Join tomorrow's press conference to call for the release of Tin Nguyen.

Tin and his parents left Viet Nam in 1979 and fled to the U.S. He was 6 years old and struggled to understand what was happening. He faced constant racism and abuse for being the only Vietnamese and non-English speaking student in his elementary school. This ultimately resulted in Tin going down the wrong path.

Tin was sentenced to life in prison when he was a young adult. After serving 20 years in prison, several individuals found his rehabilitation to be exemplary and recommended him for commutation and in 2018 it was granted by Governor Brown.

Shortly after his release, he was detained in an ICE facility in Adelanto. It has been over 9 months, which is far past the legal limit of 180 days for ICE to detain anyone. This is a violation of his human and civil rights.

Tin may be deported at any time by ICE to Viet Nam -- a country he has not seen or known since he was a child. If ICE deports him, ICE would be violating the repatriation agreement between Viet Nam and the United States, which bars any Vietnamese refugee who came to the U.S. before 1995 from being deported.

This case rings extremely personal for me. I know the importance of rehabilitation. I know the pain of deportation after serving time. I know how this takes a toll on the family of a detainee. The challenges to get accurate and current information. The struggle to navigate the system. This is not just. This is not constitutional. This is not humane.

This morning a District 5 Garden Grove resident was detained by ICE.

I have been made aware that he was deported this afternoon. He is a fellow Grover, father of 4 and husband. His wife and 8 year old were going to drop him off at work.

Although we don't know the specifics as to why this 37 year old Garden Grove resident was targeted, it doesn't appear to be related to a crime, we know that ICE is raiding our communities and taking our neighbors without cause.

This is shameful. This is not due process. This is not law and order.

Tearing families apart should not be something we are proud of or desire for our country.

Garden Grove stay vigilant. Take care of your family and friends. Look out for your neighbors.

She also appears to be inciting and/or encouraging others to do the same in going contrary to the law:

Elizabeth Altamirano

I've heard somewhere before that they're targeting people who get rides (bc they wouldn't have a license if they were illegally here).

Elizabeth Altamirano per California State Law undocumented individuals can get driver's licenses just like they can pay taxes. It's unclear to me why he was targeted this morning. It's unfortunate and my heart goes out to the family. I am trying to find out if there's something we can do to help the family. I will make sure to post when I have more information!

Along with allowing the posting on her "councilwoman" page the untrue, old and tired slander of calling President Trump a "racist".

On at least one of her social media pages, she lists herself as a “councilwoman” and we citizens believe when doing so, this is the equivalent to her speaking directly from the council dais.

We at this time respectfully call to your attention the **Oath Of Office** that each and every council member swore before they took their seat(s) as council member(s). We've attached a copy of the Oath from the City Clerk's office received on or about 01/24/2017 in a response to a public records request, just in case one or some of our council members may have forgotten what exactly that Oath is.

With the above information attached, we citizens hereby make the allegation(s) of violation(s) of the above and below listed Codes by Council Member Kim Nguyen. (There may be other and additional applicable codes not listed here.) We citizens further request that this matter be fully and completely investigated and if warranted, prosecution to the fullest extent of the law along with the prescribed penalty or penalties for same.

Respectfully submitted on behalf of the Citizens of Garden Grove.

Thank you,

Youth Committee

Subject : Youth Committee
To : cityclerk@ggcity.org

Dear City Clerk,

My name is Lesley Rivera, and I formerly attended Newhope Elementary School and currently attended Los Amigos High School. I hope you're doing well!

I, along with the entire GGUSD Chapter of Diversify Our Narrative, have been working to change our curriculum to include anti-racist and diverse texts. We wanted to bring attention the problem of anti-Blackness and implicit bias in America; specifically, how we can fight to be anti-racist and encourage a productive dialogue on race and identity among our student bodies. We are aiming to do this by working with the Diversify Our Narrative campaign, which aims to petition district school boards and mandate that there be the inclusion of at least one book by a person of color per English/Literature class.

In GGUSD specifically, we have been in contact with the district board of education—gaining the support of President Walter Muneton and Superintendent Gabriela Mafi—and played a critical role in getting bill AB331 passed in the Senate. At the high school level, we are currently working with Dr. Mafi regarding a BRIDGES program and the Human Relations Task Force, to ensure the district may improve on racial equity, restorative practices, preventing/reversing racial bias, and ensuring that every classroom participates in the DON petition requests.

We are reaching out to elementary teachers in hopes of implementing DON at the elementary level to ensure that ethnicity-related studies, racial equity, and discussions of equality happen at an earlier age, before misconceived beliefs and implicit biases can be formed. We would love to collaborate with you regarding an elementary school reading list, racial equity/teaching practices, or any suggestions you may have.

Our full petition can be found here: bit.ly/DONPetition. Please sign the petition to aid us in our efforts—if you do not want to sign, let us know why if possible!

Thank you so much in advance! We deeply appreciate your support, energy, and time. Please feel free to visit our social media, official DON website, or watch previous recordings of GGUSD Board/GG City Council meetings to hear our comments.

Dear City Council Members,

My name is Mariela Vasquez and I'm currently a senior of Los Amigos High School. I have been a resident of Garden Grove for [insert number] years. I am currently part of the nationwide Diversify Our Narrative (DON) campaign, which aims to change our curriculum to include anti-racist and diverse texts. **One of our biggest missions as a youth-founded organization is to amplify the voices of young adults in social, educational, and political environments. We request that the city of Garden Grove implements a youth committee that is open to all young individuals from multiple schools and local organizations.**

We request that our committee is involved in Garden Grove efforts, including activities such as (but not limited to): planning city murals, organizing community service events, closing the opportunity gap for our city youth, and acting as an advisory board to the city council by presenting opinions and suggestions that are representative of our generation. Based on the city council meeting on August 25th and discussion amongst our peers, we are currently in favor of a youth *committee* as opposed to a youth *commission* to ensure the **safety and privacy** of all its participants. We prefer that our young adults work directly with the city staff, though we completely understand that nothing has been finalized yet.

Once again, we are hoping that Garden Grove implements a youth committee that is inclusive to young adults of **all** backgrounds, organizations, and experience levels. We hope to hear that this matter is once again agendized at future meetings and discussed with the community, *especially the city youth*, with utmost transparency.

We deeply appreciate your support, energy, and time.

Oppose Prop 16

To : publiccomment@anaheim.net

Dear City Council, elected officials,

My name is Wei. I am a concerned resident. On November 3, 2020, voters are being presented with a proposition that goes against our city. That is proposition 16. Proposition 16 eliminates language in the California Constitution, Prop 209, that says government cannot discriminate based on race or gender. With Prop 209, Californians are seeing diversities prevailing year over year involving many different aspects, as long as one works hard, one will get lots of opportunities here, which is the reason why California leads and prospers not only in the US but in the world. I am proud to be a Californian. In America we strive for equal opportunity, NOT "equal outcomes" !

With Prop 16, it will lead California to a totally opposite direction, a WRONG direction. We don't want to go back to the historical dark age of inequality & injustice. Prop 16 is misleading and will inevitably encourage government bureaucracy and corruption, and will cost taxpayers billions of dollars to clean up the foreseeable mess it creates.

Recent opinion polls our city shows that there are 16% more residents oppose prop 16 than the people who support it. Our city council must listen to the general public's opinion and act accordingly. **We strongly urge you to publicly oppose prop 16.**

This country is a great land of opportunity for everyone. The people have said "NO!" to SCA5 in 2014, and we need to say "NO!" again this November to stop this racist proposition becoming law.

Sincerely,

Resident/Voter, Wei Huang

Honorable City Council,

My name is Bethany Hernandez. I'm writing this to express my strong opposition to Prop 16. Proposition16 uses race to judge the qualifications of applicants to universities, to jobs, etc.

This is the text book's definition of racism, pure and simple. If it is passed, how far will we slide down this slippery, dangerous slope? What's next? Set racial quotas for elected positions? Set racial quotas for NBA and NFL? Set racial quotas for TV anchors?

Please join us to vote 'NO' against proposition16.

Thank you for your attention.
