and the City (collectively, the "Relocation Laws"), and in a manner approved by the City to each displaced tenant household required to temporarily or permanently vacate a unit within the Property as a result of the City's acquisition of the Property pursuant to this Option Agreement. The City shall indemnify, defend, and hold harmless Owner and its officers, directors, shareholders, partners, employees, agents, and representatives from and against all claims for relocation assistance caused by or arising out of City's purchase of the Property pursuant to this Option Agreement.

11. General Provisions.

Part 92. The form of such notice shall be approved by the Agency prior to its delivery to the tenants. The Owner shall enter into a written lease with each tenant, in a form approved by the Agency, that shall implement the monthly rent limit set forth in the Lease Notice. In the event that any permanent displacement of tenants of the Property occurs, the Agency shall provide relocation assistance in accordance with the HOME Regulations Section 92.353, Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act, 42 U.S.C. § 4601, *et seq.*, the California Relocation Assistance Law, Government Code Section 7260, *et seq.*, and the regulations adopted pursuant thereto by the State of California and the Agency (collectively, the "Relocation Laws"), and in a manner approved by the Agency to each displaced tenant household required to temporarily or permanently vacate a unit within the Property as a result of the Owner's acquisition of the Property or for purposes of completing the Rehabilitation of the Property. In the event of permanent displacement of existing tenants due to the

implementation of this Agreement, despite the Owner's efforts to prevent such displacement as provided above, the Agency shall be fully responsible for administering determinations of eligibility and payments pursuant to the Relocation Laws. The Agency shall bear the cost of such relocation.

210.3 Liens and Stop Notices. The Owner shall not allow to be placed on the Property or any part thereof any lien or stop notice. If a claim of a lien or stop notice is given or recorded affecting the Property the Owner shall within thirty (30) days of such recording or service or within five (5) days of the Agency's demand, whichever last occurs: pay and discharge the same; or effect the release thereof by recording and delivering to the Agency a surety bond in sufficient form and amount, or otherwise; or provide the Agency with other assurance which the Agency deems, in its sole discretion, to be satisfactory for the payment of such lien or bonded stop notice and for the full and continuous protection of Agency from the effect of such lien or bonded stop notice.

210.4 HOME Matching Contribution. This Agreement and the Agency expenditures hereunder are intended to be a "Matching Contribution" as that term is used in the HOME Investment Partnership Act, 42 U.S.C. § 12701, *et seq.*, as it now exists and as it may hereafter be amended, as implemented by the HOME Regulations, as they now exist and as they may hereafter be amended (the "HOME Program"). Accordingly, the Owner shall comply with all applicable requirements of the HOME Program, as it now exists or may hereafter be amended. Specifically, without limitation, the Rehabilitation shall comply, to the extent applicable, with the requirements of the Davis-Bacon Act (40 U.S.C. §276a - 276a-5), and as applicable, the Contract Work Hours and Safety Standards Act (40 U.S.C. §3701 *et seq.*), and other applicable federal laws and regulations pertaining to labor standards. Upon request, the City shall provide to the Owner a copy of applicable HOME Program requirements.

210.5 CRL Requirements. The Agency Loan will be provided from Set Aside Funds. Health and Safety Code Section 33449 allows the funds to be used to provide housing to "persons and families of low or moderate income" and "very low income households," as defined in Sections 50093 and 50105 of the Health and Safety Code. The Owner agrees, pursuant to Section 301 below, that each of the four (4) Units will be provided to persons, families, or households whose incomes do not exceed sixty percent (60%) of the area median income in Orange County, adjusted for household size ("AMI"), at an Affordable Rent for the entire Affordability Period. Owner also agrees to comply with each and every requirement of the CRL, including but not limited to the covenants against discrimination set forth in Section 311, below and the Notice of Affordability Restrictions.

210.6 Prevailing Wage Requirements. The Agency and Owner believe that the California prevailing wage laws are not implicated by this Agreement and the Rehabilitation work to be performed hereunder because the Project meets the requirements of Section 1720(c)(6)(E) of the Labor Code which exempts from the prevailing wage laws affordable housing projects receiving public funding in the form of below-market interest rate loans for a project in which occupancy of at least forty percent (40%) of the units is restricted for at least twenty (20) years, by deed or regulatory agreement, to individuals or families earning no more than eighty percent (80%) of AMI. Notwithstanding the immediately preceding sentence, Owner hereby expressly acknowledges and agrees that the Agency has not previously affirmatively represented to the Owner or its contractor(s), if any, for the Rehabilitation of the Property, in writing or otherwise, that the Rehabilitation to be performed by Owner and covered by this Agreement is not a "public work," as defined in Section 1720 of the Labor Code.

210.7 Agency Parking Programs and Requirements. The Owner shall comply with all ordinances and other requirements or programs established by the Agency with respect to parking, including, without limitation, any ordinances, building code provisions or housing code provisions which require that the garages in the Property shall not be used for human habitation or commercial uses.

211. Financing of the Property. The Agency acknowledges that the Owner intends to obtain financing from private funding sources for a portion of the costs of acquisition of the Property with the Bank Loan which, together with the Agency Loan and Owner's resources would be sufficient to pay the full costs of the Project. Prior to and as a Condition Precedent to the disbursement of the Agency Loan, the Agency shall consider and approve, conditionally approve or reject the proposed Bank Loan, and any equity contributions necessary to finance the Property. Until the Agency Loan is repaid in full, the Owner shall not enter into any financing for the Property without the prior written approval of the Agency, which approval Agency agrees to give if such proposed financing is provided by a responsible financial institution and the ratio of total debt and equity financing (including the Agency Loan) to the purchase price of the Property does not exceed One Hundred Percent (100%). The Agency's approval of such financing shall not be unreasonably withheld or delayed. Upon the request of the Owner, the Agency Loan Deed of Trust shall be made subordinate to the Bank Loan provided that the Bank Loan meets the requirements of Section 312.

211.1 Holder Performance of Rehabilitation. The holder of any mortgage or deed of trust authorized by this Agreement shall not be obligated by the provisions of this Agreement to perform the Rehabilitation of the Property, or to guarantee such construction or completion; nor shall any covenant or any other provision in this Agreement be construed so to obligate such holder. Whenever the Agency may deliver any notice or demand to Owner with respect to any breach or default by the Owner in completion of Rehabilitation of the Property, the Agency may at the same time deliver to each holder of record of any mortgage or deed of trust authorized by this Agreement a copy of such notice or demand. Each such holder shall (insofar as the rights granted by the Agency are concerned) have the right, at its option, within thirty (30) days after the receipt of the notice, upon expressly assuming the Owner's obligations to the Agency by written agreement reasonably satisfactory to the Agency, to cure or remedy or commence to cure or remedy and thereafter to pursue with due diligence the cure or remedy of any such default and to add the cost thereof to the mortgage debt and the lien of its mortgage.

300. OPERATION OF HOUSING

301. Affordable Units. The Owner agrees to make the Units available to Lower Income Households at an Affordable Rent (collectively, the "Affordable Units"), pursuant to the terms set forth below and in the Regulatory Agreement and Notice of Affordability Restrictions (the "Operation" or "Operate").

For purposes of this Agreement, "Lower Income Households" shall mean those households with incomes that do not exceed sixty percent (60%) of Orange County median income, adjusted for family size, as established and amended from time to time by the United States Department of Housing and Urban Development ("HUD") or such lesser income as may be set forth in Health & Safety Code Section 50079.5 as amended from time to time. .

Upon the Owner's acquisition of the Property, and annually thereafter, the Owner shall submit to the Agency a completed income computation and certification form, in a form to be

provided by the Agency. The Owner shall certify that each tenant leasing an Affordable Unit meets the income restrictions of this Section 301 and that tenant's rental agreement states rent is Affordable Rent per Health & Safety Code Section 50053 for Lower Income households. The Owner shall obtain an income certification from the tenant of each Affordable Unit which shall certify that the income of the tenant is truthfully set forth in the income certification form. The Owner shall verify the income certification of the tenant in one or more of the following methods:

- (1) obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.
- (2) obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed, if any.
- (3) obtain an income verification certification from the employer of the tenant, if any.
- (4) obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies, if any.
- (5) obtain an alternate form of income verification reasonably requested by the Owner, if none of the above forms of verification is available to the Owner, if any.

The Property shall be subject to the requirements of this Section 300 from the date of Owner's acquisition of the Property until the fifty fifth (55th) anniversary of such date. The duration of this requirement shall be known as the "Affordability Period."

302. Affordable Rent. The maximum Monthly Rent chargeable for the Affordable Units shall be annually determined by the Agency in accordance with the following "Affordable Rent" requirements.

The Affordable Units shall be "Fixed Home Units" rented to Lower Income Households at "maximum HOME Rent limits" each as defined under 24 CFR 92.252 as the lesser of (a) the fair market rent for comparable housing units in the area as determined by HUD under 24 CFR 888.111, or (b) a rent that does not exceed thirty percent (30%) of sixty-five percent (65%) of the median income for the area, as determined by HUD, with adjustments for number of bedrooms in the Unit, less the monthly allowance for utilities and services to be paid by each tenant ("Affordable Rent"). Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the Unit, the tenant's income increases to a level greater than maximum income for Lower Income Households, adjusted for family size, the rent charged by Owner shall not exceed thirty percent (30%) of the family's adjusted income.

For purposes of this Agreement, "Monthly Rent" means the total of monthly payments for (a) use and occupancy of each Affordable Unit and land and facilities associated therewith, (b) any separately charged fees or service charges assessed by the Owner which are required of all tenants, other than security deposits, (c) a reasonable allowance for an adequate level of service of utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels, but not including telephone service, and (d) possessory

interest, taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than Owner.

303. Lease Requirements. Prior to disbursement of the Agency Loan, the Owner shall submit a standard lease form to the Agency for the Agency's approval. The Agency shall reasonably approve such lease form upon finding that such lease form is consistent with this Agreement and contains all of the provisions required pursuant to the Community Redevelopment Law, Health & Safety Code Sections 33000 *et seq.* ("CRL") and the HOME Program and the HOME Regulations. The Owner shall enter into a written lease, in the form approved by the Agency, with each tenant of an Affordable Unit. Each lease shall be for a period of not less than one year, and shall not contain any of the provisions which are prohibited pursuant to Section 92.253 of the HOME Regulations.

304. Affirmative Marketing. The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted by the Agency and the requirements of Section 92.351, or successor regulation, of the HOME Regulations and other applicable HOME Program requirements.

305. Selection of Tenants. Each Affordable Unit shall be leased to tenants selected by the Owner who meet all of the requirements provided herein. The Agency may, from time to time, assist in the leasing of the Property by providing to the Owner names of persons who have expressed interest in renting Affordable Units. The Owner shall adopt a tenant selection system in conformance with Section 92.253(d) of the HOME Regulations, which shall be approved by the Agency in its reasonable discretion, which establishes a chronological waiting list system and/or random lottery system for selection of tenants. The Owner shall not refuse to lease to a holder of a certificate of family participation under 24 CFR part 882 (Rental Certificate Program) or a rental voucher under 24 CFR part 887 (Rental Voucher Program) or to the holder of a comparable document evidencing participation in a HOME Program, Section 8 program or other tenant-based assistance program, who is otherwise qualified to be a tenant in accordance with the approved tenant selection criteria; provided that Owner shall not be required to give any priority or preference to participants in the foregoing programs.

306. Occupancy Standards. Notwithstanding other applicable requirements, occupancy of one bedroom Housing Units shall be limited to three persons, occupancy of two bedroom Housing Units shall be limited to five persons, and occupancy of three bedroom Housing Units shall be limited to seven persons. Notwithstanding the foregoing, however, no current residents of Housing Units as of the date of this Agreement shall be evicted from their apartment units solely because the household does not meet the occupancy requirements of this Section 306.

307. Maintenance. The Owner shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner, in accordance with the HUD Housing Quality Standards and the maintenance standards required by Section 92.251 of the HOME Regulations, and the standard of maintenance of similar housing units within Orange County, California. If at any time Owner fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the Agency with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the Agency with respect to landscaping and building improvements, then the Agency, in addition to whatever remedy it may have at law or at equity, shall have the right to enter upon the applicable portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Property and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the

Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Agency and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Owner to the Agency, as appropriate, upon demand.

308. Reserve Requirements. The Owner shall set aside in a separate interest-bearing account, commencing upon the Owner's acquisition of the Property, the sum of Eighteen Thousand Dollars (\$18,000) (the "Operating Reserve"), and shall thereafter retain such amount in the Operating Reserve to cover shortfalls between Property income and actual Property operating expenses. The Owner shall replenish the Operating Reserve to the full amount from Project Revenues within sixty (60) days of its use to cover any such shortfall. The Owner shall provide, no less than once per every twelve (12) months, evidence reasonably satisfactory to the Agency of compliance herewith.

Concurrently with the establishment of the Operating Reserve as set forth herein, the Owner shall also set aside, on a monthly basis, in a separate interest-bearing account, two percent (2%) of the gross rents received from the Property (the "Capital Replacement Reserve"). When funds in the Capital Replacement Reserve equal the amount of Twelve Thousand Dollars (\$12,000), the Owner may cease depositing additional appropriations to the Capital Replacement Reserve until twenty-four (24) months after the Owner's acquisition of the Property, after which time the Owner shall continue making monthly deposits of two percent (2%) of the gross rents received from the Property. Funds in the Capital Replacement Reserve shall be used for capital replacements to the Property fixtures and equipment which are normally capitalized under generally accepted accounting principles. As capital repairs and improvements of the Property become necessary, the Capital Replacement Reserve shall be the first source of payment therefor. The non-availability of funds in the Capital Replacement Reserve does not in any manner relieve the Owner of the obligation to undertake necessary capital repairs and improvements and to continue to maintain the Property in the manner prescribed in this Agreement. Not less than once per year, Owner, at its expense, shall submit to the Agency an accounting for the Capital Replacement Reserve. Capital repairs to and replacement of the Property shall include only those items with a long useful life of five or more years, including without limitation the following: carpet and drape replacement; appliance replacement; exterior painting, including exterior trim; hot water heater replacement; plumbing fixtures replacement, including tubs and showers, toilets, lavatories, sinks, faucets; air conditioning and heating replacement; asphalt repair and replacement, and seal coating; roofing repair and replacement; landscape tree replacement and irrigation pipe and controls replacement; gas line pipe replacement; lighting fixture replacement; elevator replacement and upgrade work; miscellaneous motors and blowers; common area furniture replacement, and common area repainting.

In the event that Owner provides evidence reasonably satisfactory to Agency that there are insufficient funds in the Capital Replacement Reserve and/or from Net Profits for Owner to undertake necessary capital repairs and improvements as required in this Agreement, the Agency shall advance such funds, provided that the amount shall be added to the Promissory Note. The Deed of Trust, referencing the new amount will be recorded again, reflecting the new principal amount, junior only to the Bank Loan.

309. Long Term Management of the Property. The parties acknowledge that the Agency is interested in the long term management and operation of the Property and in the qualifications of any person or entity retained by the Owner for that purpose (the "Property Manager"). The Owner shall, upon the date of acquisition of the Property, either contract

with an experienced and reputable party to be the Property Manager or Owner shall itself serve as the Property Manager. During the term of the Affordability Period, the Agency may from time to time review and evaluate the identity and performance of the Property Manager of the Property as it deems appropriate. If the Agency determines that the performance of the Property Manager is deficient based upon the standards and requirements set forth in this Agreement, the Agency shall provide notice to the Owner of such deficiencies and the Owner shall use its best efforts to correct such deficiencies. In the event such deficiencies have not been cured within the time set forth in Section 501 hereof, the Agency shall have the right to require the Owner to immediately remove and replace the Property Manager and to appoint another property manager or property management company which is reasonably acceptable to the Agency, which is not related to or affiliated with the Owner, and which has not less than five (5) years experience in property management, including significant experience managing affordable multifamily residential developments of the size, quality and scope of the Property.

In addition, prior to the acquisition of the Property the Owner shall submit for the approval of the Agency a "Management Plan" which sets forth in detail the Owner's property management duties, the affirmative marketing procedures in accordance with Section 304 hereof, the tenant selection process in accordance with Section 305 hereof, a security system and crime prevention program, the procedures for the collection of rent, the procedures for monitoring of occupancy levels, the procedures for eviction of tenants, the rules and regulations of the Property and manner of enforcement, a standard lease form in accordance with Section 303 hereof, the identity of the Property Manager, and other matters relevant to the management of the Property. The Management Plan shall require the Property Manager to adhere to a fair lease and grievance procedure and provide a plan for tenant participation in management decisions. The management of the Property shall be in compliance with the Management Plan which is approved by the Agency.

Until the Agency Loan has been fully repaid, the Owner shall annually submit to the Agency for its reasonable approval a budget for the operation of the Property. The fee paid to Property Manager shall not exceed five percent (5%) of the gross income of the Property per annum. Other fees and payments shall be consistent with prevailing market rates for the services performed and goods provided in consideration for such fees and payments. The Owner shall ensure that the expenses of operating the Property do not materially exceed the budget which has been approved by the Agency. The Owner shall annually provide to the Agency a detailed accounting of operating expenses and shall make its books and records available to the Agency for inspection and copying, upon reasonable advance notice during its normal hours of business.

310. Monitoring and Recordkeeping. Throughout the Affordability Period, Owner shall comply with all applicable recordkeeping and monitoring requirements set forth in Section 92.508 (or successor regulation) of the HOME Regulations and Health & Safety Code Section 33418 and shall annually complete and submit to Agency a Certification of Continuing Program Compliance in the form provided by the Agency. Representatives of the Agency shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property with respect to compliance herewith, and to conduct an independent audit or inspection of such records. The Owner agrees to cooperate with the Agency in making the Property available for such inspection or audit. If for any reason the Agency is unable to obtain the Owner's consent to such an inspection or audit, the Owner understands and agrees that the Agency may obtain at Owner's expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Owner agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

311. Non-Discrimination Covenants. Owner covenants by and for itself, its successors and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land. All deeds, leases or contracts relating to the Housing Units or the Site, or any part thereof, shall contain or be subject to substantially the following non-discrimination or non-segregation clauses:

(a) *In deeds:* “The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.”

(b) *In leases:* “The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions: “That there shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased.”

(c) *In contracts:* “There shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises which are the subject of this Agreement, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.”

312. Compliance with Equal Opportunity and Fair Housing. Owner shall also comply with the equal opportunity and fair housing requirements set forth in Section 92.350 of the HOME Regulations. The covenants established in this Section 311 shall, without regard to technical classification and designation, be binding for the benefit and in favor of Agency and its successors and assigns, and shall remain in effect in perpetuity.

313. Subordination. This Agreement shall run with the land and shall be subordinate to the Bank Loan approved by the Agency pursuant to Section 211, provided that the Agency finds that an economically feasible method of financing for the acquisition and operation of the Property, without the subordination of the covenants as may be set forth in this Agreement and the Affordable Housing Loan Agreement, is not reasonably available. Upon making such a finding, the Director (or designee) is hereby authorized to execute such subordination agreements and/or such other documents as may be necessary to evidence such subordination, provided that such subordination agreements contain written commitments which the Director (or designee) finds are reasonably designed to protect the Agency's investment in the event of default, such as any of the following: (a) a right of the Agency to cure a default on the loan prior to foreclosure, (b) a right of the Agency to negotiate with the lender after notice of default from the lender and prior to foreclosure, (c) an agreement that if prior to foreclosure of the loan, the Agency takes title to the Property and cures the default on the loan, the lender will not exercise any right it may have to accelerate the loan by reason of the transfer of title to the Agency, and (d) a right of the Agency to purchase the Property from the Owner at any time after a default on the loan.

314. Regulatory Agreement. The requirements of this Agreement which are applicable after the disbursement of the Agency Loan are set forth in the Regulatory Agreement and Notice of Affordability Restrictions. The execution and recordation of the Regulatory Agreement is a Condition Precedent to the disbursement of the Agency Loan, as set forth in Section 102 hereof. The Regulatory Agreement shall run with the land and shall be subordinate to the lien of the Bank Loan approved by the Agency pursuant to Section 211 hereof, provided that the Agency finds that an economically feasible method of financing for the acquisition and operation of the Property, without the subordination of the covenants as may be set forth in this Agreement and the Regulatory Agreement, is not reasonably available. Upon making such a finding, the Director (or designee) is hereby authorized to execute such subordination agreements and/or such other documents as may be necessary to evidence such subordination, provided that such subordination agreements contain written commitments which the Director (or designee) finds are reasonably designed to protect the Agency's investment in the event of default, such as any of the following: (a) a right of the Agency to cure a default on the loan prior to foreclosure, (b) a right of the Agency to negotiate with the lender after notice of default from the lender and prior to foreclosure, (c) an agreement that if prior to foreclosure of the loan, the Agency takes title to the property and cures the default on the loan, the lender will not exercise any right it may have to accelerate the loan by reason of the transfer of title to the Agency, and (d) a right of the Agency to purchase the Property from the Owner at any time after a default on the loan.

400. OPTION TO PURCHASE

401. Option. The Owner hereby grants to the Agency, and the Agency shall have, subject to any deeds of trust which have been approved pursuant to Section 211 of this Agreement, an option (the "Option") to purchase the Property from Owner at the purchase price set forth in the Option (the "Option"). The Agency shall have the right but not the obligation to exercise the Option at any time commencing upon the date of the Owner's acquisition of the Property (the "Option commencement

date”). If the Option has not been exercised within twenty (20) years of the Option commencement date, it shall automatically expire. Upon such expiration, the Agency shall, upon receipt of request therefor by the Owner, provide written confirmation in recordable form that such Option no longer remains in effect. The terms and conditions of the Option shall be set forth in an Option Agreement substantially in the form of Exhibit F, which is attached hereto and incorporated herein, which shall be executed by the parties to the Option and recorded as an encumbrance to the Property concurrently with the Owner’s acquisition of the Property.

500. DEFAULT AND REMEDIES

501. Events of Default. A failure by any party to perform any action or covenant required by this Agreement, the Regulatory Agreement, the Promissory Note, the Deed of Trust, or any loan or deed of trust for the Property which is senior to the Agency Loan, within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a “Default” under this Agreement. A party claiming a Default shall give written notice of Default to the other parties specifying the Default complained of. Except as otherwise expressly provided in this Agreement, the claimant shall not institute any proceeding against any other party, and the other party shall not be in Default if such party cures such default within thirty (30) days from receipt of such notice of such Default hereunder. However, in the event that such Default is other than a failure to pay money and is of such a nature that it cannot reasonably be cured within thirty (30) days from receipt of such notice, the claimant shall not institute any proceeding against the other party, and the other party shall not be in Default if such party immediately upon receipt of such notice, with due diligence, commences to cure, correct or remedy such failure or delay and completes such cure, correction or remedy with diligence as soon as reasonably possible thereafter. In the event that the Owner is in default on any loan or deed of trust senior to the Agency Loan, the Owner shall immediately deliver to the Agency a copy of such notice of default. Even if the holder of such loan or deed of trust has not exercised its rights or remedies with respect to such default, the Agency shall each have the right (but not be obligated) to cure such default. In such event, the Agency shall be entitled to reimbursement from the Owner of all costs and expenses it has actually incurred in curing such default. The Agency shall be entitled to add the amount incurred by it to the amounts owing pursuant to the Promissory Note, and secured by the Deed of Trust.

502. Remedies. The occurrence of any Event of Default shall give the nondefaulting party the right to proceed with any and all remedies set forth in this Agreement and/or the Promissory Note, Deed of Trust or Regulatory Agreement (collectively, the “Agency Loan Documents”), including an action for damages, an action or proceeding at law or in equity to require the defaulting party to perform its obligations and covenants under the Agency Loan Documents or to enjoin acts or things which may be unlawful or in violation of the provisions of the Agency Loan Documents, and the right to terminate this Agreement. In addition, the occurrence of any Event of Default by Owner will relieve the Agency of any obligation to perform hereunder, including without limitation to make or continue the Agency Loan, and the right to cause all indebtedness of the Owner to the Agency under this Agreement and the Promissory Note, together with any accrued interest thereon, to become immediately due and payable.

503. Force Majeure. Subject to the party’s compliance with the notice requirements as set forth below, performance by either party hereunder shall not be deemed to be a default hereof, and all performance and other dates specified in this Agreement shall be extended, where delays or defaults are due to causes beyond the control and without the fault of the party claiming an extension of time to perform, which may include the following: war, insurrection, strikes, lockouts, riots,

floods, earthquakes, fires, assaults, acts of God, acts of the public enemy, epidemics, quarantine restrictions, freight embargoes, lack of transportation, governmental restrictions or priority, litigation, unusually severe weather, inability to secure necessary labor, materials or tools, acts or omissions of the other party, acts or failures to act of any public or governmental entity (except that the Agency's acts or failure to act shall not excuse performance of the Agency hereunder). An extension of the time for any such cause shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of the commencement of the cause. Inability to obtain financing for the acquisition or operation of the Property shall not constitute an event beyond the control of the Owner for purposes of this Section 503.

504. Attorneys' Fees. In addition to any other remedies provided hereunder or available pursuant to law, if either party brings an action or proceeding to enforce, protect or establish any right or remedy hereunder or under any of the Agency Loan Documents, the prevailing party shall be entitled to recover from the other party its costs of suit and reasonable attorneys' fees.

505. Remedies Cumulative. No right, power, or remedy given to the Agency by the terms of this Agreement or the Agency Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given to the Agency by the terms of any such instrument, or by any statute or otherwise against Owner and any other person.

506. Waiver of Terms and Conditions. The Agency may, in its sole discretion, waive in writing any of the terms and conditions of this Agreement. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition.

507. Non-Liability of Agency Officials and Employees. 604. Limitation Upon Change in Ownership, Management and Control of the Property.

(a) *Prohibition.* The identity and qualifications of Owner as an experienced and successful operator of multifamily housing are of particular concern to the Agency. It is because of this identity and these qualifications that the Agency has entered into this Agreement with the Owner. No voluntary or involuntary successor in interest of the Owner shall acquire any rights or powers under this Agreement by assignment or otherwise, nor shall Owner make any total or partial sale, transfer, conveyance, encumbrance to secure financing, assignment or lease of the whole or any part of the Property without the prior written approval of the Agency pursuant to Subparagraph (c) hereof, except as expressly set forth herein, which approval shall not be unreasonably withheld.

(b) *Permitted Transfers.* Notwithstanding any other provision of this Agreement to the contrary, Agency approval of an assignment or transfer of this Agreement, the Agency Loan, the Promissory Note, the Deed of Trust, the Regulatory Agreement, or conveyance of the Property or any part thereof pursuant to subparagraph (c) of this Section 604, shall not be required in connection with any of the following (the "Permitted Transfers"):

(i) Subject to the restrictions of Sections 301 through 312 of this Agreement and the Regulatory Agreement, the lease of units within the Property to qualified tenants.

(ii) Assignment for financing purposes, subject to such financing being considered and approved by the Agency pursuant to Section 211 hereof.

(iii) Assignment of this Agreement and the conveyance of the Property to family members or a trust for estate planning purposes, or transfer of this Agreement and the Property to an entity in which Owner owns not less than fifty percent (50%) of the beneficial interest in the Property, and is under the management and control of the Owner, and the transferee entity executes an agreement reasonably acceptable to the Agency assuming all of the obligations under this Agreement.

In the event of an assignment by Owner not requiring the Agency's prior approval, Owner nevertheless agrees that at least ten (10) days prior to such assignment or transfer it shall give written notice to Agency of such assignment or transfer.

(c) *Agency Consideration of Requested Transfer.* The Agency agrees that it will not unreasonably withhold approval of a request made pursuant to this Section 604, provided (a) the Owner delivers written notice to the Agency requesting such approval, and (b) the proposed assignee or transferee possesses comparable operational experience and capability with respect to the operation of similar types of multifamily rental property, and comparable net worth and resources as necessary to operate the Property, and (c) the proposed assignee or transferee assumes the obligations of the Owner under this Agreement and the Promissory Note in a form which is reasonably acceptable to the Agency. Such notice shall be accompanied by evidence regarding the proposed assignee's or purchaser's qualifications and experience and its financial commitments and resources sufficient to enable the Agency to evaluate the proposed assignee or purchaser pursuant to the criteria set forth in this Section 604(c) and other criteria as reasonably determined by the Agency. The Agency shall approve or disapprove the request within thirty (30) days of its receipt of the Owner's notice and all information and materials required herein. In no event, however, shall the

Agency be obligated to approve the assignment or transfer of the Agency Loan, Promissory Note or Deed of Trust pursuant to this Section 604, except to an approved transferee or assignee of the Owner's rights in and to the Property.

(d) **Successors and Assigns.** This Agreement shall run with the land, and all of the terms, covenants and conditions of this Agreement shall be binding upon the Owner and the permitted successors and assigns of the Owner. Whenever the term "Owner" is used in this Agreement, such term shall include any other permitted successors and assigns as herein provided.

605. No Third Parties Benefited. This Agreement is made and entered into for the protection and benefit of the Agency, its successors and assigns, and Owner, its permitted successors and assigns, and no other person or persons, except that the City and Housing Authority shall be third party beneficiaries of this Agreement, including but not limited to the Affordability covenants and the covenants against discrimination contained in this Agreement, the Regulatory Agreement, and the Notice of Affordability Restrictions and shall have the right to enforce such covenants.

606. Partial Invalidity. If any provision of this Agreement shall be declared invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions hereof shall not in any way be affected or impaired.

607. Governing Law. This Agreement and the Agency Loan Documents and other instruments given pursuant hereto shall be construed in accordance with and be governed by the laws of the State of California. Any references herein to particular statutes or regulations shall be deemed to refer to successor statutes or regulations, or amendments thereto.

608. Amendment. This Agreement may not be changed orally, but only by agreement in writing signed by Owner and the Agency.

609. Approvals. Where an approval or submission is required under this Agreement, such approval or submission shall be valid for purposes of this Agreement only if made in writing. Where this Agreement requires an approval or consent of the Agency, such approval may be given on behalf of the Agency by the Director or his or her designee. The Director or his or her designee is hereby authorized to take such actions as may be necessary or appropriate to implement this Agreement on behalf of the Agency, including without limitation the execution of such documents or agreements as may be contemplated by this Agreement, and amendments which do not substantially change the uses or restrictions hereunder, or substantially add to the costs of the Agency hereunder.

The lien hereof shall automatically attach, without further act, to all after-acquired property deemed to be part of the Security as defined herein.

Section 6.3 Agreement to Pay Attorney's Fees and Expenses. In the event of an Event of Default hereunder, and if the Beneficiary should employ attorneys or incur other expenses for the collection of amounts due or the enforcement of performance or observance of an obligation or agreement on the part of the Trustor in this Deed of Trust, the Trustor agrees that it will, on demand therefor, pay to the Beneficiary the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Beneficiary; and any such amounts paid by the Beneficiary shall be added to the indebtedness secured by the lien of this Deed of Trust, and shall bear interest from the date such expenses are incurred at the maximum rate permitted by the law of the State of California.

Section 6.4 Repayment of the Agency Loan. The Trustor shall repay to the Beneficiary the Agency Loan in the amount and by the time set out in the Promissory Note.

Section 6.5 Subrogation; Payment of Claims. Provided that the Beneficiary gives notice of at least five (5) business days to the Trustor, the Beneficiary shall be subrogated to the claims and liens of all parties whose claims or liens are discharged or paid by the Beneficiary pursuant to the provisions hereof. If permitted in a Mortgage, the Beneficiary shall have the right to pay and discharge the obligations secured by the Mortgage.

Section 6.6 Operation of the Property. The Trustor agrees and covenants to operate the Property (and, in case of a transfer of the Property, the transferee shall operate the Property) in full compliance with the Agreement.

Section 6.7 Transfer. No sale, transfer, lease, pledge, encumbrance, creation of a security interest in or other hypothecation of the Security shall relieve or release the Trustor from primary liability under this Deed of Trust or the Agreement, as the case may be, except in connection with transfers permitted pursuant to Section 604 of the Agreement provided that the Transferee fully assumes the Agreement and this Deed of Trust.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 7.1 Events of Default Defined. The occurrence of any failure of the Trustor to pay the Promissory Note or to perform under this Deed of Trust, and the continuation of said failure for a period of thirty (30) business days as to monetary obligations and sixty (60) business days as to non-monetary obligations, after written notice specifying such failure and requesting that it be remedied shall have been given to Trustor from the Beneficiary, shall be an "Event of Default" or a "Default" under this Deed of Trust.

Section 7.2 Acceleration of Maturity. If an Event of Default shall have occurred and be continuing, then the entire indebtedness secured hereby shall, at the option of the Beneficiary, immediately become due and payable without notice or demand which are hereby expressly waived, and no omission on the part of the Beneficiary to exercise such option when entitled to do so shall be construed as a waiver of such right.

Section 7.3 The Beneficiary's Right to Enter and Take Possession. If an Event of Default shall have occurred and be continuing, the Beneficiary may:

(a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon the Property and take possession thereof (or any part thereof) and of any of the Security, in its own name or in the name of Trustee, and do any acts which it deems necessary or desirable to preserve the value, marketability or rentability of the Property, or part thereof or interest therein, increase the income therefrom or protect the Security hereof and, with or without taking possession of the Property, sue for or otherwise collect the rents, issues and profits thereof, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including attorneys' fees, upon any indebtedness secured hereby, all in such order as Beneficiary may determine. The entering upon and taking possession of the Property, the collection of such rents, issues and profits and the application thereof, as aforesaid, shall not cure or waive any Default or notice of Default hereunder or invalidate any act done in response to such Default or pursuant to such notice of Default and, notwithstanding the continuance in possession of the Property or the collection, receipt and application of rents, issues or profits, Beneficiary shall be entitled to exercise every right provided for in this Deed of Trust, the Agreement or by law upon occurrence of any Event of Default, including the right to exercise the power of sale. Trustor requests that a copy of any Notice of Default and a copy of any Notice of Sale hereunder be mailed to Trustor if at its address given herein;

(b) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof;

(c) Deliver to Trustee a written declaration of default and demand for sale, and a written notice of default and election to cause Trustor's interest in the property to be sold, which notice Trustee or Beneficiary shall cause to be duly filed for record in the Official Records of the County in which the Property is located; or

(d) Exercise all other rights and remedies provided herein, in the instruments by which the Trustor acquires title to the Property, including any Security, or in any other document or agreement now or hereafter evidencing, creating or securing all or any portion of the obligations secured hereby, or provided by law.

Section 7.4 Foreclosure By Power of Sale. Should the Beneficiary elect to foreclose by exercise of the power of sale herein contained, the Beneficiary shall notify Trustee and shall deposit with Trustee this Deed of Trust (and the deposit of which shall be deemed to constitute evidence that the amount of the Promissory Note is immediately due and payable), and such receipts and evidence of any expenditures made that are additionally secured hereby as Trustee may require.

(a) Upon receipt of such notice from the Beneficiary, Trustee shall cause to be recorded, published and delivered to Trustor such Notice of Default and Election to Sell as then required by law and by this Deed of Trust. Trustee shall, without demand on Trustor, after lapse of such time as may then be required by law and after recordation of such Notice of Default and after Notice of Sale having been given as required by law, sell the Property, at the time and place of sale fixed by it in said Notice of Sale, either as a whole or in separate lots or parcels or items as Trustee shall deem expedient and in such order as it may determine, at public auction to the highest bidder, for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee or Beneficiary, may purchase at such sale, and Trustor hereby covenants to warrant and defend the title of such purchaser or purchasers.

(b) After deducting all reasonable costs, fees and expenses of Trustee, including costs of evidence of title in connection with such sale, Trustee shall apply the proceeds of sale to payment of: (i) the Promissory Note; (ii) all other sums then secured hereby; and (iii) the remainder, if any, to the person or persons legally entitled thereto.

(c) Trustee may postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new notice of sale.

Section 7.5 Receiver. If an Event of Default shall have occurred and be continuing, Beneficiary, as a matter of right and without further notice to Trustor or anyone claiming under Security, and without regard to the then value of the Property or the interest of Trustor therein, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Security (or a part thereof), and Trustor hereby irrevocably consents to such appointment. Any such receiver or receivers shall have all the powers and duties of receivers in like or similar cases, and all

the powers and duties of Beneficiary in case of entry as provided herein, and shall continue as such and exercise all such powers until the date of confirmation of sale of the Property, unless such receivership is sooner terminated.

Section 7.6 Remedies Cumulative. No right, power or remedy conferred upon or reserved to the Beneficiary by this Deed of Trust is intended to be exclusive of any other right, power or remedy, but each and every such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.7 No Waiver.

(a) No delay or omission of the Beneficiary to exercise any right, power or remedy accruing upon any Default shall exhaust or impair any such right, power or remedy, or shall be construed to be a waiver of any such Default or acquiescence therein; and every right, power and remedy given by this Deed of Trust to the Beneficiary may be exercised from time to time and as often as may be deemed expeditious by the Beneficiary. No consent or waiver, expressed or implied, by the Beneficiary to or of any breach by the Trustor in the performance of the obligations hereunder shall be deemed or construed to be a consent to or waiver of obligations of the Trustor hereunder. Failure on the part of the Beneficiary to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by the Beneficiary of its right hereunder or impair any rights, powers or remedies consequent on any breach or Default by the Trustor.

(b) If the Beneficiary (i) grants forbearance or an extension of time for the payment of any sums secured hereby, (ii) takes other or additional security or the payment of any sums secured hereby, (iii) waives or does not exercise any right granted herein, or in the Agreement, (iv) releases any part of the Security from the lien of this Deed of Trust, or otherwise changes any of the terms, covenants, conditions or agreements of this Deed of Trust or the Agreement, (v) consents to the filing of any map, plat or replat affecting the Security, (vi) consents to the granting of any easement or other right affecting the Security, or (vii) makes or consents to any agreement subordinating the lien hereof, any such act or omission shall not release, discharge, modify, change or affect the original liability under this Deed of Trust, or any other obligation of the Trustor or any subsequent purchaser of the Security or any part thereof, or any maker, co-signer, endorser, surety or guarantor (unless expressly released); nor shall any such act or omission preclude the Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in the event of any Default then made or of any subsequent Default, nor, except as otherwise expressly provided in an instrument or instruments executed by the Beneficiary shall the lien of this Deed of Trust be altered thereby. In the event of the sale or transfer by operation of law or otherwise of all or any part of the Property, the Beneficiary, without notice, is hereby authorized and empowered to deal with any such vendee or transferee with reference to the Security (or a part thereof) or the indebtedness secured hereby, or with reference to any of the terms, covenants, conditions or agreements hereof, as fully and to the same extent as it might deal with the Trustor and without in any way releasing or discharging any liabilities, obligations or undertakings of the Trustor.

Section 7.8 Suits to Protect the Security. The Beneficiary shall have power (upon ninety (90) days notice to the Trustor) to (a) institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Security (and the rights of the Beneficiary as secured by this Deed of Trust) by any acts which may be unlawful or any violation of this Deed of

Trust, (b) preserve or protect its interest (as described in this Deed of Trust) in the Security and in the rents, issues, profits and revenues arising therefrom, and (c) restrain the enforcement of or compliance with any legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement for compliance with such enactment, rule or order would impair the security thereunder or be prejudicial to the interests of the Beneficiary.

Section 7.9 Trustee May File Proofs of Claim. In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting the Trustor, its creditors or its property, the Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of the Beneficiary allowed in such proceedings for the entire amount due and payable by the Trustor under this Deed of Trust at the date of the institution of such proceedings and for any additional amount which may become due and payable by the Trustor hereunder after such date.

ARTICLE VIII

MISCELLANEOUS

Section 8.1 Amendments. This instrument cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought.

Section 8.2 Reconveyance by Trustee. Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed of Trust to Trustee for cancellation and retention, and upon payment by Trustor of Trustee's reasonable fees, Trustee shall reconvey to Trustor, or to the person or persons legally entitled thereto, without warranty, any portion of the Property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in any reconveyance may be described as "the person or person legally entitled thereto."

Section 8.3 Notices. Whenever Beneficiary, Trustor or Trustee shall desire to give or serve any notice, demand, request or other communication with respect to this Deed of Trust, each such notice, demand, request, or other communication shall be in writing and shall be effective only if the same is delivered by personal service or mailed by registered or certified mail, postage prepaid, return receipts requested, or by telegram, addressed to the address set forth in the first paragraph of this Deed of Trust. Any party may at any time change its address for such notices by delivering or mailing to the other parties hereto, as aforesaid, a notice of such change.

Section 8.4 Acceptance by Trustee. Trustee accepts this Trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law.

Section 8.5 Captions. The captions or headings at the beginning of each Section hereof are for the convenience of the parties and are not a part of this Deed of Trust.

Section 8.6 Invalidity of Certain Provisions. Every provision of this Deed of Trust is intended to be severable. In the event any term or provision hereof is declared to be illegal or invalid for any reason whatsoever by a court of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain

binding and enforceable. If the lien of this Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Security, the unsecured or partially secured portion of the debt, and all payments made on the debt, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have been first paid on and applied to the full payment of that portion of the debt which is not secured or partially secured by the lien of this Deed of Trust.

Section 8.7 No Merger. If title to the Property shall become vested in the Beneficiary, this Deed of Trust and the lien created hereby shall not be destroyed or terminated by application of the doctrine of merger and, in such event, Beneficiary shall continue to have and enjoy all of the rights and privileges of Beneficiary under this Deed of Trust. In addition, upon foreclosure under this Deed of Trust pursuant to the provisions hereof, any leases or subleases then existing and affecting all or any portion of the Security shall not be destroyed or terminated by application of the law of merger or as a matter of law or as a result of such foreclosure unless Beneficiary or any purchaser at any such foreclosure shall so elect. No act by or on behalf of Beneficiary or any such purchaser shall constitute a termination of any lease or sublease unless Beneficiary or such purchaser shall give written notice of termination to such tenant or subtenant.

Section 8.8 Governing Law. This Deed of Trust shall be governed by and construed in accordance with the laws of the State of California.

Section 8.9 Gender and Number. In this Deed of Trust the singular shall include the plural and the masculine shall include the feminine and neuter and vice versa, if the context so requires.

Section 8.10 Nondisturbance Agreement. In the event of any foreclosure of this Deed of Trust or a transfer in lieu of foreclosure, Beneficiary or other transferee shall recognize and not disturb the possession, tenancy, leasehold estate and rights of all tenants and occupants of the Property or any portion thereof, and shall honor and abide by all of the terms, covenants and conditions of each lease for the remaining balance of the term or extension thereof with the same force and effect as if Beneficiary or such other transferee were the original lessor under the lease; provided, however, that the tenant is not in default under its lease and Beneficiary or such other transferee shall not be (a) liable for any damage, loss or expense arising from any act or omission of any prior lessor (including Trustor) under any lease, (b) subject to any offsets, abatements, rent reductions or defenses which the tenant may be entitled to assert against any prior lessor (including Trustor) under any lease, or (c) liable or responsible for or with respect to the retention, application and/or return to the tenant of any security deposit paid to any prior lessor (including Trustor) under any lease, whether or not still held by any prior lessor (including Trustor), unless and until Beneficiary or such other transferee has actually received for its own account as lessor under the lease the full amount of such security deposit or a credit therefor. Each tenant and occupant of the Property shall, upon any foreclosure of this Deed of Trust or transfer in lieu of foreclosure, be bound to Beneficiary or such other transferee under all of the terms, covenants and conditions of the tenant's lease for the remaining balance of the term thereof or extension thereof, with the same force and effect as if Beneficiary or such other transferee were the original lessor under such lease, and the tenant shall attorn to Beneficiary or such other transferee as its lessor, such attornment to be effective and self-operative without the execution of any further instruments by either party, immediately upon the tenant's receipt of written notice from Beneficiary or such other transferee or from Trustor that title to the Property has vested in Beneficiary or such other transferee. Rent paid by a tenant or

occupant to the transferee after receipt of such notice shall be considered to be rental payment under the lease.

IN WITNESS WHEREOF, Trustor has executed this Deed of Trust as of the day and year first above written.

RECITALS

A. Owner has acquired real property located within the City of Garden Grove, located at 12162 Tamerlane Drive, which is improved with a four (4) unit apartment complex thereon (the "Property"), as particularly described in the Legal Description attached hereto as Attachment No. 1, and incorporated herein by reference.

B. The Owner and the Agency have entered into an Affordable Housing Loan Agreement, dated February 9, 2010, pursuant to which the Agency has agreed to provide financial assistance to Owner to acquire the Property (the "Agency Loan"), and the Owner has agreed to Acquire, Rehabilitate and Operate the Property with the assistance of the Agency Loan. The execution and recordation of this Regulatory Agreement is a requirement of the Affordable Housing Loan Agreement. Capitalized terms not defined herein shall have the meaning set forth in the Affordable Housing Loan Agreement.

NOW, THEREFORE, the parties hereto agree as follows:

100. CONDITION OF THE PROPERTY

101. Indemnification. Owner shall save, protect, pay for, defend, indemnify and hold harmless the Agency and City and their respective elected officials, consultants, attorneys, officers, employees, representatives and agents, from and against any and all liabilities, suits, actions, claims, demands, penalties, damages (including, without limitation, penalties, fines and monetary sanctions), losses, costs or expenses (including, without limitation, consultants' fees, investigation and laboratory fees, attorneys' fees and remedial and response costs) (the foregoing are hereinafter collectively referred to as "Liabilities") which may now or in the future be incurred or suffered by the Agency and City or their respective elected officials, consultants, attorneys, officers, employees, representatives or agents by reason of, resulting from, in connection with or arising in any manner whatsoever as a direct or indirect result of the presence on or under, or the escape, seepage, leakage,

spillage, discharge, emission or release from the Property of any Hazardous Materials or Hazardous Materials Contamination, which is caused by Owner, or its agents, employees, representatives, agents, contractors or invitees.

102. Release. The Owner hereby waives, releases and discharges forever the Agency and City and their respective elected officials, consultants, attorneys, officers, employees, representatives and agents, from all present and future claims, demands, suits, legal and administrative proceedings and from all liability for damages, losses, costs, liabilities, fees and expenses, present and future, arising out of or in any way connected with the Agency's or the Owner's use, maintenance, ownership or operation of the Property, any Hazardous Materials on the Property, or the existence of Hazardous Materials Contamination in any state on the Property, however they came to be placed there, except that arising out of the negligence or misconduct of the Agency and City or their respective elected officials, consultants, attorneys, officers, employees, representatives and agents.

The Owner acknowledges that it is aware of and familiar with the provisions of Section 1542 of the California Civil Code which provides as follows:

“A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.”

As such relates to this Section 102, the Owner hereby waives and relinquishes all rights and benefits which it may have under Section 1542 of the California Civil Code.

103. Duty to Prevent Hazardous Material Contamination. During its ownership operation of the Property, the Owner shall take all necessary precautions to prevent the release of any Hazardous Materials into the environment on or under the Property. Such precautions shall include compliance with all Governmental Requirements with respect to Hazardous Materials. For purposes of this Article 100, “Hazardous Materials” means any substance, material, or waste which is or becomes, regulated by any local governmental authority, the State of California, or the United States Government, including, but not limited to, any material or substance which is (i) defined as a “hazardous waste,” “extremely hazardous waste,” or “restricted hazardous waste” under Section 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law)), (ii) defined as a “hazardous substance” under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) defined as a

200. REHABILITATION OF THE PROPERTY

201. Rehabilitation of the Property. Owner agrees to rehabilitate the Property in accordance with the Schedule of Performance which is attached to the AHA, the Federal Housing Quality Standards, 24 CFR § 982.401, the City Municipal Code, and all other applicable local codes, rehabilitation standards, ordinances and zoning ordinances, and the Work Write-up which is approved by the Agency pursuant to Section 203 hereof (the “Rehabilitate” or “Rehabilitation”). The Rehabilitation shall be conducted on a unit-by-unit basis and in such a manner so as to avoid or minimize tenant displacement to the greatest extent feasible in accordance with the provisions of Section 210.2 below. Owner shall submit to the Agency one or more construction contracts with a duly licensed contractor or contractors reasonably acceptable to the Agency providing for the Rehabilitation of the Property in conformance with the terms of this Agreement. 202. Work Write-up. Within thirty (30) days after the Effective Date of this Agreement, the Owner shall submit to the Agency detailed plans, materials and drawings describing the Rehabilitation of the Property (collectively, the “Work Write-up”), and the Agency shall have the right to review and approve or disapprove, in its reasonable discretion, the Work Write-up. During the preparation of the Work Write-up, staff of the Agency and the Owner shall hold shall communicate and consult informally as frequently as necessary to coordinate the preparation and review of the Work Write-up. If the Owner desires to propose any revisions to the Agency-approved Work Write-up, it shall submit such proposed changes to the Agency and the Agency shall review the proposed change and notify the Owner in writing within thirty (30) days after submission to the Agency as to whether the proposed change is approved or disapproved. The Agency shall not be responsible either to the Owner or to third parties in any way for any defects in the Work Write-up,

nor for any structural or other defects in any work done according to the approved Work Write-up, nor for any delays reasonably caused by the review and approval processes established by this Section 202. The Owner shall hold harmless, indemnify and defend the Agency and the City of Garden Grove and their respective officers, employees, agents and representatives from and against any claims, suits for damages to property or injuries to persons arising out of or in any way relating to defects in the Work Write-up, including without limitation the violation of any laws, and for defects in any work done according to the approved Work Write-up.

203. Cost of Rehabilitation. The cost of Rehabilitation shall be paid using funds allocated for Rehabilitation, as set forth in the Pro Forma attached hereto as Exhibit I and incorporated herein by reference, which estimates a cost of Fifteen Thousand, One Hundred Ninety-Three Dollars (\$15,193) per unit, in the total amount of Sixty Thousand, Seven Hundred Seventy-Two Dollars (\$60,772) plus a contingency of Six Thousand, Seventy Seven Dollars (\$6,077) and a construction management fee payable to Owner of Six Thousand, Seventy Seven Dollars (\$6,077) (the "Rehabilitation Allocation"). In the event the Rehabilitation Allocation is insufficient to pay for the total cost of Rehabilitation, the Owner shall locate and utilize another funding source(s) for the remainder of such costs. The Owner shall submit to the Agency a final line item budget for any proposed Rehabilitation of the Property, which budget shall include without limitation a description of uses by phase and total cost of Rehabilitation. The Agency shall reasonably approve such budget if the budget is reasonably calculated to fund the Rehabilitation of the Property in accordance with Federal Housing Quality Standards and all of the requirements of this Agreement.

204. Timing of Rehabilitation. Owner hereby covenants and agrees to commence the Rehabilitation of the Property within the time set forth in the Schedule of Performance. The Owner further covenants and agrees to diligently prosecute to completion the Rehabilitation of the Property in accordance with the approved Work Write-up and to file a Notice of Completion pursuant to California Civil Code Section 3093 within the time set forth in the Schedule of Performance. Notwithstanding the Schedule of Performance, the deadlines for performance under this Agreement set forth therein may be extended if the completion of Rehabilitation according to the Schedule of Performance would displace a resident, unless the resident can be transferred to another unit on the Property, or by mutual written agreement of the parties.

205. Agency and Other Governmental Agency Permits. Before commencement of the Rehabilitation of the Property, the Owner shall secure or cause its contractor to secure any and all permits which may be required by the Agency or any other governmental agency affected by such construction, including without limitation building permits. The Owner shall pay all necessary fees and timely submit to the Agency final drawings with final corrections to obtain such permits.

206. Right of the Agency to Satisfy Other Liens. After the disbursement of the Agency Loan and prior to the completion of the Rehabilitation of the Property, and after the Owner has had written notice and has failed after a reasonable time, but in any event not less than forty-five (45) days, to challenge, cure, adequately bond against, or satisfy any liens or encumbrances on the Property which are not otherwise permitted under this Agreement, the Agency shall have the right but no obligation to satisfy any such liens or encumbrances. Notwithstanding the above, the Owner shall have the right to contest the validity or amounts of any tax, assessment, or encumbrance applicable to the Owner in respect thereto.

207. Release of Construction Covenants. Promptly after the completion of the Rehabilitation of the Property on the Property, in conformity with this Agreement (as reasonably

determined by the Director or his or her designee), upon the written request of the Owner, the Agency shall furnish the Owner with a Release of Construction Covenants (in the form attached to the Affordable Housing Loan Agreement as Exhibit D) which evidences and determines the satisfactory completion of the Rehabilitation of the Property in accordance with this Agreement. The issuance and recordation of the Release of Construction Covenants with respect to the Property shall not supersede, cancel, amend or limit the continued effectiveness of any obligations relating to the maintenance, or uses, or payment of monies, or any other obligations, except for the obligation to complete the Rehabilitation of the Property as of the time of the issuance of the Release of Construction Covenants.

208. Insurance and Indemnity.

208.1 Commencement of Work. Owner shall not commence work under this Agreement until all certificates and endorsements have been received and approved by Agency. All insurance required by this Agreement shall contain a Statement of Obligation on the part of the carrier to notify Agency of any material change, cancellation, or termination at least thirty (30) days in advance.

208.2 Workers Compensation. For the duration of this Agreement, Owner and all subcontractors shall maintain Workers Compensation Insurance in the amount and type required by law, if applicable. Coverage shall include a waiver of subrogation waiving subrogation rights against Agency, its officers, officials, agents, employees, and volunteers.

insurance or self-insurance maintained by Agency, its officers, officials, employees, agents, or volunteers shall by excess of the Owner's insurance and shall not contribute with it.

209. Entry by the Agency. Owner shall permit the Agency, through its officers, agents or employees, at all reasonable times to enter onto the Property and inspect the work of Rehabilitation to determine that the same is in conformity with the Work Write-up and all the requirements hereof. Owner acknowledges that the Agency is under no obligation to supervise, inspect, or inform Owner of the progress of construction, and Owner shall not rely upon the Agency or Agency therefor. Any inspection by the Agency is entirely for its purposes in determining whether Owner is in default under this Agreement and is not for the purpose of determining or informing Owner of the quality or suitability of construction. Owner shall rely entirely upon its own supervision and inspection in determining the quality and suitability of the materials and work, and the performance of architects, subcontractors, and material suppliers.

210. Compliance With Laws. The Owner shall carry out the acquisition, Rehabilitation, if applicable, and operation of the Property in conformity with all applicable laws, including all applicable state labor standards, City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and all applicable disabled and handicapped access requirements, including without limitation the Americans With Disabilities Act, 42 U.S.C. Section 12101, *et seq.*, Government Code Section 4450, *et seq.*, Government Code Section 11135, *et seq.*, and the Unruh Civil Rights Act, Civil Code Section 51, *et seq.*

210.1 Taxes and Assessments. The Owner shall pay prior to delinquency all ad valorem real estate taxes and assessments on the Property, subject to the Owner's right to contest in good faith any such taxes or to receive an exemption from the payment of such taxes.

210.2 Relocation. Owner shall conduct and submit to the Agency a tenant survey, completed by each tenant household currently residing in the Property and such other information as reasonably required by Agency necessary to evaluate the relocation obligations, if any, required by federal, state and/or local law with respect to the Owner's acquisition and Rehabilitation of the Property. The acquisition and Rehabilitation, if applicable, shall be conducted in such a manner as to prevent, to the maximum extent feasible, any displacement of existing tenants in accordance with applicable law. The Owner and the Agency shall attempt to obtain Section 8 certificates or other housing subsidies as necessary to provide relocation assistance to the existing tenants of the Property who are not participants in the Owner's program (as hereinafter described). Immediately after the execution of this Agreement, the Agency and Owner shall cooperate in sending notices (the "Lease Notice") to the existing tenants of the Property notifying and advising such tenants of their right to lease and occupy a unit in the Property, for reasonable terms and conditions, including, but not limited to: (i) term of lease not less than one year, (ii) monthly rent and estimated average utility costs that do not exceed the greater of: (a) the tenant's monthly rent before this Agreement and estimated average monthly utility costs; or (b) Rent calculated pursuant to HOME Program requirements if the tenant is low income, or 30% of gross income if the tenant is not low income. In addition, if any existing tenant is required to move temporarily from the Property and will not be permanently displaced, such tenant(s) will receive temporary relocation assistance and benefits set forth in HOME Regulations Section 92.353(b). The form of such notice shall be approved by the Agency prior to its delivery to the tenants. The Owner shall enter into a written lease, in a form approved by the Agency, with each tenant that shall implement the monthly rent limit set forth in the Lease Notice. In the event that any permanent displacement of tenants of the Property occurs, the

Agency shall provide relocation assistance in accordance with the HOME Regulations Section 92.353, Federal Uniform Relocation Assistance and Real Property Policies Acquisition Act, 42 U.S.C. § 4601, *et seq.*, the California Relocation Assistance Law, Government Code Section 7260, *et seq.*, and the regulations adopted pursuant thereto by the United States, State of California and the Agency (collectively, the "Relocation Laws"), and in a manner approved by the Agency to each displaced tenant household required to temporarily or permanently vacate a unit within the Property as a result of the Owner's acquisition of the Property or for purposes of completing the Rehabilitation of the Property. In the event of permanent displacement of existing tenants due to the implementation of this Agreement, despite the Owner's efforts to prevent such displacement as provided above, the Agency shall be fully responsible for administering determinations of eligibility and payments pursuant to the Relocation Laws. The Agency shall bear the cost of such relocation.

210.3 Liens and Stop Notices. The Owner shall not allow to be placed on the Property or any part thereof any lien or stop notice. If a claim of a lien or stop notice is given or recorded affecting the Property the Owner shall within thirty (30) days of such recording or service or within five (5) days of the Agency's demand, whichever last occurs: pay and discharge the same; or effect the release thereof by recording and delivering to the Agency a surety bond in sufficient form and amount, or otherwise; or provide the Agency with other assurance which the Agency deems, in its sole discretion, to be satisfactory for the payment of such lien or bonded stop notice and for the full and continuous protection of Agency from the effect of such lien or bonded stop notice.

210.4 HOME Matching Contribution. This Agreement and the Agency expenditures hereunder are intended to be a "Matching Contribution" as that term is used in the HOME Investment Partnership Act, 42 U.S.C. § 12701, *et seq.*, as it now exists and as it may hereafter be amended, as implemented by the HOME Regulations, as they now exist and as they may hereafter be amended (the "HOME Program"). Accordingly, the Owner shall comply with all applicable requirements of the HOME Program, as it now exists or may hereafter be amended. Specifically, without limitation, the Rehabilitation shall comply, to the extent applicable, with the requirements of the Davis-Bacon Act (40 U.S.C. §276a - 276a-5), and as applicable, the Contract Work Hours and Safety Standards Act (40 U.S.C. §3701 *et seq.*), and other applicable federal laws and regulations pertaining to labor standards. Upon request, the Agency shall provide to the Owner a copy of applicable HOME Program requirements.

210.5 CRL Requirements. The Agency Loan will be provided from Set Aside Funds. Health & Safety Code Section 33449 allows the funds to be used to provide housing to "persons and families of low or moderate income" and "very low income households," as defined in Sections 50093 and 50105 of the Health and Safety Code. The Owner agrees, pursuant to Section 301 below, that each of the four (4) units on the Property will be provided to persons, families, or households whose incomes do not exceed sixty percent (60%) of the area median income in Orange County, adjusted for household size ("AMI"), at an Affordable Rent for the entire Affordability Period. Owner also agrees to comply with each and every requirement of the CRL, including but not limited to the covenants against discrimination set forth in Section 311, below and the Notice of Affordability Restrictions.

210.6 Prevailing Wage Requirements. The Agency and Owner believe that the California prevailing wage laws are not implicated by this Agreement and the Rehabilitation work to be performed hereunder because the project meets the requirements of Section 1720(c)(6)(E) of the Labor Code which exempts from the prevailing wage laws affordable housing projects receiving

public funding in the form of below-market interest rate loans for a project in which occupancy of at least forty percent (40%) of the units is restricted for at least twenty (20) years, by deed or regulatory agreement, to individuals or families earning no more than eighty percent (80%) of AMI. Notwithstanding the immediately preceding sentence, Owner hereby expressly acknowledges and agrees that the Agency has not previously affirmatively represented to the Owner or its contractor(s), if any, for the Rehabilitation of the Property, in writing or otherwise, that the Rehabilitation to be performed by Owner and covered by this Agreement is not a "public work," as defined in Section 1720 of the Labor Code.

210.7 Agency Parking Programs and Requirements. The Owner shall comply with all ordinances and other requirements or programs established by the Agency with respect to parking, including, without limitation, any ordinances, building code provisions or housing code provisions which require that the garages in the Property shall not be used for human habitation or commercial uses.

300. OPERATION OF HOUSING

301. Affordable Units. The Owner agrees to make the Units available to Lower Income Households at an Affordable Rent (collectively, the "Affordable Units"), pursuant to the terms set forth below and in the Regulatory Agreement and Notice of Affordability Restrictions (the "Operation" or "Operate").

For purposes of this Agreement, "Lower Income Households" shall mean those households with incomes that do not exceed sixty percent (60%) of Orange County median income, adjusted for family size, as established and amended from time to time by the United States Department of Housing and Urban Development ("HUD") or such lesser income as may be set forth in Health & Safety Code Section 50079.5 as amended from time to time.

Upon the Owner's acquisition of the Property, and annually thereafter, the Owner shall submit to the Agency a completed income computation and certification form, in a form to be provided by the Agency. The Owner shall certify that each tenant leasing an Affordable Unit meets the income restrictions of this Section 301 and that tenant's rental agreement states rent is Affordable Rent per Health & Safety Code Section 50053 for Lower Income households. The Owner shall obtain an income certification from the tenant of each Affordable Unit which shall certify that the income of the tenant is truthfully set forth in the income certification form. The Owner shall verify the income certification of the tenant in one or more of the following methods:

- (1) obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.
- (2) obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed, if any.
- (3) obtain an income verification certification from the employer of the tenant, if any.
- (4) obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies, if any.

(5) obtain an alternate form of income verification reasonably requested by the Owner, if none of the above forms of verification is available to the Owner, if any.

Current tenants of the Property as of the date of this Agreement shall not be compelled to vacate their Units solely because their income exceeds the applicable requirements for renting an Affordable Unit. Any tenant who, because of an increase in income is no longer qualified to rent an Affordable Unit shall not be required to vacate the apartment unit solely because of such change of income, and shall be entitled to remain as a tenant of the same apartment unit at a rent which does not exceed the fair market rental value for such unit.

The Property shall be subject to the requirements of this Article 300 from the date of Owner's acquisition of the Property until the fifty fifth (55th) anniversary of such date. The duration of this requirement shall be known as the "Affordability Period."

302. Affordable Rent. The maximum Monthly Rent chargeable for the Affordable Units shall be annually determined by the Agency in accordance with the following "Affordable Rent" requirements.

The Affordable Units will be rented to Lower Income Households at maximum HOME Rent limits defined under 24 CFR 92.252 as the lesser of (a) the fair market rent for comparable housing units in the area as determined by HUD under 24 CFR 888.111, or (b) a rent that does not exceed thirty percent (30%) of sixty-five percent (65%) of the median income for the area, as determined by HUD, with adjustments for number of bedrooms in the Unit, less the monthly allowance for utilities and services to be paid by each tenant ("Affordable Rent"). Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the Unit, the tenant's income increases to a level greater than maximum income for Lower Income Households, adjusted for family size, the rent charged by Owner shall not exceed the fair market rent for comparable housing units in the area as determined by the Agency.

For purposes of this Agreement, "Monthly Rent" means the total of monthly payments for (a) use and occupancy of each Affordable Unit and land and facilities associated therewith, (b) any separately charged fees or service charges assessed by the Owner which are required of all tenants, other than security deposits, (c) a reasonable allowance for an adequate level of service of utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels, but not including telephone service, and (d) possessory interest, taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than Owner.

303. Lease Requirements. Prior to disbursement of the Agency Loan, the Owner shall submit a standard lease form to the Agency for the Agency's approval. The Agency shall reasonably approve such lease form upon finding that such lease form is consistent with this Agreement and contains all of the provisions required pursuant to the Community Redevelopment Law, Health & Safety Code sections 33000 *et seq.* ("CRL") and the HOME Program and the HOME Regulations. The Owner shall enter into a written lease, in the form approved by the Agency, with each tenant of an Affordable Unit. Each lease shall be for a period of not less than one year, and shall not contain any of the provisions which are prohibited pursuant to Section 92.253 of the HOME Regulations.

304. Affirmative Marketing. The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted by the Agency and

the requirements of Section 92.351, or successor regulation, of the HOME Regulations and other applicable HOME Program requirements.

305. Selection of Tenants. Each Affordable Unit shall be leased to tenants selected by the Owner who meet all of the requirements provided herein. The Agency may, from time to time, assist in the leasing of the Property by providing to the Owner names of persons who have expressed interest in renting Affordable Units. The Owner shall adopt a tenant selection system in conformance with Section 92.253(d) of the HOME Regulations, which shall be approved by the Agency in its reasonable discretion, which establishes a chronological waiting list system and/or random lottery system for selection of tenants. The Owner shall not refuse to lease to a holder of a certificate of family participation under 24 CFR part 882 (Rental Certificate Program) or a rental voucher under 24 CFR part 887 (Rental Voucher Program) or to the holder of a comparable document evidencing participation in a HOME Program, Section 8 program or other tenant-based assistance program, who is otherwise qualified to be a tenant in accordance with the approved tenant selection criteria; provided that Owner shall not be required to give any priority or preference to participants in the foregoing programs.

306. Occupancy Standards. Notwithstanding other applicable requirements, occupancy of one bedroom Housing Units shall be limited to three persons, occupancy of two bedroom Housing Units shall be limited to five persons, and occupancy of three bedroom Housing Units shall be limited to seven persons. Notwithstanding the foregoing, however, no current residents of Housing Units as of the date of this Agreement shall be evicted from their apartment units solely because the household does not meet the occupancy requirements of this Section 306.

307. Maintenance. The Owner shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner, in accordance with the HUD Housing Quality Standards and the maintenance standards required by Section 92.251 of the HOME Regulations, and the standard of maintenance of similar housing units within Orange County, California. If at any time Owner fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the Agency with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the Agency with respect to landscaping and building improvements, then the Agency, in addition to whatever remedy it may have at law or at equity, shall have the right to enter upon the applicable portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Property and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Agency and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Owner to the Agency, as appropriate, upon demand.

308. Reserve Requirements. The Owner shall set aside in a separate interest-bearing account, commencing upon the Owner's acquisition of the Property, the sum of Eighteen Thousand Dollars (\$18,000) (the "Operating Reserve"), and shall thereafter retain such amount in the Operating Reserve to cover shortfalls between Property income and actual Property operating expenses. The Owner shall replenish the Operating Reserve to the full amount from Project Revenues within sixty (60) days of its use to cover any such shortfall. The Owner shall provide, no less than once per every twelve (12) months, evidence reasonably satisfactory to the Agency of compliance herewith.

Concurrently with the establishment of the Operating Reserve as set forth herein, the Owner shall also set aside, on a monthly basis, in a separate interest-bearing account, two percent (2%) of the gross rents received from the Property (the "Capital Replacement Reserve"). When funds in the Capital Replacement Reserve equal the amount of Twelve Thousand Dollars (\$12,000), the Owner may cease depositing additional appropriations to the Capital Replacement Reserve until twenty-four (24) months after the Owner's acquisition of the Property, after which time the Owner shall continue making monthly deposits of the greater of two percent (2%) of the gross rents received from the Property. Funds in the Capital Replacement Reserve shall be used for capital replacements to the Property fixtures and equipment which are normally capitalized under generally accepted accounting principles. As capital repairs and improvements of the Property become necessary, the Capital Replacement Reserve shall be the first source of payment therefor. The non-availability of funds in the Capital Replacement Reserve does not in any manner relieve the Owner of the obligation to undertake necessary capital repairs and improvements and to continue to maintain the Property in the manner prescribed in this Agreement. Not less than once per year, Owner, at its expense, shall submit to the Agency an accounting for the Capital Replacement Reserve. Capital repairs to and replacement of the Property shall include only those items with a long useful life of five or more years, including without limitation the following: carpet and drape replacement; appliance replacement; exterior painting, including exterior trim; hot water heater replacement; plumbing fixtures replacement, including tubs and showers, toilets, lavatories, sinks, faucets; air conditioning and heating replacement; asphalt repair and replacement, and seal coating; roofing repair and replacement; landscape tree replacement and irrigation pipe and controls replacement; gas line pipe replacement; lighting fixture replacement; elevator replacement and upgrade work; miscellaneous motors and blowers; common area furniture replacement, and common area repainting.

In the event that Owner provides evidence reasonably satisfactory to Agency that there are insufficient funds in the Capital Replacement Reserve and/or from Net Profits for Owner to undertake necessary capital repairs and improvements as required in this Agreement, the Agency shall advance such funds, provided that the amount shall be added to the Promissory Note. The Deed of Trust, referencing the new amount will be recorded again, reflecting the new principal amount, junior only to the Bank Loan.

309. Long Term Management of the Property. The parties acknowledge that the Agency is interested in the long term management and operation of the Property and in the qualifications of any person or entity retained by the Owner for that purpose (the "Property Manager"). The Owner shall, upon the date of acquisition of the Property, either contract with an experienced and reputable party to be the Property Manager or Owner shall itself serve as the Property Manager. During the term of the Affordability Period, the Agency may from time to time review and evaluate the identity and performance of the Property Manager of the Property as it deems appropriate. If the Agency determines that the performance of the Property Manager is deficient based upon the standards and requirements set forth in this Agreement, the Agency shall provide notice to the Owner of such deficiencies and the Owner shall use its best efforts to correct such deficiencies. In the event such deficiencies have not been cured within the time set forth in Section 401 hereof, the Agency shall have the right to require the Owner to immediately remove and replace the Property Manager and to appoint another property manager or property management company which is reasonably acceptable to the Agency, which is not related to or affiliated with the Owner, and which has not less than five (5) years experience in property management, including significant experience managing affordable multifamily residential developments of the size, quality and scope of the Property.

In addition, prior to the acquisition of the Property the Owner shall submit for the approval of the Agency a "Management Plan" which sets forth in detail the Owner's property management duties, the affirmative marketing procedures in accordance with Section 304 hereof, the tenant selection process in accordance with Section 305 hereof, a security system and crime prevention program, the procedures for the collection of rent, the procedures for monitoring of occupancy levels, the procedures for eviction of tenants, the rules and regulations of the Property and manner of enforcement, a standard lease form in accordance with Section 303 hereof, the identity of the Property Manager, and other matters relevant to the management of the Property. The Management Plan shall require the Property Manager to adhere to a fair lease and grievance procedure and provide a plan for tenant participation in management decisions. The management of the Property shall be in compliance with the Management Plan which is approved by the Agency.

Until the Agency Loan has been fully repaid, the Owner shall annually submit to the Agency for its reasonable approval a budget for the operation of the Property. The fee paid to Property Manager shall not exceed five percent (5%) of the gross income of the Property per annum. Other fees and payments shall be consistent with prevailing market rates for the services performed and goods provided in consideration for such fees and payments. The Owner shall ensure that the expenses of operating the Property do not materially exceed the budget which has been approved by the Agency. The Owner shall annually provide to the Agency a detailed accounting of operating expenses and shall make its books and records available to the Agency for inspection and copying, upon reasonable advance notice during its normal hours of business.

310. Monitoring and Recordkeeping. Throughout the Affordability Period, Owner shall comply with all applicable recordkeeping and monitoring requirements set forth in Section 92.508 (or successor regulation) of the HOME Regulations and Health & Safety Code Section 33418 and shall annually complete and submit to Agency a Certification of Continuing Program Compliance in the form provided by the Agency. Representatives of the Agency shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property with respect to the HOME Program compliance, and to conduct an independent audit or inspection of such records. The Owner agrees to cooperate with the Agency in making the Property available for such inspection or audit. If for any reason the Agency is unable to obtain the Owner's consent to such an inspection or audit, the Owner understands and agrees that the Agency may obtain at Owner's expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Owner agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

311. Non-Discrimination Covenants. Owner covenants by and for itself, its successors and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land. All deeds, leases or contracts relating to the Housing Units or the Site, or any part thereof, shall contain or be subject to substantially the following non-discrimination or non-segregation clauses:

(a) *In deeds*: “The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.”

(b) *In leases*: “The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions: “That there shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased.”

(c) *In contracts*: “There shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises which are the subject of this Agreement, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.”

Owner shall also comply with the equal opportunity and fair housing requirements set forth in Section 92.350 of the HOME Regulations. The covenants established in this Section 311 shall, without regard to technical classification and designation, be binding for the benefit and in favor of Agency and its successors and assigns, and shall remain in effect in perpetuity.

312. Subordination. This Agreement shall run with the land and shall be subordinate to the Bank Loan approved by the Agency pursuant to Section 211 of the Affordable Housing Loan Agreement, provided that the Agency finds that an economically feasible method of financing for the acquisition and operation of the Property, without the subordination of the covenants as may be set forth in this Agreement and the Affordable Housing Loan Agreement, is not reasonably available. Upon making such a finding, the Director (or designee) is hereby authorized to execute such subordination agreements and/or such other documents as may be necessary to evidence such subordination, provided that such subordination agreements contain written commitments which the Director (or designee) finds are reasonably designed to protect the Agency’s investment in the event of default, such as any of the following: (a) a right of the Agency to cure a default on the loan prior

to foreclosure, (b) a right of the Agency to negotiate with the lender after notice of default from the lender and prior to foreclosure, (c) an agreement that if prior to foreclosure of the loan, the Agency takes title to the Property and cures the default on the loan, the lender will not exercise any right it may have to accelerate the loan by reason of the transfer of title to the Agency, and (d) a right of the Agency to purchase the Property from the Owner at any time after a default on the loan.

400. DEFAULT AND REMEDIES

401. Events of Default. A failure by any party to perform any action or covenant required by this Agreement, the Regulatory Agreement, the Promissory Note, the Deed of Trust, or any loan or deed of trust for the Property which is senior to the Agency Loan, within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a "Default" under this Agreement. A party claiming a Default shall give written notice of Default to the other parties specifying the Default complained of. Except as otherwise expressly provided in this Agreement, the claimant shall not institute any proceeding against any other party, and the other party shall not be in Default if such party cures such default within thirty (30) days from receipt of such notice of such Default hereunder. However, in the event that such Default is other than a failure to pay money and is of such a nature that it cannot reasonably be cured within thirty (30) days from receipt of such notice, the claimant shall not institute any proceeding against the other party, and the other party shall not be in Default if such party immediately upon receipt of such notice, with due diligence, commences to cure, correct or remedy such failure or delay and completes such cure, correction or remedy with diligence as soon as reasonably possible thereafter. In the event that the Owner is in default on any loan or deed of trust senior to the Agency Loan, the Owner shall immediately deliver to the Agency a copy of such notice of default. Even if the holder of such loan or deed of trust has not exercised its rights or remedies with respect to such default, the Agency shall each have the right (but not be obligated to) cure such default. In such event, the Agency shall be entitled to reimbursement from the Owner of all costs and expenses it has actually incurred in curing such default. The Agency shall be entitled to add the amount incurred by it to the amounts owing pursuant to the Promissory Note, and secured by the Deed of Trust.

402. Remedies. The occurrence of any Event of Default shall give the nondefaulting party the right to proceed with any and all remedies set forth in this Agreement, including an action for damages, an action or proceeding at law or in equity to require the defaulting party to perform its obligations and covenants under this Agreement or to enjoin acts or things which may be unlawful or in violation of the provisions of this Agreement, and the right to terminate this Agreement. In addition, the occurrence of any Event of Default by Owner will relieve the Agency of any obligation to perform hereunder.

403. Force Majeure. Subject to the party's compliance with the notice requirements as set forth below, performance by either party hereunder shall not be deemed to be a default hereof, and all performance and other dates specified in this Agreement shall be extended, where delays or defaults are due to causes beyond the control and without the fault of the party claiming an extension of time to perform, which may include the following: war, insurrection, strikes, lockouts, riots, floods, earthquakes, fires, assaults, acts of God, acts of the public enemy, epidemics, quarantine restrictions, freight embargoes, lack of transportation, governmental restrictions or priority, litigation, unusually severe weather, inability to secure necessary labor, materials or tools, acts or omissions of the other party, acts or failures to act of any public or governmental entity (except that the Agency's acts or failure to act shall not excuse performance of the Agency hereunder). An extension of the time for any such cause shall be for the period of the enforced delay and shall commence to run from

the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of the commencement of the cause. Inability to obtain financing for the acquisition or operation of the Property shall not constitute an event beyond the control of the Owner for purposes of this Section 403.

404. Attorneys' Fees. In addition to any other remedies provided hereunder or available pursuant to law, if either party brings an action or proceeding to enforce, protect or establish any right or remedy hereunder, the prevailing party shall be entitled to recover from the other party its costs of suit and reasonable attorneys' fees.

405. Remedies Cumulative. No right, power, or remedy given to the Agency by the terms of this Agreement is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given to the Agency by the terms of any such instrument, or by any statute or otherwise against Owner and any other person.

406. Waiver of Terms and Conditions. The Agency may, in its sole discretion, waive in writing any of the terms and conditions of this Agreement. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition.

407. Non-Liability of Agency Officials and Employees. No member, official, employee or agent of the Agency shall be personally liable to the Owner, or any successor in interest, in the event of any default or breach by the Agency or for any amount which may become due to the Owner or its successors, or on any obligations under the terms of this Agreement.

500. GENERAL PROVISIONS

501. Time. Time is of the essence in this Agreement.

502. Notices. Any approval, disapproval, demand, document or other notice ("Notice") which either party may desire to give to the other party under this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to the address of the party as set forth below, or at any other address as that party may later designate by Notice:

Attn: Charles Fry

Agency: Garden Grove Agency for Community Development
11222 Acacia Parkway
P.O. Box 3070
Garden Grove, California 92842
Attn: Community Development Director

Such addresses may be changed by notice to the other party given in the same manner as provided above.

503. Representations and Warranties of Owner. Owner hereby represents and warrants to the Agency as follows:

(a) **Organization.** Owner is a duly organized, validly existing limited liability company in good standing under the laws of the State of California and has the power and authority to own property and conduct such business as now being conducted.

(b) **Authority of Owner.** Owner has full power and authority to execute and deliver this Agreement and to perform and observe the terms and provisions of this Agreement.

(c) **Valid Binding Agreement.** This Agreement and all other documents or instruments which have been executed and delivered pursuant to or in connection with this Agreement constitute or, if not yet executed or delivered, will when so executed and delivered constitute, legal, valid and binding obligations of Owner enforceable against it in accordance with their respective terms.

(d) **Pending Proceedings.** Owner is not in default under any law or regulation or under any order of any court, board, commission or agency whatsoever, and there are no claims, actions, suits or proceedings pending or, to the knowledge of Owner, threatened against or affecting Owner or the Property, at law or in equity, before or by any court, board, commission or agency whatsoever which might, if determined adversely to Owner, materially affect Owner's ability to perform its obligations hereunder.

(e) **Layering Review.** The Owner acknowledges that a layering review was performed in accordance with 24 CFR 92.250 (b). The Owner hereby represents and certifies to the Agency that no government assistance other than the Agency Loan and the Set Aside Funds, has been obtained or is contemplated to be obtained for the acquisition of the Property. The Owner agrees to notify the Agency in the event that it applies for or proposes to use other governmental funds for the Property prior to the end of the Affordability Period.

504. Limitation Upon Change in Ownership, Management and Control of the Property.

(a) **Prohibition.** The identity and qualifications of Owner as an experienced and successful operator of multifamily housing are of particular concern to the Agency. It is because of this identity and these qualifications that the Agency has entered into this Agreement with the Owner. No voluntary or involuntary successor in interest of the Owner shall acquire any rights or powers under this Agreement by assignment or otherwise, nor shall Owner make any total or partial sale, transfer, conveyance, encumbrance to secure financing, assignment or lease of the whole or any part of the Property without the prior written approval of the Agency pursuant to Subparagraph (c) hereof, except as expressly set forth herein, which approval shall not be unreasonably withheld.

(b) **Permitted Transfers.** Notwithstanding any other provision of this Agreement to the contrary, Agency approval of an assignment or transfer of this Agreement or conveyance of the Property or any part thereof pursuant to subparagraph (c) of this Section 504, shall not be required in connection with any of the following (the "Permitted Transfers"):

(i) Subject to the restrictions of Sections 301 through 312 of this Agreement, the lease of units within the Property to qualified tenants.

(ii) Assignment for financing purposes, subject to such financing being considered and approved by the Agency pursuant to Section 211 of the Affordable Housing Loan Agreement.

(iii) Assignment of this Agreement and the conveyance of the Property to family members or a trust for estate planning purposes, or transfer of this Agreement and the Property to an entity in which Owner owns not less than fifty percent (50%) of the beneficial interest in the Property, and is under the management and control of the Owner, and the transferee entity executes an agreement reasonably acceptable to the Agency assuming all of the obligations under this Agreement.

In the event of an assignment by Owner not requiring the Agency's prior approval, Owner nevertheless agrees that at least ten (10) days prior to such assignment or transfer it shall give written notice to Agency of such assignment or transfer.

(c) *Agency Consideration of Requested Transfer.* The Agency agrees that it will not unreasonably withhold approval of a request made pursuant to this Section, provided (a) the Owner delivers written notice to the Agency requesting such approval, and (b) the proposed assignee or transferee possesses comparable operational experience and capability with respect to the operation of similar types of multifamily rental property, and comparable net worth and resources as necessary to operate the Property, and (c) the proposed assignee or transferee assumes the obligations of the Owner under this Agreement in a form which is reasonably acceptable to the Agency. Such notice shall be accompanied by evidence regarding the proposed assignee's or purchaser's qualifications and experience and its financial commitments and resources sufficient to enable the Agency to evaluate the proposed assignee or purchaser pursuant to the criteria set forth in this Section 504(c) and other criteria as reasonably determined by the Agency. The Agency shall approve or disapprove the request within thirty (30) days of its receipt of the Owner's notice and all information and materials required herein. In no event, however, shall the Agency be obligated to approve the assignment or transfer of the Agency Loan, Promissory Note or Deed of Trust pursuant to this Section 504, except to an approved transferee or assignee of the Owner's rights in and to the Property.

(d) *Successors and Assigns.* This Agreement shall run with the land, and all of the terms, covenants and conditions of this Agreement shall be binding upon the Owner and the permitted successors and assigns of the Owner. Whenever the term "Owner" is used in this Agreement, such term shall include any other permitted successors and assigns as herein provided.

505. No Third Parties Benefited. This Agreement is made and entered into for the protection and benefit of the Agency, its successors and assigns, and Owner, its permitted successors and assigns, and no other person or persons, except that the City and Housing authority shall be third party beneficiaries of this Agreement, including but not limited to the Affordability covenants and the covenants against discrimination contained in this Agreement and the Regulatory Agreement, and the Notice of Affordability Restrictions and shall have the right to enforce such covenants.

506. Partial Invalidity. If any provision of this Agreement shall be declared invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions hereof shall not in any way be affected or impaired.

507. Governing Law. This Agreement and other instruments given pursuant hereto shall be construed in accordance with and be governed by the laws of the State of California. Any references herein to particular statutes or regulations shall be deemed to refer to successor statutes or regulations, or amendments thereto.

508. Amendment. This Agreement may not be changed orally, but only by agreement in writing signed by Owner and the Agency.

509. Approvals. Where an approval or submission is required under this Agreement, such approval or submission shall be valid for purposes of this Agreement only if made in writing. Where this Agreement requires an approval or consent of the Agency, such approval may be given on behalf of the Agency by the Director or his or her designee. The Director or his or her designee is hereby authorized to take such actions as may be necessary or appropriate to implement this Agreement on behalf of the Agency, including without limitation the execution of such documents or agreements as may be contemplated by this Agreement, and amendments which do not substantially change the uses or restrictions hereunder, or substantially add to the costs of the Agency hereunder.

IN WITNESS WHEREOF, the parties hereto have executed this Regulatory Agreement as of the date and year set forth below.

OPTION AGREEMENT

This **OPTION AGREEMENT** is entered into as of February 9, 2010, by and between **TAMERLANE ASSOCIATES, LLC**, a California limited liability company (the "Owner"), and the **GARDEN GROVE AGENCY FOR COMMUNITY DEVELOPMENT**, a public body, corporate and politic (the "Agency").

RECITALS

A. Owner and the Garden Grove Agency for Community Development have entered into an Affordable Housing Loan Agreement dated as of February 9, 2010 ("AHLA"). Under the terms of the Affordable Housing Loan Agreement, Owner has with the assistance of the Agency purchased real property located within the Garden Grove Agency for Community Development, located at 12162 Tamerlane Drive, which is improved with a four (4) unit apartment complex thereon (the "Property"), as particularly described in the Legal Description attached hereto as Attachment No. 1, and incorporated herein by reference. All capitalized terms not defined herein shall have the meaning set forth in the AHLA.

B. Pursuant to Section 400 of the Affordable Housing Loan Agreement, the Owner has agreed to grant to the Agency an option to purchase the Property upon payment of a purchase price as set forth therein.

C. Owner desires to grant to Agency an option to purchase the Property on the terms and conditions set forth hereinbelow. For purposes of this Option Agreement, "Property" shall also be deemed to include any and all improvements located on the real property, any and all security deposits held by Owner, operating and capital replacement reserve accounts, operating accounts, Owner's rights to payment for rent and other items, and all of Owner's right, title and interest in and to any and all easements, rights of way, licenses, permits, applications, reports or other personal property utilized in conjunction with or in any way related to or appurtenant to such real property and improvements (but excluding Owner's trade fixtures and equipment).

NOW, THEREFORE, in consideration of the foregoing, and the mutual covenants and conditions contained herein, the parties hereto agree as follows:

1. Grant of Option. Owner grants to Agency an option (the "Option") to purchase the Property on the terms and conditions set forth in this Option Agreement. The purchase price payable by the Agency to the Owner for the Property shall be the amount of the then current balance of the Bank Loan and Promissory Note plus an amount equal to One Thousand, Three Hundred Thirty-Three Thousand Dollars (\$1,333) per month for each month from the thirty seventh (37th) month following the commencement of the Option Term until escrow is closed less Net Profits retained by Owner plus operating losses (collectively, the "Option Price"). The Option created hereby shall be irrevocable by Owner and shall be binding upon the successors and assigns of Owner. The Agency shall have the right of specific performance to enforce the terms of this Option Agreement.

2. Term for Option. The term of the Option ("Option Term") shall commence on the date of this Option Agreement, and, unless extended by mutual written agreement of the Owner and the Agency, shall automatically expire on the expiration of twenty (20) years from the date that Owner acquires the Property in which event, the Agency shall, upon written request by Owner, provide written request of such termination in recordable form.

3. Exercise of Option. The Option may be exercised at any time before the expiration of the Option Term by Agency's delivery to Owner of written notice of such exercise (the "Exercise Notice").

4. Escrow and Completion of Sale. Within five (5) days after Agency has exercised the Option, or as soon thereafter as reasonably practicable, an escrow shall be opened with an escrow company mutually acceptable to Agency and Owner for the conveyance of the Property to the Agency. The Agency shall deposit the Option Price in escrow not later than one (1) business day prior to the anticipated close of escrow date. The Agency's obligation to close escrow shall be subject to the Agency's approval of a then-current preliminary title report and, at Agency's option, environmental and other site testing. Any exceptions shown on such preliminary title report created on or after the Owner's acquisition of the Property shall be removed by Owner at its sole expense prior to the close of escrow pursuant to this Section 4 unless such exception(s) is(are) accepted by Agency in its reasonable discretion; provided, however, that Agency shall accept the following exceptions to title: (i) current taxes not yet delinquent, (ii) matters affecting title existing on the date of Owner's acquisition of the Property, (iii) liens and encumbrances in favor of the Garden Grove Agency for Community Development, and (iv) matters shown as printed exceptions in the standard form CLTA owner's policy of title insurance. In the event the Property or any portion thereof is encumbered by a mortgage or deed of trust, the Agency shall be permitted to unilaterally instruct the escrow agent to satisfy the indebtedness secured thereby out of the proceeds payable to the Owner through the foregoing escrow, or the Agency may satisfy all or a portion of the Option Price through the Agency's assumption of the promissory note or notes held by the holders of the deeds of trust encumbering the Site, if such holder or holders consent thereto. Agency shall pay all of the escrow fees, documentary transfer taxes, recording fees, the cost of any owner's policy of title insurance desired by the Agency, and any other costs and expenses of the escrow. Agency shall have thirty (30) days after exercise of the Option to enter upon the Property to conduct any tests, inspections, investigations, or studies of the condition of the Property. Owner shall permit the Agency access to the Site for such purposes. The Agency shall indemnify, defend, and hold harmless Owner and its officers, directors, shareholders, partners, employees, agents, and representatives from and against all claims, liabilities, or damages, and including expert witness fees and reasonable attorney's fees and

costs, caused by Agency's activities with respect to or arising out of such testing, inspection, or investigatory activity on the Site. Escrow shall close promptly after acceptance by Agency of the condition of title and the physical and environmental condition of the Property. Until the Closing, the terms of the Affordable Housing Loan Agreement and the Regulatory Agreement executed and recorded pursuant thereto shall remain in full force and effect.

5. Failure to Exercise Option. If the Option is not exercised in the manner provided in Section 3 above before the expiration of the Option Term, the Option shall terminate. Upon receipt of the written request of Owner, Agency shall cause a quitclaim deed terminating or releasing any and all rights Agency may have to acquire the Property (the "Quitclaim Deed") to be recorded in the Official Records of Orange County, California.

6. Assignment. Agency shall have the right to assign its interest hereunder. In connection with any assignment, any assignee shall execute all documents reasonably necessary to assume all of the obligations imposed under this Option Agreement on Agency as if the assignee were the original party in this Option Agreement.

7. Representations and Warranties of Owner. Owner hereby represents, warrants and covenants to Agency as follows, which representations and warranties shall survive the exercise of the Option and the Close of Escrow:

(a) that this Option Agreement and the other documents to be executed by Owner hereunder, upon execution and delivery thereof by Owner, will have been duly entered into by Owner, and will constitute legal, valid and binding obligations of Owner;

(b) neither this Option Agreement, nor anything provided to be done under this Option Agreement, violates or shall violate any contract, document, understanding, agreement or instrument to which Owner is a party or by which it is bound; and

(c) Owner shall pay, prior to delinquency or default, any and all real property taxes and assessments which affect the Property.

Owner agrees to indemnify, protect, defend, and hold Agency and the Property harmless from and against any damage, claim, liability, or expense of any kind whatsoever (including, without limitation, reasonable attorneys' fees and fees of expert witnesses) arising from or in connection with any breach of the foregoing representations, warranties and covenants. Such representations and warranties of Owner, shall be true and correct on and as of the date of this Option Agreement and on and as of the date of the Close of Escrow.

8. Title. Following the date hereof, Owner agrees not to cause, and shall use commercially reasonable efforts not to permit, any lien, easement, encumbrance or other exception to title to be recorded against the Property without Agency's prior written approval, such approval not to be unreasonably withheld.

9. Representations and Warranties of Agency. Agency hereby represents and warrants and covenants to Owner, as follows, which representations and warranties shall survive the Close of Escrow:

(a) that this Option Agreement and the other documents to be executed by Agency hereunder, upon execution and delivery thereof by Agency, will have been duly entered into by Agency, and will constitute legal, valid and binding obligations of Agency, and

(b) neither this Option Agreement, nor anything provided to be done under this Option Agreement, violates or shall violate any contract, document, understanding, agreement or instrument to which Agency is a party or by which it is bound.

Agency agrees to indemnify, protect, defend, and hold Owner and the Property harmless from and against any damage, claim, liability, or expense of any kind whatsoever (including, without limitation, reasonable attorneys' fees and fees of expert witnesses) arising from or in connection with any breach of the foregoing representations, warranties and covenants. Such representations and warranties of Agency, and any other representations and warranties of Agency contained elsewhere in this Option Agreement shall be true and correct on and as of the date of this Option Agreement and on and as of the date of the Close of Escrow.

10. Relocation. In the event that the Agency purchases the Property pursuant to this Option Agreement and any displacement of tenants of the Property occurs, the Agency shall provide relocation assistance in accordance with the Federal Uniform Relocation Assistance and Real Property Acquisition Act, 42 U.S.C. § 4601, *et seq.*, the California relocation law, Government Code Section 7260, *et seq.*, and the regulations adopted pursuant thereto by the United States, State of California and the Agency (collectively, the "Relocation Laws"), and in a manner approved by the Agency to each displaced tenant household required to temporarily or permanently vacate a unit within the Property as a result of the Agency's acquisition of the Property pursuant to this Option Agreement. The Agency shall indemnify, defend, and hold harmless Owner and its officers, directors, shareholders, partners, employees, agents, and representatives from and against all claims for relocation assistance caused by or arising out of Agency's purchase of the Property pursuant to this Option Agreement.

11. General Provisions.

11.1 Paragraph Headings. The paragraph headings used in this Option Agreement are for purposes of convenience only. They shall not be construed to limit or extend the meaning of any part of this Option Agreement.

11.2 Notices. Any notice, demand, approval, consent, or other communication required or desired to be given under this Option Agreement shall be in writing and shall be either personally served, sent by telecopy or mailed in the United States mails, certified, return receipt requested, postage prepaid, addressed to the party to be served with the copies indicated below, at the last address given by that party to the other under the provisions of this section. NOTICE OF AFFORDABILITY RESTRICTIONS ON TRANSFER OF PROPERTY

This **NOTICE OF AFFORDABILITY RESTRICTIONS ON TRANSFER OF PROPERTY** ("Notice of Affordability Restrictions") is executed and recorded pursuant to Section 33334.3(f)(3)(B) of the California Health and Safety Code as amended by AB 987, Chapter 690, Statutes of 2007 (herein, "Chapter 690"), and affects that certain property described in Attachment No. 1 hereto ("Site").

1. The Garden Grove Agency for Community Development, (the "Agency"), and Tamerlane Associates, LLC, a California limited liability company (the "Developer") have previously entered into an Affordable Housing Agreement dated as of February 9, 2010 ("AHA"). The AHA provides for affordability restrictions, as more particularly set forth in the AHA and the Regulatory Agreement. A copy of the AHA is on file with Agency as a public record and is deemed incorporated herein. Reference is made to the AHA with regard to the complete text of the provisions of such agreement which provides for affordability restrictions and restrictions on the transfer of the Site. Capitalized terms not defined herein shall have the meaning set forth in the AHA.

2. The AHA provides for Developer to (a) Rehabilitate four (4) rental dwelling units at the Site and (b) rent such dwelling units to households of limited income, paying an affordable rent; such restrictions are set forth at greater length in a document entitled the Regulatory Agreement, substantially in the form of Exhibit E to the AHA, which has been entered into by and between Agency and Developer, and which is expected to be recorded substantially concurrently herewith among the official land records of the County of Orange. The Regulatory Agreement and the AHA are deemed to be incorporated herein by reference.

2.1. The Regulatory Agreement sets forth the following affordability restrictions and restrictions on transfer of the Site:

“300. OPERATION OF HOUSING

“301. Affordable Units. The Owner agrees to make the Units available to Lower Income Households at an Affordable Rent (collectively, the “Affordable Units”), pursuant to the terms set forth below and in the Regulatory Agreement and Notice of Affordability Restrictions (the “Operation” or “Operate”).

“For purposes of this Agreement, “Lower Income Households” shall mean those households with incomes that do not exceed sixty percent (60%) of Orange County median income, adjusted for family size, as established and amended from time to time by the United States Department of Housing and Urban Development (“HUD”) or such lesser income as may be set forth in Health & Safety Code Section 50079.5 as amended from time to time. .

“Upon the Owner’s acquisition of the Property, and annually thereafter, the Owner shall submit to the Agency a completed income computation and certification form, in a form to be provided by the Agency. The Owner shall certify that each tenant leasing an Affordable Unit meets the income restrictions of this Section 301 and that tenant’s rental agreement states rent is Affordable Rent per Health & Safety Code Section 50053 for Lower Income households. The Owner shall obtain an income certification from the tenant of each Affordable Unit which shall certify that the income of the tenant is truthfully set forth in the income certification form. The Owner shall verify the income certification of the tenant in one or more of the following methods:

- (1) obtain two (2) paycheck stubs from the tenant’s two (2) most recent pay periods, if any.
- (2) obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed, if any.

(3) obtain an income verification certification from the employer of the tenant, if any.

(4) obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies, if any.

(5) obtain an alternate form of income verification reasonably requested by the Owner, if none of the above forms of verification is available to the Owner, if any.

“Current tenants of the Property as of the date of this Agreement shall not be compelled to vacate their Units solely because their income exceeds the applicable requirements for renting an Affordable Unit. Any tenant who, because of an increase in income, is no longer qualified to rent an Affordable Unit shall not be required to vacate the apartment unit solely because of such change of income, and shall be entitled to remain as a tenant of the same apartment unit at a rent which does not exceed the fair market rental value for such unit.

“The Property shall be subject to the requirements of this Section 300 from the date of Owner’s acquisition of the Property until the fifty fifth (55th) anniversary of such date. The duration of this requirement shall be known as the “Affordability Period.”

“302. Affordable Rent. The maximum Monthly Rent chargeable for the Affordable Units shall be annually determined by the Agency in accordance with the following “Affordable Rent” requirements.

“The Affordable Units shall be rented to Lower Income Households at maximum HOME Rent limits defined under 24 CFR 92.252 as the lesser of (a) the fair market rent for comparable housing units in the area as determined by HUD under 24 CFR 888.111, or (b) a rent that does not exceed thirty percent (30%) of sixty-five percent (65%) of the median income for the area, as determined by HUD, with adjustments for number of bedrooms in the Unit, less the monthly

allowance for utilities and services to be paid by each tenant ("Affordable Rent"). Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the Unit, the tenant's income increases to a level greater than maximum income for Lower Income Households, adjusted for family size, the rent charged by Owner shall not exceed the fair market rent for comparable housing units in the area as determined by the Agency.

"For purposes of this Agreement, "Monthly Rent" means the total of monthly payments for (a) use and occupancy of each Affordable Unit and land and facilities associated therewith, (b) any separately charged fees or service charges assessed by the Owner which are required of all tenants, other than security deposits, (c) a reasonable allowance for an adequate level of service of utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels, but not including telephone service, and (d) possessory interest, taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than Owner.

"303. Lease Requirements. Prior to disbursement of the Agency Loan, the Owner shall submit a standard lease form to the Agency for the Agency's approval. The Agency shall reasonably approve such lease form upon finding that such lease form is consistent with this Agreement and contains all of the provisions required pursuant to the Community Redevelopment Law, Health & Safety Code Sections 33000 *et seq.* ("CRL") and the HOME Program and the HOME Regulations. The Owner shall enter into a written lease, in the form approved by the Agency, with each tenant of an Affordable Unit. Each lease shall be for a period of not less than one year, and shall not contain any of the provisions which are prohibited pursuant to Section 92.253 of the HOME Regulations.

"304. Affirmative Marketing. The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted by the Agency and the requirements of Section 92.351, or successor regulation, of the HOME Regulations and other applicable HOME Program requirements.

“305. Selection of Tenants. Each Affordable Unit shall be leased to tenants selected by the Owner who meet all of the requirements provided herein. The Agency may, from time to time, assist in the leasing of the Property by providing to the Owner names of persons who have expressed interest in renting Affordable Units. The Owner shall adopt a tenant selection system in conformance with Section 92.253(d) of the HOME Regulations, which shall be approved by the Agency in its reasonable discretion, which establishes a chronological waiting list system and/or random lottery system for selection of tenants. The Owner shall not refuse to lease to a holder of a certificate of family participation under 24 CFR part 882 (Rental Certificate Program) or a rental voucher under 24 CFR part 887 (Rental Voucher Program) or to the holder of a comparable document evidencing participation in a HOME Program, Section 8 program or other tenant-based assistance program, who is otherwise qualified to be a tenant in accordance with the approved tenant selection criteria; provided that Owner shall not be required to give any priority or preference to participants in the foregoing programs.

“306. Occupancy Standards. Notwithstanding other applicable requirements, occupancy of one bedroom Housing Units shall be limited to three persons, occupancy of two bedroom Housing Units shall be limited to five persons, and occupancy of three bedroom Housing Units shall be limited to seven persons. Notwithstanding the foregoing, however, no current residents of Housing Units as of the date of this Agreement shall be evicted from their apartment units solely because the household does not meet the occupancy requirements of this Section 306.

“307. Maintenance. The Owner shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner, in accordance with the HUD Housing Quality Standards and the maintenance standards required by Section 92.251 of the HOME Regulations, and the standard of maintenance of similar housing units within Orange County, California. If at any time Owner fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the Agency with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the Agency with respect to landscaping and building improvements, then

the Agency, in addition to whatever remedy it may have at law or at equity, shall have the right to enter upon the applicable portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Property and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Agency and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Owner to the Agency, as appropriate, upon demand.

“308. Reserve Requirements. The Owner shall set aside in a separate interest-bearing account, commencing upon the Owner’s acquisition of the Property, the sum of Eighteen Thousand Dollars (\$18,000) (the “Operating Reserve”), and shall thereafter retain such amount in the Operating Reserve to cover shortfalls between Property income and actual Property operating expenses. The Owner shall replenish the Operating Reserve to the full amount from Project Revenues within sixty (60) days of its use to cover any such shortfall. The Owner shall provide, no less than once per every twelve (12) months, evidence reasonably satisfactory to the Agency of compliance herewith.

“Concurrently with the establishment of the Operating Reserve as set forth herein, the Owner shall also set aside, on a monthly basis, in a separate interest-bearing account, two percent (2%) of the gross rents received from the Property (the “Capital Replacement Reserve”). When funds in the Capital Replacement Reserve equal the amount of Twelve Thousand Dollars (\$12,000), the Owner may cease depositing additional appropriations to the Capital Replacement Reserve until twenty-four (24) months after the Owner’s acquisition of the Property, after which time the Owner shall continue making monthly deposits of two percent (2%) of the gross rents received from the Property. Funds in the Capital Replacement Reserve shall be used for capital replacements to the Property fixtures and equipment which are normally capitalized under generally accepted accounting principles. As capital repairs and improvements of the Property become necessary, the Capital Replacement Reserve shall be the first source of payment therefor. The non-availability of funds in the Capital Replacement Reserve does not in any manner relieve the

Owner of the obligation to undertake necessary capital repairs and improvements and to continue to maintain the Property in the manner prescribed in this Agreement. Not less than once per year, Owner, at its expense, shall submit to the Agency an accounting for the Capital Replacement Reserve. Capital repairs to and replacement of the Property shall include only those items with a long useful life of five or more years, including without limitation the following: carpet and drape replacement; appliance replacement; exterior painting, including exterior trim; hot water heater replacement; plumbing fixtures replacement, including tubs and showers, toilets, lavatories, sinks, faucets; air conditioning and heating replacement; asphalt repair and replacement, and seal coating; roofing repair and replacement; landscape tree replacement and irrigation pipe and controls replacement; gas line pipe replacement; lighting fixture replacement; elevator replacement and upgrade work; miscellaneous motors and blowers; common area furniture replacement, and common area repainting.

“In the event that Owner provides evidence reasonably satisfactory to Agency that there are insufficient funds in the Capital Replacement Reserve and/or from Net Profits for Owner to undertake necessary capital repairs and improvements as required in this Agreement, the Agency shall advance such funds, provided that the amount shall be added to the Promissory Note. The Deed of Trust, referencing the new amount will be recorded again, reflecting the new principal amount, junior only to the Bank Loan.

“309. Long Term Management of the Property. The parties acknowledge that the Agency is interested in the long term management and operation of the Property and in the qualifications of any person or entity retained by the Owner for that purpose (the “Property Manager”). The Owner shall, upon the date of acquisition of the Property, either contract with an experienced and reputable party to be the Property Manager or Owner shall itself serve as the Property Manager. During the term of the Affordability Period, the Agency may from time to time review and evaluate the identity and performance of the Property Manager of the Property as it deems appropriate. If the Agency determines that the performance of the Property Manager is deficient based upon the standards and requirements set forth in this Agreement, the Agency shall provide

notice to the Owner of such deficiencies and the Owner shall use its best efforts to correct such deficiencies. In the event such deficiencies have not been cured within the time set forth in Section 501 hereof, the Agency shall have the right to require the Owner to immediately remove and replace the Property Manager and to appoint another property manager or property management company which is reasonably acceptable to the Agency, which is not related to or affiliated with the Owner, and which has not less than five (5) years experience in property management, including significant experience managing affordable multifamily residential developments of the size, quality and scope of the Property.

“In addition, prior to the acquisition of the Property the Owner shall submit for the approval of the Agency a “Management Plan” which sets forth in detail the Owner’s property management duties, the affirmative marketing procedures in accordance with Section 304 hereof, the tenant selection process in accordance with Section 305 hereof, a security system and crime prevention program, the procedures for the collection of rent, the procedures for monitoring of occupancy levels, the procedures for eviction of tenants, the rules and regulations of the Property and manner of enforcement, a standard lease form in accordance with Section 303 hereof, the identity of the Property Manager, and other matters relevant to the management of the Property. The Management Plan shall require the Property Manager to adhere to a fair lease and grievance procedure and provide a plan for tenant participation in management decisions. The management of the Property shall be in compliance with the Management Plan which is approved by the Agency.

“Until the Agency Loan has been fully repaid, the Owner shall annually submit to the Agency for its reasonable approval a budget for the operation of the Property. The fee paid to Property Manager shall not exceed five percent (5%) of the gross income of the Property per annum. Other fees and payments shall be consistent with prevailing market rates for the services performed and goods provided in consideration for such fees and payments. The Owner shall ensure that the expenses of operating the Property do not materially exceed the budget which has been approved by the Agency. The Owner shall annually provide to the Agency a detailed accounting of operating expenses and shall make its books and records available to the

Agency for inspection and copying, upon reasonable advance notice during its normal hours of business.

“310. Monitoring and Recordkeeping. Throughout the Affordability Period, Owner shall comply with all applicable recordkeeping and monitoring requirements set forth in Section 92.508 (or successor regulation) of the HOME Regulations and Health & Safety Code Section 33418 and shall annually complete and submit to Agency a Certification of Continuing Program Compliance in the form provided by the Agency. Representatives of the Agency shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property with respect to compliance herewith, and to conduct an independent audit or inspection of such records. The Owner agrees to cooperate with the Agency in making the Property available for such inspection or audit. If for any reason the Agency is unable to obtain the Owner’s consent to such an inspection or audit, the Owner understands and agrees that the Agency may obtain at Owner’s expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Owner agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

“311. Non-Discrimination Covenants. Owner covenants by and for itself, its successors and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land. All deeds, leases or contracts relating to the Housing Units or the Site, or any part thereof,

shall contain or be subject to substantially the following non-discrimination or non-segregation clauses:

“(a) In deeds: “The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.”

“(b) In leases: “The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions: “That there shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased.”

“(c) In contracts: “There shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises which are the subject of this Agreement, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.”

“312. Compliance with Equal Opportunity and Fair Housing. Owner shall also comply with the equal opportunity and fair housing requirements set forth in Section 92.350 of the HOME Regulations. The covenants established in this Section 311 shall, without regard to technical classification and designation, be binding for the benefit and in favor of Agency and its successors and assigns, and shall remain in effect in perpetuity.

“313. Subordination. This Agreement shall run with the land and shall be subordinate to the Bank Loan approved by the Agency pursuant to Section 211 of the Affordable Housing Loan Agreement, provided that the Agency finds that an economically feasible method of financing for the acquisition and operation of the Property, without the subordination of the covenants as may be set forth in this Agreement and the Affordable Housing Loan Agreement, is not reasonably available. Upon making such a finding, the Director (or designee) is hereby authorized to execute such subordination agreements and/or such other documents as may be necessary to evidence such subordination, provided that such subordination agreements contain written commitments which the Director (or designee) finds are reasonably designed to protect the Agency’s investment in the event of default, such as any of the following: (a) a right of the Agency to cure a default on the loan prior to foreclosure, (b) a right of the Agency to negotiate with the lender after notice of default from the lender and prior to foreclosure, (c) an agreement that if prior to foreclosure of the loan, the Agency takes title to the

Property and cures the default on the loan, the lender will not exercise any right it may have to accelerate the loan by reason of the transfer of title to the Agency, and (d) a right of the Agency to purchase the Property from the Owner at any time after a default on the loan.

“314. Regulatory Agreement. The requirements of this Agreement which are applicable after the disbursement of the Agency Loan are set forth in the Regulatory Agreement and Notice of Affordability Restrictions. The execution and recordation of the Regulatory Agreement is a Condition Precedent to the disbursement of the Agency Loan, as set forth in Section 102 hereof. The Regulatory Agreement shall run with the land and shall be subordinate to the lien of the Bank Loan approved by the Agency pursuant to Section 211 hereof, provided that the Agency finds that an economically feasible method of financing for the acquisition and operation of the Property, without the subordination of the covenants as may be set forth in this Agreement and the Regulatory Agreement, is not reasonably available. Upon making such a finding, the Director (or designee) is hereby authorized to execute such subordination agreements and/or such other documents as may be necessary to evidence such subordination, provided that such subordination agreements contain written commitments which the Director (or designee) finds are reasonably designed to protect the Agency’s investment in the event of default, such as any of the following: (a) a right of the Agency to cure a default on the loan prior to foreclosure, (b) a right of the Agency to negotiate with the lender after notice of default from the lender and prior to foreclosure, (c) an agreement that if prior to foreclosure of the loan, the Agency takes title to the property and cures the default on the loan, the lender will not exercise any right it may have to accelerate the loan by reason of the transfer of title to the Agency, and (d) a right of the Agency to purchase the Property from the Owner at any time after a default on the loan.”

3. The restrictions contained in the Regulatory Agreement expire fifty five (55) years following the date the Owner Acquires the Site. The Regulatory Agreement is being submitted for recordation contemporaneously with this Notice of Affordability Restrictions.

4. The commonly known address for the Site is 12162 Tamerlane Drive in the City of Garden Grove.

5. The assessor's parcel number for the Site is: 231-471-36; such number is subject to change.

6. The legal description for the Site is attached hereto as Attachment No. 1 and is incorporated herein by reference.

7. The Regulatory Agreement, which includes the affordability restrictions referenced above, is expected to be submitted for recordation in the Office of the Orange County Recorder contemporaneously with this Notice of Affordability Restrictions.

8. This Notice of Affordability Restrictions is intended merely to satisfy the requirements of Chapter 690. The AHA and the Regulatory Agreement both remain in full force and effect and are not amended or altered in any manner whatsoever by this Notice of Affordability Restrictions.

SUBORDINATION AGREEMENT

This SUBORDINATION AGREEMENT (the "Agreement") is made and entered into as of March 18, 2010, by and between the GARDEN GROVE AGENCY FOR COMMUNITY DEVELOPMENT (the "Agency") and VISTA COMMUNITIES, INC., a California corporation (the "Lender").

PRELIMINARY STATEMENTS

A. Pursuant to the terms and conditions of that certain Promissory Note Secured By Deed of Trust of even date herewith ("First Note"), the Lender is making a loan in the amount of Four Hundred Thousand Dollars (\$400,000.00) ("First Loan") to Tamerlane Associates, LLC, a California limited liability company ("Owner"). The First Note is being secured by that certain Deed of Trust With Assignment of Rents of even date herewith ("First Trust Deed") recorded against the real property commonly known as 12162 Tamerlane Drive, Garden Grove, California, which is legally described in Exhibit "A" attached hereto and incorporated herein by this reference ("Property"). The First Note, First Trust Deed and all other documents and instruments relating to the First Loan are hereinafter collectively referred to as the "First Loan Documents".

B. The Agency is making a loan to the Owner in the principal amount of Five Hundred Ninety-Two Thousand, Seventy-Six Dollars (\$592,076) pursuant to the provisions of the Affordable Housing Loan Agreement (the "Housing Agreement"), which loan is evidenced by that certain Promissory Note made by the Owner of even date herewith and secured by a Deed of Trust With Assignment of Rents of even date herewith among the Owner, First Alliance Title Company and the Agency (the "Agency Deed of Trust"), which, together with the Regulatory Agreement attached to the Housing Agreement as an Exhibit, is being recorded concurrently herewith. The Housing Agreement, Agency Deed of Trust, and the Regulatory Agreement are referred to herein, collectively as the "Agency Agreements."

C. The Agency desires to expressly subordinate the Agency Agreements in favor of the First Loan Documents and the Agency is willing to do so.

AGREEMENT

In consideration of the foregoing recitals, which are hereby incorporated into this Agreement by this reference, and for other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

1. ***Subordination of Agency Agreements.*** The liens and/or security interests created pursuant to and securing the First Loan Documents shall be and remain at all times prior and superior to the liens and/or security interests created pursuant to and securing the Agency Agreements, the First Loan Documents shall in all respects be a claim on the assets of the Owner pledged therefor prior and superior to the Agency Agreements until the First Loan Documents shall have been discharged by their terms.

2. ***Standstill Agreement.*** Subject to the provisions of Section 3 below, the Agency hereby agrees not to exercise or attempt to exercise any remedy whatsoever under the Agency Agreements due to or as a remedy for any breach of, or default or event of default under, the terms of the Agency Agreements unless, prior to such exercise or attempted exercise, a breach of, or a default or event of default under, the terms of the First Loan Documents shall have occurred and be continuing and the Lender has commenced exercising remedies with respect to the First Loan.

3. ***Cure Rights.*** In the event of default under the First Loan, Lender agrees to provide notice of same concurrently with notice to the Owner and to reasonably cooperate with Agency in the following cure rights so long as the Agency diligently pursues such cure rights: (a) the right of the Agency to cure a default on the First Loan prior to foreclosure of the First Trust Deed, (b) an exclusive right of the Agency to negotiate for up to ninety (90) days with the Lender after notice of default has been recorded by the Lender and prior to a foreclosure of the First Trust Deed, (c) an agreement that if prior to foreclosure of the First Trust Deed, the Agency takes title to the Property and cures all defaults on the First Loan, the Lender will not exercise any right it may have to accelerate the First Loan by reason of the transfer of title to the Property to the Agency, and (d) a right of the Agency to purchase the Property from the Lender at any time after a default on the First Loan on the terms described in the Option Agreement (as described in the Housing Agreement).

4. ***Amendment; Waiver; Entire Agreement; Successors; Counterparts; Governing Law.*** No change or modification of this Agreement shall be valid unless the same is in writing and signed by the parties hereto. No waiver of any of the provisions of this Agreement shall be valid unless in writing and signed by the party against whom it is sought to be enforced. This Agreement contains the entire agreement between the parties relating to the subject matter hereof, and there are no promises, agreements, conditions, undertakings, warranties or representations, oral or written, express or implied, between the parties relating to the subject matter hereof other than as herein set forth. This Agreement shall be binding upon and inure to the benefit of the parties and their respective heirs, personal representatives, successors and assigns. This Agreement may be signed in any number of counterparts and/or by facsimile, each of which shall be an original, but all of which together shall constitute but one and the same instrument. This Agreement shall be governed, construed and enforced in accordance with the laws of the State of California.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed and delivered by their duly authorized representatives as of the day and year first above written.

owners of the land hereinafter described and/ hereinafter referred to as "Owner/Lessors", and
DADSON WASHER SERVICE, INC., PRESENT Lessee under that certain lease agreement hereinafter
described and hereinafter referred to as "Lessee".

WITNESSETH

THAT WHEREAS, Owner/Lessor and Lessee did execute that certain "Lease of Laundry Room Space"
dated 01/22/07 covering the real property commonly known as: 12162 Tamerlane Dr. Garden Grove, CA
as set forth in said lease agreement, and which said lease agreement was not recorded
; and WHEREAS, Owner has executed or is about to execute, a deed of trust and note in the sum of
\$ 400,000.00 dated as of the 18th day of March, 2010 in favor of
Vista Communities, Inc. a California corporation hereinafter referred to as "Lenders", payable with
interest and upon the terms and conditions described therein, which deed of trusts are to be recorded
concurrently herewith; and WHEREAS, Lender is willing to make said loan provided the deed of trust
securing the same is a lien or charge upon the above described property prior and superior to the lien or
charge of the lease agreement first above mentioned and provided that Lessee will subordinate the lien or
charge of the lease agreement first above mentioned to lien or charge of the deed of trust in favor of
Lender; and

NOW, THEREFORE, in consideration of the mutual benefits accruing to the parties hereto and other
valuable consideration, the receipt and sufficiency of which consideration is hereby acknowledged, and
subject to and conditioned upon the NON-DISTURBANCE and ATTORNMENT provisions set forth
below, it is hereby declared, understood and agreed as follows:

- 1) That said deed of trust securing said note in favor of Lender, and any renewals or extensions thereof, shall be and remain at all times a lien or charge on the property therein described, prior and superior to the lien or charge of the lease agreement first above mentioned.
- 2) For each mortgage or deed of trust, Landlord shall obtain from the mortgagee or beneficiary an agreement in writing that, in the event of foreclosure, or any sale thereunder, this lease shall not be terminated and Tenant's right to possession under this lease shall not be disturbed, provided Tenant is not then in default under the lease.
- 3) That this agreement shall be the whole and only agreement with regard to the subordination of the lien or charge of the lease agreement first above mentioned to the lien or charge of the deed of trust in favor of Lender above referred to and shall supersede and cancel, but only insofar as would affect the priority between the deeds of trust hereinbefore specifically described, any prior agreements as to such subordination including, but not limited to, those provisions, if any contained in the lease agreement first above mentioned, which provide for the subordination of the lien or charge thereof to another deed or deeds of trust or to another mortgage or mortgages.

NON-DISTURBANCE

So long as Tenant is not in default, beyond any period given to Tenant to cure a default, in the payment of rent or in the performance or any of the terms, covenants, or conditions of the Lease, Tenant's possession of the Demised Premises and Tenant's rights and privileges under the Lease, including any extensions or renewals, shall not be diminished or interfered with by Lender during the term of the Lease or any extensions or renewals. So long as Tenant is not in default, beyond any period given Tenant to cure such default, in the payment of rent or in the performance of any of the terms, covenants, or conditions of the Lease, Lender will not join Tenant as a party for the purpose of terminating or otherwise affecting Tenant's interest under the Lease, in any action of foreclosure or other proceeding brought by Lender to enforce any rights arising because of any default under the Deed of Trust. Lender may, however, join Tenant as a party if joiner is necessary under any statute or law to secure the remedies available to Lender under the Deed of Trust, but joiner shall be for that purpose only and or for the purpose of terminating the Lease of affecting Tenant's right of possession of the Demised Premises

ATTORNMENMENT

If the landlord's interest is transferred to and owned by Lender or any successor of Lender ("Lender's Successor") because of foreclosure, sale under a private power from a deed of trust, other proceedings brought by Lender, or by any other manner and Lender succeeds to Landlord's interest under the Lease, Tenant shall be bound to Lender's Successor, and Lender's Successor shall be bound to Tenant under all of the terms, covenants, and conditions of the lease for the balance of the remaining term, including any extensions or renewals, with the same affect as if Lender's Successor were Landlord under the lease. Tenant agrees to attorn to Lender's Successor as the Landlord, with the attornment being effective and self-operable immediately upon Lender's Successor succeeding to the interest of Landlord under the Lease, all without the execution by the parties of any further instrument. However, Tenant shall not be obligated to pay rent to Lender's Successor until Tenant receives written notice from Lender's Successor, together with evidence satisfactory to Tenant, demonstrating that Lender's Successor has succeeded to Landlord's interest under the Lease and directing where rent should be mailed. The respective rights and obligations of Tenant and lender's Successor upon attornment, to the extent of then remaining balance of the term of the lease, shall be the same as in the Lease, which is incorporated by reference in this Agreement. If Lender's Successor succeeds to Landlord's interest in the Lease, Lender's Successor shall be bound to Tenant under all the terms, covenants, and conditions of the Lease, and Tenant shall, after Lender's Successor's succession to Landlord's interest, have the remedies against Lender's Successor for the breach of any agreement in the Lease that Tenant might have had against Landlord.

NOTICE THIS SUBORDINATION AGREEMENT CONTAINS A PROVISION WHICH ALLOWS THE PERSON OBLIGATED ON YOUR REAL PROPERTY SECURITY TO OBTAIN A LOAN A PORTION OF WHICH MAY BE EXPENDED FOR OTHER PURPOSES THAN IMPROVEMENT OF THE LAND.

- 1) That said deed of trust securing said note in favor of Lender, and any renewals or extensions thereof, shall be and remain at all times a lien or charge on the property therein described, prior and superior to the lien or charge of the lease agreement first above mentioned.
- 2) For each mortgage or deed of trust, Landlord shall obtain from the mortgagee or beneficiary an agreement in writing that, in the event of foreclosure, or any sale thereunder, this lease shall not be terminated and Tenant's right to possession under this lease shall not be disturbed, provided Tenant is not then in default under the lease.

NON-DISTURBANCE

So long as Tenant is not in default, beyond any period given to Tenant to cure a default, in the payment of rent or in the performance or any of the terms, covenants, or conditions of the Lease, Tenant's possession of the Demised Premises and Tenant's rights and privileges under the Lease, including any extensions or renewals, shall not be diminished or interfered with by Lender during the term of the Lease or any extensions or renewals. So long as Tenant is not in default, beyond any period given Tenant to cure such default, in the payment of rent or in the performance of any of the terms, covenants, or conditions of the Lease, Lender will not join Tenant as a party for the purpose of terminating or otherwise affecting Tenant's interest under the Lease, in any action of foreclosure or other proceeding brought by Lender to enforce any rights arising because of any default under the Deed of Trust. Lender may, however, join Tenant as a party if joinder is necessary under any statute or law to secure the remedies available to Lender under the Deed of Trust, but joinder shall be for that purpose only and or for the purpose of terminating the Lease or affecting Tenant's right of possession of the Demised Premises

Tenant agrees to attorn to Lender's Successor as the Landlord, with the attornment being effective and self-operable immediately upon Lender's Successor succeeding to the interest of Landlord under the Lease, all without the execution by the parties of any further instrument. However, Tenant shall not be obligated to pay rent to Lender's Successor until Tenant receives written notice from Lender's Successor, together with evidence satisfactory to Tenant, demonstrating that Lender's Successor has succeeded to Landlord's interest under the Lease and directing where rent should be mailed. INTER-DEPARTMENT MEMORANDUM

Garden Grove Agency for Community Development

To: Matthew Fertal
Dept: Director
Subject: AFFORDABLE HOUSING AGREEMENTS WITH TAMERLANE ASSOCIATES, LLC FOR UNITS LOCATED AT 12162 AND 12172 TAMERLANE DRIVE

From: Chet Yoshizaki
Dept: Economic Development
Date: January 26, 2010

OBJECTIVE

To have the Garden Grove Agency for Community Development (Agency) consider the adoption of two (2) Resolutions (Attachments 1 and 2) approving an Affordable Housing Agreement (AHA) with Tamerlane Associates, LLC (Developer) for the purchase and rehabilitation of a multi-family housing complex consisting of four (4) units located at 12162 Tamerlane Drive (Attachment 3) and an AHA for a multi-family housing complex consisting of six (6) units at 12172 Tamerlane Drive (Attachment 4).

BACKGROUND/DISCUSSION

The Developer is currently in the process of acquiring two (2) multi-family, rental housing complexes located on Tamerlane Drive. Upon acquisition of the properties, the Developer intends to make improvements to the interior and exterior of the site in the amount of \$15,193 per unit at 12162 Tamerlane and \$14,604 per unit at 12172 Tamerlane ("Improvements").

Agency staff prepared two (2) Agreements for the Agency's consideration in providing financial assistance to the Developer to acquire the properties, complete the proposed Improvements and restrict the rents to affordable households (earning 60% of the area median income) for a fifty-five (55) year period. This purchase of the long-term affordability covenants would allow the Agency to apply the units towards the Agency's inclusionary and replacement housing requirements under California Redevelopment Law.

The Agency assistance shall be in the form of a loan in the amount of \$592,076 with a Developer fee of \$32,000 for 12162 Tamerlane Drive and a loan of \$980,649 and a Developer Fee of \$50,000 for 12172 Tamerlane Drive (with the potential to earn additional compensation for the long term hold of

either property). Under both Agreements, the Agency loans shall accrue simple interest at the rate of three percent (3%) per annum. Payments of the Agency loans shall be made on an annual basis from seventy-five percent (75%) of the residual cash flow ("Net Profits") from the operation of the properties until the entire principal amount of the Promissory Note is repaid in full.

FINANCIAL IMPACT

- Pursuant to the AHAs, Agency assistance is in the amount of \$624,076 for the property located 12162 Tamerlane Drive and \$1,030,649 for the property located at 12172 Tamerlane Drive to be financed using Redevelopment/Housing Set Aside Fund.
