For the safety of every pet, Garden Grove Animal Care Services encourages residents to license and register, and spay and neuter their dogs and cats. By licensing your pet, you establish ownership, increasing the chances your lost pet is returned. Spaying or neutering your pet provides long-term health benefits and helps curb the number of unwanted pets in the city.

# INSTALL. INSPECT. PROTECT.

Almost two-thirds of all house fire deaths occur in homes with no working smoke alarms. Protect your family by installing smoke alarms, inspecting them regularly, and practicing home fire drills.
