ABOUT THE COVER

This edition's cover features the newly installed playground at Magnolia Park.

Imagine this playground and the entire park teeming with blossoming Citrus trees. Magnolia Park was once a thriving citrus farm with thousands of trees dating back to the 1920's when Ernest Wakeham purchased the 30 acres of land at the corner of Magnolia Street and Orangewood Avenue. He turned this property into a prosperous family-run citrus farm operated by the Wakeham family.

After many years operating the family-run citrus farm, in 1962, the Wakeham family sold 4.5 acres of their property, including their family home and backyard pool to the City of Garden Grove. The City drastically repurposed the land, built a community center, remodeled the pool for public use, added tennis courts and more. This location is now known as Magnolia Park!

In October of 2023 more updates came to Magnolia Park as the City broke ground to install new pool fencing, 24 foot square picnic shelter, fitness equipment, and the striking citrus-farm themed playground seen on the cover and below. The playground features include two play structures for ages 2 to 5 and 5 to 12 with play elements that include colorful play structures, a two-story spiraling slide, an inclusive orbital spinner, and an ADA accessible swing set. Additionally, new outdoor fitness equipment surrounds the perimeter of the play area, allowing caregivers to exercise and watch their children simultaneously.

Beginner Dog Obedience NEW CLASS

This is the first step in teaching dog obedience. We teach the basics, sit, down, stay then we move into walking on leash without pulling, go to a mat, touch, impulse control and focus games. Please plan to get to class early. By getting to class a little early you can get your dog acclimated to the new surrounding environment. Please do not feed your dog prior to class. Plan to bring high value treats to class such as chicken, leftover steak, hot dogs or cheese. Something that your dog really likes but only gets on occasion and some of their regular food or not as high value. Also, bring some light colored treats (one example is string cheese) because when we throw the treat out, light colored treats are easier for the dog to see in the grass. You need to use a flat bucket collar or a martingale for this obedience class. No dogs with aggressive history.
