PRELIMINARY USE REVIEW APPLICATION

The Preliminary Review process allows the appropriate City Departments to review a project for code compliance. Please complete the following application and provide the associated plans/documentation to the Planning Services Division. A typical review period is three (3) to four (4) weeks from the date of submittal.

Please submit the completed application and associated plans/documentation to the Planning Services Division at ggcity.org/planning/contact. Once received, a Planner will review the application for completeness, and will provide further instructions, including fee payment. If you have any questions, please contact the Planning Services Division at (714) 741 5312, or at ggcity.org/planning/contact.

REVIEW FEES: All preliminary use review application submittals shall pay the appropriate fees according to the City's [Fee Schedule](#). Application submittals that fail to include the associated fees will not be processed.

ORANGE COUNTY FIRE AUTHORITY (OCFA)

Where applicable, all projects must be designed to comply with the OCFA Fire Master Plans for Commercial and Residential Department guidelines, along with any other applicable OCFA requirements. A copy of the Fire Master Plan guidelines can be accessed from the OCFA website at <https://www.ocfa.org/>

At the time of preliminary review submittal, the applicant is required to complete the OFCA Service Request (SR) form and pay the appropriate OCFA development/preliminary review fee. OCFA review fees may be paid directly to OCFA on their [Planning & Development Services website](#). Any questions about OCFA requirements can be directed to OCFA Planning and Development Services at (714) 573-6100.

OCFA is located at 1 Fire Authority Road, Irvine, CA 92602.

CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)

As a part of the Preliminary Development Review, City Staff will confirm what type of CEQA compliance (e.g., exemption, IS/MND, etc.) would be required for the project, if any. The [Environmental Information Form](#) provides initial information to assist in the City's determination on what additional documentation/studies may be applicable. Changes to the project's scope of work may require additional CEQA clearance.
