CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The Fiscal Year (FY) 2020-2021 Consolidated Annual Performance Evaluation Report (CAPER) captures the expenditures, accomplishments, and progress made on the strategies and goals outlined in the approved 2020-2025 Consolidated Plan for HUD Programs (Con Plan).

The FY 2019-2020 Annual Action Plan (AAP) was amended to include Coronavirus Aid, Relief, and Economic Security (CARES) Act funding that the City of Garden Grove was awarded in April 2020. The CARES Act funding and expenditures are shown in the FY 2019-2020 & 2020-2021 CAPERs, but accomplishments for the CARES Act funding will not be reported until the expenditure deadline is reached and/or the activities have been closed out in IDIS. During FY 2020-2021, the City closed out the following CARES Act projects: Meals on Wheels Program, Food Box Program, and the Hot Meal Program. Accomplishments for the closed FY 2020-2021 CARES Act projects will be outlined below in the narrative portion of CR-05.

The CAPER outlines achievements in affordable housing, homeless services, and community development programs. The City of Garden Grove's HUD Programs include:

- Community Development Block Grant (CDBG)
- HOME Investment Partnership (HOME)
- Emergency Solutions Grants (ESG)

The FY 2020-2021 CAPER covers the time period from July 1, 2020, to June 30, 2021, and is the first annual report of the Con Plan period. It also includes activities funded in previous fiscal years with accomplishments reported during FY 2020-2021.

The Con Plan includes the following high priority Goals that are the basis for the activities previously approved in the FY 2020-2021 AAP:

1. Provide decent and affordable housing;
2. Address the needs of homeless individuals;
3. Provide community and supportive services;
4. Address public facilities and infrastructure needs;
5. Promote economic development and employment;

6. Provide for planning and administration activities.

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

During FY 2020-2021, the City expended CDBG funds to meet the priority needs identified in the Con Plan through the following actions:

1. Address Public Facilities/Infrastructure Needs

- The Beach/Trask Sewer Project was completed and assisted **8,850** individuals.
- The Maureen/Barclay Street Improvement Project was completed and assisted **3,465** individuals.
- The Garden Grove Park Project was not completed in FY 2020-2021 and will record accomplishments in the FY 2021-2022 CAPER.

2. Address the Needs of Homeless Individuals

- The City was able to assist approximately **237** individuals through our homeless non-profit service providers.
- The City also expanded our homeless services being funded through our ESG-CV and ESG-CV2 CARES Act allocations and assisted another **807** homeless individuals through street outreach, homeless prevention, and emergency shelter activities. Approximately **62** households were assisted through rapid rehousing activities.

3. Promote Economic Development and Employment

- Through the Jobs 1st To-Go Program, the City was able to retain a total of **24** employees.

4. Provide Community and Supportive Services

- The Garden Grove Police Department's Special Resource Team directly assisted **903** individuals by providing street outreach and essential services.
- The H. Louis Lake Senior Center enrolled **566** new seniors into their programs.
- Meals on Wheels of Orange County provided home-delivered and congregate meals to **438** new seniors. In addition, Meals on Wheels of Orange County expanded their food program to assist another **284** seniors through an expanded program with CDBG-CV funding.
- The Food Box Program Program was funded through the City’s CDBG-CV allocation to provide boxes of groceries to Garden Grove residents

throughout the COVID-19 Pandemic, which served approximately **498 boxes** of food to feed 3,778 individuals in Garden Grove.

- The Hot Meal Program Program was funded through the City's CDBG-CV allocation to provide hot meals from local restaurants throughout the COVID-19 Pandemic, which served approximately **3,314** meals to 4,179 individuals in Garden Grove.

5. Provide Decent and Affordable Housing

- The Senior Home Improvement and Home Repair Programs assisted **15** low-income Garden Grove residents with rehabilitation services for their homes.
- The City assisted **61** households through the HEART and Valley View Senior Villas Tenant-Based Rental Assistance Programs.

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

The City of Garden Grove identifies priority needs and offers services and programs to eligible households regardless of race or ethnicity. This table is generated by the HUD CAPER template, and the information reported reflects demographic information provided by participants in the HUD reporting system. The “other” category was added because the FY 2020-2021 ESG Sage Report had clients report that they did not know their race and/or ethnicity.

ESG	public - federal	180,163	180,163

Table 3 - Resources Made Available

Narrative

The CDBG, HOME, and ESG resources made available in FY 2020-2021 included carryover funds from prior years.

During FY 2020-2021, the City expended a total of **\$5,329,472** in HUD grant funds on activities previously approved in prior year AAPs.

- **\$2,221,072.82** in CDBG funds on administration, public services, capital projects, and homeowner rehabilitation.
- **\$745,981.45** in HOME funds on administration, affordable housing, and tenant based rental assistance.
- **\$180,162.07** in ESG funds on administration and homeless service activities.
- **\$2,182,255.64** in CARES Act funding (CDBG-CV, ESG-CV, ESG-CV2 and CDBG-CV3) on administration and services for individuals affected by the Coronavirus (COVID-19).

CDBG-CV and ESG-CV grant funds were awarded to the City of Garden Grove in April 2020 and have an expenditure deadline of June 30, 2022. The expenditures for the CARES Act funding will be included in the FY 2019-2020, FY 2020-2021, and FY 2021-2022 CAPERs, but accomplishments will not be recorded until the projects have been closed out in IDIS. The City will utilize the Sage reporting tool to submit the required ESG-CV reports that are due to HUD on a quarterly basis. During FY 2020-2021, the City closed out the following CARES Act projects: Meals on Wheels Program, Food Box Program, and the Hot Meal Program. Accomplishments for the closed FY 2020-2021 CARES Act projects will be outlined in the narrative portion of CR-05.

HUD entitlement grant funds not expended during FY 2020-2021 will be carried over and programmed in future AAPs.

Narrative

Consistent with HUD goals for the CDBG, HOME, and ESG programs, the City utilized these funds for the benefit of low and moderate-income residents and neighborhoods.

The attached FY 2020-2021 AAP Project Locations Map (Attachment 2) shows the location of completed projects with specific addresses.

As identified on the Project Locations Map, several programs were made available to individuals from low or moderate-income households throughout the community, regardless of their place of residence, such as meal delivery to homebound seniors, H. Louis Lake Senior Center services, services to the homeless, and housing rehabilitation grants for seniors.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The City implemented activities and utilized CDBG funds consistent with the FY 2020-2021 AAP. The City secured and utilized HUD funds and leveraged funding consistent with the resource allocation plan. Throughout FY 2020-2021, the City did not take any actions that hindered the implementation of the Con Plan or AAP.

Subrecipients for FY 2020 CDBG funds were required to detail all secured and unsecured funding sources in their proposals. Each agency was asked to identify all project funding sources at the time of contract execution and again at project closeout. The ESG program requires all sub-recipients to provide a 100% match on grant funds.

The HOME program requires a 25% match for each HOME dollar invested, and excess match may be credited for use in future years. The total match credit arising from affordable housing bond proceeds may not constitute more than 25% of a Participating Jurisdiction's (PJ) total annual contribution toward its match obligation. Match credits in excess of 25% of a PJ's total annual match obligation may be carried over to subsequent fiscal years and be applied to future years' obligations.

The City did not utilize publicly owned land or property to address the needs identified in the Con Plan and AAPs. In March 1996, the City completed the Bayfort Apartments, which is a HOME-eligible affordable housing project that was bond-financed and that exceeded the annual total match obligation of 25% (See Table 5, below).

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The rehabilitation of existing units is accomplished through the administration of the Senior Home Improvement Grant and the Home Repair Programs. Due to the nature of this program, it is common for a number of the grants to be delayed and carry over into the following FY. Home Repair Program projects that were not completed in FY 2020-2021 (16 total projects) will have their accomplishments recorded in the FY 2021-2022 CAPER.

It is worth noting that the Senior Home Improvement Grant and Home Repair Programs were negatively affected by the COVID-19 pandemic. As a result of COVID-19, the City only received 27 qualifying applications for assistance, and numerous projects were delayed due to stay in place orders and social distancing regulations.

The acquisition/rehabilitation of existing units will be accomplished utilizing HOME funds. The City is currently in communication with a developer to produce a 9-unit permanent supportive housing development. This project is forecasted to be completed in FY 2021-2022.

Discuss how these outcomes will impact future annual action plans.

The City of Garden Grove is committed to providing high-quality, affordable housing for its residents. The City is in constant contact with developers to produce affordable housing projects and, as funds become available, these projects will be included in future AAPs.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity, where information on income by family size is required to determine the eligibility of the activity.

Narrative Information

Using CDBG and HOME funds, the City was able to assist a total of seventy-six (76) low-income households with housing-related services.

- The Senior Home Improvement Grant Program is designed to assist senior Garden Grove residents who qualify at or below the "low-income" limit, which is 80% of the Orange County area median income. Through this program, the City assisted four **(4)** low-income seniors with funds to rehabilitate their homes.
- The Home Repair Program is designed to assist Garden Grove residents who qualify at or below the "low-income" limit, which is 80% of the Orange County area median income. Through this program, the City assisted eleven **(11)** low-income residents with funds to rehabilitate their homes.
- HOME funding for the HEART Program allowed the City to serve a total of forty-four **(44)** homeless households with rental assistance and supportive services.
- HOME funding for the Valley View Senior Villas Program allowed the City to serve a total of seventeen **(17)** homeless households with rental assistance and supportive services.

Additionally, the City expended a total of **\$1,384,015** in ESG funds to assist homeless individuals with housing solutions.

- **\$30,442** in ESG funds was used to keep **9 households (23 individuals)** from losing their primary residence via homeless prevention services.
- **\$46,600** in ESG funds was used to locate and secure permanent housing for **5 homeless households (13 individuals)** via rapid rehousing services.
- **\$34,775** in ESG funds was used to provide **91 individuals** with a place to sleep via emergency shelter services.
- **\$868,655** in ESG-CV funds assisted another **807** homeless individuals through street outreach, homeless prevention, and emergency shelter activities.
- **\$403,543** in ESG-CV funds assisted **62** households through rapid rehousing activities.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

During FY 2020-2021, the City of Garden Grove was awarded **\$174,721** in ESG funds to address homelessness issues throughout the City. The funds were made available to various service providers offering different types of eligible homeless programs. The services included emergency shelters, essential services, homeless prevention, and homeless outreach.

The City of Garden Grove provided **\$50,000** to City Net to support a Street Outreach Program. The services provided through the Street Outreach Program were directed towards deploying basic needs support to unsheltered individuals in Garden Grove. This activity created opportunities for sub-recipients to informally engage and assess unsheltered individuals within their peer and community setting. City Net was able to provide essential outreach services to 110 homeless residents (89 households) in FY 2020-2021.

City staff focused the majority of resources on helping service providers maintain emergency shelter operations for homeless individuals and families, provide essential services such as case management and career counseling, and support homeless prevention programs through rapid rehousing and transitional housing. The City provided **\$46,600** in ESG funding to Interval House for emergency shelter and essential services, which included community outreach and education programs to individuals at risk of domestic violence. With the Garden Grove ESG funding for emergency shelter, Interval House was able to free up their nonfederal resources to provide homeless outreach services, homeless prevention education, and domestic violence safety outreach to the population at risk of homelessness, which included 91 individuals in Garden Grove.

The City of Garden Grove Police Department's Special Resource Team (SRT), funded through the City's general fund, also implemented street outreach programs for the homeless. The SRT focused on providing resources to help reduce the number of homeless individuals as well as reducing the police responses involving the homeless and mentally ill. The Police Department also partnered up with Orange County Mental Health agencies to provide resources and assistance to homeless individuals that the SRT encounters.

Addressing the emergency shelter and transitional housing needs of homeless persons

Of the \$174,721 of ESG funds, the City allocated **\$46,600** for emergency shelter and **\$34,775** for rapid rehousing programs. These funds provided different levels of homeless/client programs, including chronically homeless services, domestic violence, winter armory, child care, and rental assistance.

ESG funds also supported Interval House in maintaining its Domestic Violence Shelter Program. Over 91 victims of domestic violence and their children from Garden Grove were given emergency shelter and were provided support services which included a safe living environment in a confidential location. Case management was provided to ensure that the victims were rapidly rehoused in decent and affordable permanent housing. Over FY 2020-2021, Interval House provided rapid rehousing services to 5 households (13 individuals).

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care, and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The City of Garden Grove committed **\$30,442** in ESG funds to Mercy House for homeless prevention services. Mercy House assisted 9 families (23 individuals) through their Homeless Prevention Program, providing rental assistance and case management services to keep Garden Grove families from becoming homeless. Other ESG sub-recipient organizations, such as Interval House, have made great efforts to assist victims from becoming homeless after the completion of temporary housing programs. Staff at Interval House conduct follow-up case management for their domestic violence victims and make referrals to Garden Grove Housing Authority for Section 8 vouchers for permanent housing.

In FY 2020-2021, the Garden Grove Housing Authority worked with Thomas House, Mercy House, and Interval House in providing Section 8 vouchers to qualified residents coming from the shelter programs. Under the voucher program, individuals or families with a voucher are able to find and lease a unit and only have to pay a portion of the rent. The program further assists low-income individuals and families to avoid becoming homeless.

Every jurisdiction receiving McKinney-Vento Homeless Assistance Act funds must develop and implement a Discharge Coordination Policy. The County of Orange assists people discharged from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions). This assistance prevents homelessness resulting from discharge. The City will refer people discharged from public institutions to the County of Orange for additional resources.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

In FY 2020-2021, the City allocated **\$34,775** for the Rapid Rehousing Program, which was administered through Interval House. The program targeted victims of domestic violence and their children seeking emergency shelters while waiting for permanent housing. The program also provided security deposits and rental assistance payments directly to landlords on behalf of participants, housing stability case management, legal services for housing needs, and credit repair assistance. The services are designed to seamlessly transition clients into suitable and stable permanent housing.

Interval House's partners include over 40 landlords to provide housing as needed. The funds used for the rapid rehousing program in FY 2020-2021 provided personal and financial assistance to 13 Garden Grove residents (5 households). In addition, Interval House's emergency shelter program had 97% of participants moving into permanent housing upon exit.

As part of the efforts to provide housing for the homeless and those at risk of homelessness, the City of Garden Grove awarded HOME funds to service providers who provide rental assistance through the Homeless Emergency Assistance and Rental Transition (HEART) Program. Interval House and Mercy House administered the program during FY 2020-2021 and assisted 44 households over a 12-month period by providing a portion of a household's rent (including security and utility deposits) while offering services to achieve self-sufficiency.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The City of Garden Grove does not have any units of Public Housing.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The City of Garden Grove does not have any units of Public Housing.

Actions taken to provide assistance to troubled PHAs

The City of Garden Grove does not have any units of Public Housing.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

Market and governmental factors pose barriers to the provision of adequate and affordable housing. These factors tend to disproportionately impact lower- and moderate-income households due to their limited resources for absorbing the costs. Garden Grove works to remove barriers to affordable housing by implementing a Housing Element that is consistent with California law and taking actions to reduce costs or provide off-setting financial incentives to assist in the production of safe, high-quality, affordable housing. The City is committed to removing governmental constraints that hinder the production of housing and offers a “one-stop” streamlined permitting process to facilitate efficient entitlement and building permit processing.

The City of Garden Grove has instituted additional actions aimed at reducing the impact of the public sector’s role in housing costs. City efforts to remove barriers to affordable housing include:

- Conduct periodical analysis and revision of the zoning code aimed at developing flexible zoning provisions in support of providing an adequate supply of desirable housing, such as mixed-use zoning standards and updates to the Housing Element.
- Add provision of affordable housing projects through acquisition and rehabilitation activities and new construction of affordable housing units.
- Establishment of a streamlined service counter to reduce process time.
- Incentivize density bonuses for affordable projects.
- Continued assessment of existing policies, procedures, and fees to minimize unnecessary delays and expenses to housing projects.
- Streamline construction and/or conversion of Accessory Dwelling Units (ADU's).

In addition, the City updated its Analysis of Impediments to Fair Housing Choice (AI) Report in March 2020 in coordination with other local jurisdictions. This report identifies any potential impediments to fair housing and establishes a Fair Housing Action Plan to outline steps to overcome any identified impediments.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The major obstacle to meeting underserved needs is the lack of adequate funding, especially for affordable housing activities. With the dissolution of redevelopment in California and reduced State and Federal funding levels, the City's ability to address the extensive needs in the community is seriously compromised. The City will strive to leverage available funds, to the greatest extent possible, to overcome obstacles in meeting underserved needs. The City has adopted its 2014-2021 Housing Element, which

includes a commitment to annually pursue State, Federal, and other funding opportunities to increase the supply of safe, decent, affordable housing in Garden Grove for lower-income households (including extremely low-income households), such as seniors, disabled, the homeless, and those at risk of homelessness.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The City has an aggressive policy to identify and address lead-based paint hazards in all HUD-funded housing rehabilitation projects. The City considers all housing rehabilitation an opportunity to address potential lead hazards. We, therefore, require lead paint testing for 100% of the City's HUD-funded residential rehabilitation programs where paint will be disturbed in properties built before 1978. Loan/grant recipients are required to obtain a lead-based paint inspection prior to commencement of work as well as a post-rehabilitation clearance test if the work disturbed areas where lead contamination had been found. Because the additional costs of lead hazard testing and remediation can be prohibitively expensive for low-income homeowners, the City uses CDBG funds to cover the costs of the lead paint inspection and, if necessary, any lead paint interim controls and lead clearance testing in conjunction with any CDBG-funded housing rehabilitation grants or loans. During FY 2020-2021, the City funded twenty-seven (27) lead-based paint initial inspections and two (2) clearance inspections in administration of the Senior Home Improvement Grant and Home Repair Programs.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

Garden Grove continues to look for ways to expand economic activities to include all people and provide programs to those people who are less fortunate. In the past, the City has focused on the creation of jobs for low- and moderate-income persons through economic development in the Harbor Boulevard area. Through the Con Plan and associated AAP, the City seeks to create and retain permanent jobs that are available to and/or filled by low- and moderate-income people. In addition, other essential elements of the City's anti-poverty strategy include:

- Section 8 Housing Choice Voucher Program;
- Housing Choice Voucher Family Self Sufficiency Program;
- Economic development programs;
- Anti-crime programs;
- Housing rehabilitation programs;
- Creation of affordable housing;
- Job training and employment development;
- Transitional housing and homeless service programs.

Through these programs, the City is working to reduce the number of families living below the poverty line. The goals and strategies contained in the Con Plan for funding housing, community development, and community services activities often directly address poverty issues through provision of funding or services, or indirectly through the creation of jobs as several of the CDBG, HOME, and ESG funded service

providers offer job training as a component of their programs.

In addition, the City will annually allocate up to 15% of its CDBG funds to public service agencies that offer supportive services in an effort to reduce poverty.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

Successful program implementation requires coordination, both internally and with outside agencies. The City makes changes, as needed, to its staff assignments to address the administrative, planning, and reporting needs of CDBG, HOME, and ESG funds. Project management improvements have included strengthened project eligibility review and staff training of regulatory compliance and procedures. The City of Garden Grove Neighborhood Improvement Division of the Community and Economic Development Department serves as the lead agency in administration and compliance of CDBG, HOME, and ESG Programs and grant management. The Neighborhood Improvement Division coordinates activities related to CDBG, HOME, and ESG funds, including coordination of internal departments, outside agencies, and grant recipients.

The City's ongoing efforts in its institutional structure include strengthening project designs through negotiating stronger and more specific performance goals for project contracts. This includes ongoing education and technical assistance for program stakeholders, including fellow City Departments implementing HUD-funded programs, outside contractors, the Neighborhood Improvement and Conservation Commission, the City Council, and the public in general regarding the overall objectives and eligible and ineligible uses of each of our HUD funds.

The City also amended the Citizen Participation Plan to make it more readable and to officially designate the City Council as the public hearing body and worked closely with the Neighborhood Improvement and Conservation Commission to deepen their understanding of the CDBG, HOME, and ESG Programs.

Capacity-building is another component in development of the City's institutional structure. In addition to in-house training and development of improved management systems, the City will continue to participate in all HUD training offered locally. To gather more information, build staff knowledge, and seek regional solutions to regional problems, the City participates in regional efforts such as the Orange County Continuum of Care for the Homeless.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

Housing, supportive services, and community development activities were delivered by a number of public agencies, non-profit entities, and private organizations. The City of Garden Grove continued to function in a coordinating role between local non-profit service providers and other County, State, and Federal organizations, as well as regional agencies and plans such as the Orange County Continuum of Care (CoC).

To enhance coordination, the City participated in regional planning groups and forums to foster collaboration with other agencies and organizations. Through collaboration, the City identified common goals and strategies to avoid overlaps in services and programs and identify potential for leveraging resources. The City also continued to work with a wide range of public and community social service agencies to meet and address the various needs of the community. The City utilized the services of 211 Orange County, whose mission is to help people in the community find the help they need by eliminating the barriers to finding and accessing social services.

Identify actions taken to overcome the effects of any impediments identified in the jurisdiction's analysis of impediments to fair housing choice. 91.520(a)

The City of Garden Grove is required to undertake an analysis of impediments to fair housing that may be prevalent in the community and to develop an action plan to address impediments. The City, in collaboration with other Orange County communities, participated in producing a five-year analysis of impediments to fair housing. The final product was the 2020-2024 Orange County Regional Analysis of Impediments to Fair Housing Choice (Regional AI). The following are the private sectors impediments:

- Housing Discrimination
- Discriminatory Advertising
- Denial of Reasonable Accommodation
- Hate Crimes
- Unfair Lending

During FY 2020-2021, the City of Garden Grove undertook several programs/actions (on its own or in cooperation with a fair housing provider) to overcome the impediments to fair housing choices identified in the Regional AI. Garden Grove contracted with Fair Housing Foundation (FHF) to provide comprehensive educational and enforcement programs for City residents. The FHF understands the private sector and is well equipped to analyze impediments, describe appropriate actions, and to follow-through on those actions.

During FY 2020-2021, the FHF assisted a total of **6,706 individuals** with the following services:

1. Fair Housing Outreach and Education

- Planned Agency Meetings at various locations throughout the City;
- Organized booths at various events throughout the City;
- Distributed literature at various locations throughout the City (including flyers and press releases);
- Facilitated management trainings at City Hall;
- Gave presentations at various locations throughout the City;
- Coordinated landlord/tenant workshops at City Hall.

***These services were provided primarily through virtual communications.**

2. General Housing Counseling & Resolution

- Responded to inquiries regarding general housing issues. In addition, FHF screens, inputs data, counsels, pursues habitability cases, provides unlawful detainer assistance, conducts mediations, and provides appropriate referrals.

3. Discrimination Services

- Responded to inquiries regarding discrimination, complaints, screening, and counseling services.

4. Landlord/Tenant Services

- Responded to and assisted in the mediation of disputes between landlords and tenants.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

Although the City's HUD-funded activities and strategies have been very successful, we strive for continuous improvements in our housing, homeless prevention, neighborhood improvement, and public service priority needs, as well as our grant administration, compliance, and monitoring. During FY 2020-2021, the City continued to improve its project, fiscal, and other administrative management systems to ensure compliance with CDBG, HOME, and ESG program and comprehensive planning requirements through the following measures and accomplishments:

The City's Community and Economic Development and Finance Departments worked together over the last six months to prepare for the FY 2020-2021 CAPER and the FY 2021-2022 AAP. Through several brainstorming meetings with managers and staff from both teams, the City has achieved comprehensive training for key staff in both departments on HUD program financial administration and using IDIS. Community and Economic Development staff have been working with Finance staff to educate them on HUD requirements. This cooperation will improve the timeliness of HUD fund drawdowns, establish better procedures and schedules for aligning the City's general budget planning and the HUD AAP process, the City's general ledger and IDIS records, and for handling remaining funds at the end of the program year.

City Staff annually monitors all HOME funded projects in accordance with the City's Monitoring Plan for HOME Rental Projects and the HOME Final Rule. See Attachment 4 for the City's HOME Monitoring Policy.

In an effort to ensure up-to-date knowledge of HUD programs and policies, staff members invested over 50 hours in training, workshops, webinars, or technical assistance sessions sponsored by HUD or by outside agencies but with direct relevance to the HUD program implementation. Topics of the trainings included Coronavirus Aid, Relief, and Economic Security (CARES) Act funding, Financial Management, Analysis of Impediments, HMIS, HOME activities, IDIS, sub-recipient management, CDBG and Environmental Training.

CARES ACT CDBG-CV and ESG-CV grant funds were awarded to the City of Garden Grove in April 2020 and have an expenditure deadline of June 30, 2022. The City will monitor CARES Act CDBG-CV and ESG-CV projects in accordance with HUD regulations on a quarterly basis through expenditure reports. The City will utilize the Sage Report tool to submit the required CARES Act ESG-CV reports that are due to HUD on a quarterly basis.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

The City's effort to provide citizens with reasonable notice and an opportunity to comment on performance reported in the Draft FY 2020-2021 CAPER follows the process outlined in the Citizen Participation Plan.

As outlined in the Public Notice, due to COVID-19, the City has modified its process for reviewing and accepting comments related to the CAPER to ensure social distancing and to limit the spread of COVID-19. The Draft CAPER was made available for public review online at <https://ggcity.org/neighborhood-improvement/reports>, and all public comments were directed to staff via email.

The 15-day public review and comment period for the FY 2020-2021 CAPER was from August 30, 2021, through September 28, 2021. Notices for the public hearing were published in local English, Spanish and Vietnamese newspapers on August 30, 2021. The City held public hearings to receive public comments regarding the FY 2020-2021 CAPER at the September 13, 2021, Neighborhood Improvement and Conservation Commission meeting and at the September 28, 2021, Garden Grove City Council meeting. The public notices that were published are included in Attachment 1.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The City of Garden Grove CDBG program did not have any significant changes to the Consolidated Plan goals.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No.

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

CR-50 - HOME 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

Typically, the Garden Grove Housing Authority (GGHA) conducts Housing Quality Standard (HQS) inspections of Tenant Based Rental Assistance units, HOME restricted units, Density Bonus units, and Housing Successor units to determine compliance with Federal, State, and local housing standards. However, due to COVID-19, the City received a waiver from HUD, which eliminated the requirement to perform "On-site inspections of HOME-assisted rental housing" until after December 31, 2020.

On-site inspections of HOME assisted projects will resume in FY 2021-2022.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)

All HOME funded affordable housing projects must adopt affirmative marketing procedures and submit the affirmative marketing plan to the City. During annual monitoring, overall performance related to fair housing and non-discrimination is monitored to ensure fair housing compliance.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

During FY 2020-2021, the City expended **\$71,506.90** in Program Income on the HEART Program. The HEART Program provides rental assistance and supportive services for literally homeless individuals and individuals at-risk of homelessness.

Describe other actions taken to foster and maintain affordable housing. 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 91.320(j)

Section 8 funds: The Garden Grove Housing Authority administers the Section 8 Program for the City and provides rent subsidies to 2,337 Garden Grove households.

Density Bonus: The City of Garden Grove works with housing developers to assist in the development of affordable housing projects through the execution of Density Bonus Affordable Housing Agreements. The City currently monitors three (3) density bonus affordable housing projects totaling 15 affordable units.

Redevelopment Agency: The City of Garden Grove currently monitors 11 affordable housing projects, totaling 640 affordable units previously assisted with former Low and Moderate Housing funds.

All sub-recipients of ESG funds were required to use homeless/client certification forms during the intake process to ensure all clients serviced were qualified and are residents of the City of Garden Grove. In addition, sub-recipients were also required to submit completed quarterly reports for monitoring purposes. During the aforementioned process, City staff addressed concerns and/or discrepancies within the reports and made sure corrections were made at the early stages of the FY. **The capacity of utilization for shelter was approximately 96% (24,865 bed nights provided).**

In addition, City staff consulted with the CoC and attended meetings with various County subcommittees to discuss issues, concerns, and best practices for meeting the needs of the homeless population. Staff also formed an OC Collaborative consisting of neighboring jurisdictions receiving ESG funds (Anaheim, Santa Ana, Irvine, and the County of Orange) and established a shared Request for Proposal (RFP) that was utilized to fund service providers for program year 2020. The OC Collaborative created uniform ESG guidelines that are utilized amongst all service providers within the County. These guidelines include a homeless at risk assessment and a homeless certification form. Creating these guidelines helped promote a cohesive effort between the neighboring Cities in addressing homelessness and also assisted service providers to stay compliant with HUD’s regulations.

MATTERS FROM STAFF:

PUBLIC HEARING – FY 2020-21 CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT (CAPER):

Staff read a summary as follows:

Title I of the National Affordable Housing Act of 1990 requires jurisdictions that receive Community Development Block Grant (CDBG), HOME Investment Partnership Program (HOME) and Emergency Solutions Grant (ESG) funding to assess the activities implemented during its previous program year through an annual CAPER.

The CAPER details how the City of Garden Grove (City) carried out the projects and activities identified in the previously approved FY 2020-21 Annual Action Plan (AAP). The CAPER provides narrative descriptions and financial information on specific activities, and evaluates the City's progress toward the priority objectives addressing housing and community needs, as outlined in the 5-Year Consolidated Plan. The reporting period for the CAPER is from July 1, 2020 through June 30, 2021.

During FY 2020-21, the City utilized Federal funding to expand or preserve affordable housing opportunities, improve low-income neighborhoods through public infrastructure improvements, and assist special needs groups such as senior citizens, homeless and those who are at-risk of becoming homeless. The City assisted a total of 40,375 low-income individuals through various programs and services. Highlights of FY 2020-21 accomplishments include:

- Retained 24 jobs through job retention grants;
- Provided 438 home delivered and/or congregate meals to Garden Grove seniors;
- Provided rental assistance via the Valley View Senior Villas Program and the Homeless Emergency Assistance and Rental Transition Program to 61 homeless or at-risk of becoming homeless households;
- Provided homeless services to 237 individuals;
- Assisted 12,315 low-income resident through infrastructure development;
- Assisted 15 low-income residents with Home Improvement Grants;
- Assisted 1,907 low-income resident with various public and community services;
- Provided community outreach and education to nearly 7,000 individuals.

The FY 2019-20 AAP was amended to include Coronavirus Aid, Relief, and Economic Security (CARES) Act funding that was awarded to the City by HUD in April 2020. The Community Development Block Grant CARES Act (CDBG-CV) and Emergency Solutions Grant CARES Act (ESG-CV) funding expenditures and performance outcomes for completed projects are included in the FY 2020-21 CAPER. In total, the City expended an additional \$2,182,256 in CDBG-CV and ESG-CV funding in FY 2020-21 to develop and expand programs in response to the Coronavirus. Please see below for the City's CDBG-CV and ESG-CV accomplishment for FY 2020-21:

CDBG-CV Accomplishments

- Provided an additional 284 seniors with home delivered and/or congregate meals;
- Assisted approximately 11,370 individuals by distributing boxes of groceries and hot meals.
- Created and retained an additional 149 jobs through the JOBS 1st Program; and
- Provided an additional 20 individuals with workforce development services through the Workforce Activation and Readiness Program (WARP).

ESG-CV Accomplishments

- Provided 807 homeless individuals with street outreach, homeless prevention, and emergency shelter services;
- Provided 62 households with rapid rehousing services.

Per the HUD approved Citizen Participation Plan, the City is required to make the CAPER available to the public for review and comment for a minimum of 15 days. A public notice was published in English, Spanish and Vietnamese newspapers announcing the public comment period which began on August 30, 2021 and will conclude at the end of City Council's September 28, 2021 meeting. All public comments received are included in the final submission of the CAPER to HUD.

It is recommended that the NICC hold a public hearing to receive comments concerning the FY 2020-21 CAPER and recommend its transmission to City Council.

Comments: With no speakers from the audience, the public hearing was opened and closed. Responses to Commissioner's questions:

* In the Jobs 1st To-Go Program, jobs being retained are part-time, low-income employees in local restaurants and drinks vendors, in order to enhance 'to-go/take-out' services and increase sales for businesses impacted by Covid.

* Valley View Senior Villas is a 2-year TBRA assistance program to prevent homelessness allowing seniors the time to increase their income or the opportunity to find another location to live. Valley View seniors are on the interest list for the Garden Brook Senior Village apartments. The developers are required to complete a marketing and management plan to take recommendations from the City.

* Meals provided by the City were funded by CDBG and originated with the City asking local restaurants to submit budgeted menus. Community Services then scheduled set dates and times at the family resource centers for families to take advantage of the food program, receiving food boxes or hot meals.

* City Net and the SRT were involved in providing the 807 homeless residents, who were assisted in FY20-21, with outreach referral services.

* A portion of the \$4.5 million to be spent to address homelessness programs and services, will be \$1.4 million toward a permanent supportive housing project through American Family Housing. Garden Grove is only one of the cities in Orange County with a full continuum of care program, with no gaps in homeless services. For homeless that do not want assistance, there is no answer to the problem as it is not illegal to be homeless or mentally ill. Garden Grove does not have a 'no camping law', therefore, non-enforcement outreach is used to build trust. Unless a city has a shelter, a homeless individual cannot be forced to leave public property. Upcoming programs include emergency housing vouchers and a mobile mental health unit to be deployed in October through Be Well Orange County in partnership with Police and Fire Departments to alleviate at least 15,000 calls per year.

* For poverty-level families, advertising for job training development is through newspapers (multi-language), press releases, the City's website, social media pages, Channel 3 videos, Vietnamese TV, and direct marketing through service providers.

* The low number of non-homeless households to be provided affordable housing units was due to changes in the Home Repair program as a result of Covid. Though inspections transitioned to virtual, home repairs were halted for two months while the contractor's group, Habitat for Humanity, recovered from an outbreak of Covid. The backlog of repairs will be caught-up in 2022.

It was moved by Commissioner Blackmun and seconded by Commissioner Tran, to accept staff's recommendation to transmit the FY-2020-21 Consolidated Annual Performance and Evaluation Report (CAPER), with comments, to City Council for adoption. The motion carried by a 4-0 vote as follows:

Ayes: (4) Blackmun, Crawford, Tran, Williams
Noes: (0) None
Absent: (3) Chavira, Gonzalez, Hanssen

CODE ENFORCEMENT UPDATE: Chief Building Official, David Dent, presented an update of Code Enforcement's typical violations, which include issues concerning health and life safety, public nuisance, and property maintenance. With the use of newly implemented technology, the goal is for code officers to increase efficiency by spending more time in the field and less time in the office, to educate the public via social media, to track code officer's case-loads using a new in-house on-line dashboard, and to reduce the number of incoming phone calls by offering interactive maps on the City's website that show current violations. Discussions also included graffiti, complaint follow-up procedures, residential trees, commercial landscaping, fruit vendors, County Health task force truck, code officer funding, feral cats, and illegal fireworks.

MATTERS FROM COMMISSIONERS: Commissioner Tran asked if there was a plan to plant more trees in the City, especially in barren neighborhoods. Staff offered to connect Commissioner Tran to the Public Works Streets and Trees Division.

ADJOURNMENT: Commissioners unanimously voted to adjourn the meeting at 8:13 p.m. to the next Regular Meeting of the Neighborhood Improvement and Conservation Commission, which will be held Monday, December 6, 2021, at 6:30 p.m., in the Council Chamber of the Community Meeting Center, 11300 Stanford Avenue, Garden Grove, CA.

Attachment #4
HOME Monitoring Protocols

ATTACHMENT 4: HOME Monitoring Protocols

This attachment to the City of Garden Grove's (City) Monitoring Plan is prepared to establish protocols for monitoring HOME Investment Partnerships Act (HOME) assisted rental housing projects. The City is responsible to the U.S. Department of Housing and Urban Development (HUD) for monitoring HOME-assisted rental projects throughout the period of affordability to ensure that HOME-assisted rental projects are monitored adequately for continued compliance with federal and state regulations. Monitoring guidelines are intended to assist City monitoring staff in making informed judgments about asset management, HOME Investment Partnerships Act (HOME) Program compliance and management efficiency of HOME-assisted rental projects.

The primary document used to monitor projects is the Regulatory Agreement. An exhibit of the Affordable Housing Agreement (AHA) or the Disposition and Development Agreement (DDA), a Regulatory Agreement is executed by the owner and the City or the City's Redevelopment Agency (Agency) and recorded as a lien on the project in the official records of Orange County.

The Monitoring Process

Monitoring of HOME-assisted housing developments will be scheduled following the annual publication of HOME Investment Partnerships Act (HOME) rents and income limits by the U.S. Department of Housing and Urban Development (HUD), which typically occurs between March and May. Monitoring will occur at two levels:

- Annually, a desk audit will be performed wherein the owner/property manager will submit information certifying household sizes, household incomes and rents for all HOME-restricted units; and
- Periodically, an on-site visit will be conducted, which will include a property inspection and an in-depth review of all the HOME and federal cross-cutting requirements, e.g., affirmative marketing and tenant selection procedures,

On-site monitoring will occur whenever developments are inspected to ensure compliance with the City's property standards. While the City has the prerogative to monitor on-site more frequently, especially if a project is at risk because of outstanding findings or insufficient capacity, inspections and site visits will typically occur in accordance with the HOME Final Rule at 24 CFR 92.504(d):

Total No. of Units	Minimum Schedule
1 – 4 units	every 3 years
5 – 25 units	every 2 years
26+ units	annually

The following steps are to be taken when conducting a **desk audit**:

1. A monitoring letter (*Exhibit 1: Annual Monitoring Letter*) will be sent to the Owner/Property Manager transmitting the project's Annual Compliance Report and certification and recertification forms along with the new HOME rents, income limits, Garden Grove Housing Authority utility allowance schedule and a form for calculating HOME rents.
2. The Owner/Property Manager is to submit the new rent schedule and the completed Annual Compliance Report (*Exhibit 2: Project Compliance Report*) accompanied by income certification or recertification forms (*Exhibit 3: Tenant Income Certification/Recertification Form*) for each household occupying a HOME-designated unit.
3. A *Monitoring Summary* letter will be provided to the Owner/Property Manager that serves as the formal notification of the results of the monitoring. All negative conclusions will be considered a finding or concern with a specific required corrective action. A copy is retained in the Project monitoring file.
 - A "finding" is a deficiency in project performance evidencing an unmet statutory or regulatory requirement.
 - A "concern" relates to project performance requiring improvement before becoming a finding.
4. The Owner/Property Manager is to provide a written response within 30 days of the date of the Monitoring Summary letter.

5. Upon completion of all corrective actions, a letter is sent to the Owner/Property Manager stating that the monitoring findings and concerns have been closed. A copy is retained in the Project monitoring file.

The following steps are to be taken when monitoring ***on-site***:

1. A pre-monitoring letter (*Exhibit 1.1: Monitoring Letter-Site Visitation*) will be sent to the Owner and property manager at least two weeks in advance of the monitoring visit. The letter will detail the salient terms of the Project's Regulatory Agreement that will be the source of monitoring and provide the Owner/Property Manager with the new HOME rents, income limits, Garden Grove Housing Authority utility allowance schedule and a form for calculating HOME rents.
2. Upon arrival, an entrance interview will be conducted to make sure that the owner and/or manager thoroughly understand the purpose, scope and schedule for the monitoring.
3. A detailed record will be prepared of information reviewed and conversations held with the Owner/Property Manager during the monitoring visit, using a checklist (*Exhibit 4: File Checklist*) and questionnaire (*Exhibit 4.1: Monitoring Questionnaire*) of HOME Program requirements. The information gathered will serve as a basis for conclusions to be included in the Monitoring Summary letter and follow-up.
4. After the monitoring visit, a *Monitoring Summary letter* will be forwarded to the Owner/ Property Manager that serves as the formal notification of the results of the monitoring. All negative conclusions will be considered a finding or concern with a specific required corrective action. If relevant, the letter may stipulate steps initiated by the Owner/Property Manager to correct areas of noncompliance or nonperformance. A copy will be retained in the Project monitoring file.
 - A "finding" is a deficiency in project performance evidencing an unmet statutory or regulatory requirement.
 - A "concern" relates to project performance requiring improvement before becoming a finding.

5. The Owner/Property Manager is to provide a written response within 30 days of the date of the Monitoring Summary letter.
6. Upon completion of all corrective actions, a letter is sent to the Owner/Property Manager stating that the monitoring findings and concerns have been closed. A copy is retained in the Project monitoring file.

Monitoring files

The City's monitoring files will contain the following documents per project per year:

1. Copies of monitoring checklists and forms;
2. Copy of the Regulatory Agreement and Promissory Note;
3. Copy of monitoring letters to the Owner/Property Manager (Summary letter and Clearance letter);
4. Copies of the project's Management Plan;
5. Copy of rent roll information submitted by the Owner/Property Manager;
6. Copy of the project's residential lease;
7. Utility Allowance schedules;
8. If applicable, reports to confirm the owner's compliance with lead-based paint requirements;
9. Reports of property and unit inspections;
10. Project Compliance Reports submitted by the Owner/Property Manager;
11. Copy of tenant certification /recertification forms
12. Confirmation of insurance coverage submitted by the property owner or management agent;
13. Confirmation of affirmative marketing compliance for projects with 5 or more HOME-assisted units;
14. Current claim for property tax exemption*;
15. Independent Copy of Residual Receipts Report; and
16. Audit*.

**Required for a Community Housing Development Organization (CHDO) only.*

On-Site Monitoring

The City will conduct periodic on-site reviews of each HOME-assisted rental project to verify the following:

1. Continued *income* eligibility

- The City will ascertain if the owner is correctly calculating income using the 24 CFR Part 5 definition, inclusive of asset calculations and use of appropriate verification forms, and if households are low-income or very low-income.
- The City will also review tenant files to determine if the Owner/Property Manager annually re-certifies the income of each household occupying a HOME-assisted unit, and that the tenancy still meets the HOME income requirements. Though not a HOME requirement, the recertification should commence 120 days before the anniversary date and should be completed by the tenant's recertification anniversary date.

2. Continued *occupancy* eligibility

- For projects with five or more HOME-assisted units, a minimum of 20% of HOME-assisted units must continue to be occupied by very low-income households paying low HOME rents for the term of affordability, in accordance with the income limits published annually by HUD.

3. HOME *Rents*

- Maximum monthly rents of HOME-assisted units may not exceed Low HOME and High HOME rent limits as published annually by HUD. HOME rents include a tenant utility allowance generally provided by the local housing authority.
- When tenants receive additional subsidy through tenant-based rental assistance programs such as Section 8, additional requirements apply. Under the HOME Program, the total gross rent (for tenants receiving Section 8 assistance) includes the tenant's share of rent, the subsidy payment, *and the utility allowance*. The total of these three amounts can not exceed the allowable HOME rent. Any issues of non-compliance must be corrected by the Owner/ Property Manager by reducing the gross rent (tenant share, subsidy, and utility allowance) to the allowable HOME rent effective the next interim or annual recertification.

- Very low-income residents receiving *project-based* rental subsidies are subject to rents allowable under the federal or State project-based rental subsidy program, not the HOME rent limits.

4 Rents for *over-income tenants*

- Over-income tenants (those with incomes over 80% of the area median) in HOME-assisted *fixed* units must pay the lesser of the amount payable by the tenant under State or local law (rent control) or 30% of the household's adjusted income for rent. There is no rent cap for "fixed" units.
- Over-income tenants in HOME-assisted *floating* units must pay 30% of their adjusted income for rent. However, the rent may not exceed the market rent for comparable, unassisted units in the neighborhood.

5. Property Standards

- The Final Rule allows for inspection, using Housing Quality Standards at 24 CFR 982.201, of a sufficient sample of HOME-assisted units in a multi-family development, rather than inspection of each and every HOME-assisted unit in the development. The City will inspect 15 to 20 percent of the HOME-assisted units in a project including a minimum of one unit in every building. If consistent compliance problems are found, more units should be inspected.
- Housing Quality Standards at 24 CFR 982.201 will be the code used to inspect rental units. A separate inspection checklist will be completed for each HOME-assisted unit (Exhibit 5: HQS Inspection form).

6. Affirmative Marketing

- Owners/Property Managers of Developments with five or more HOME-Assisted Units are required to maintain an Affirmative Marketing Plan (Exhibit 6: Affirmative Marketing/Fair Housing Marketing Report and Exhibit 6.1: Race and Ethnic Data Reporting Form) and to implement the following affirmative marketing procedures in marketing the development:

- Advertisements placed in newspapers with the broadest possible circulation, including foreign language newspapers in areas with a high percentage of non-English speaking residents.
- Place the Fair Housing logo on all advertisements and marketing materials.
- Prominently display Fair Housing posters at rental offices.

7. Tenant Protection Provisions

a. Project Lease

The HOME Final Rule 24 CFR 92.253 (a) states that the “Lease between a tenant and an owner of rental housing assisted with HOME funds must be for not less than one year, unless by mutual agreement between the tenant and owner.”

- The City will verify that the sample lease does not include any of the following lease provisions (Exhibit 7: Illegal Lease Provisions) are prohibited under the HOME Final Rule at 24 CFR 92.253(b):
 - Agreement by tenant to be sued, to admit guilt, or to a judgment in favor of the owner in a lawsuit in connection with the lease.*
 - Agreement by tenant that owner may take, hold or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties. This prohibition, however, does not apply to an agreement by the tenant concerning disposition of personal property remaining in the housing unit after the tenant has moved out of the unit. The owner must dispose of this personal property in accordance with State law.*
 - Agreement by tenant not to hold the owner or the owner’s agents legally responsible for any action or failure to act, whether intentional or negligent*
 - Agreement of the tenant that the owner may institute a lawsuit without notice to tenant.*
 - Agreement by tenant that the owner may evict tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties.*
 - Agreement by tenant to waive any right to a trial by jury.*
 - Agreement by tenant to waive tenant’s right to appeal, or to otherwise challenge in court, a court decision in connection with the lease.*
 - Agreement by tenant to pay attorney’s fees or other legal costs even if the tenant wins in a court proceeding by the*

owner against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses.

b. Tenant Selection;

Under 24 CFR 92.253 (d), an owner of rental housing assisted with HOME funds must adopt written tenant selection policies and criteria that:

- Are consistent with the purpose of providing housing for very low-income and low-income families;
- Are reasonably related to program eligibility and the applicants' ability to perform the obligations of the lease;
- Provide for the selection of tenants from a written waiting list in the chronological order of their application, insofar as is practicable;
- Give prompt written notification to any rejected applicant of the grounds for any rejection.

The City will review the Owner's tenant selection plan to ensure that tenants are selected for occupancy in accordance with HOME regulations and established management policies. The selection plan should include:

- Citizenship/immigration status requirements. The owner should describe how citizenship/immigration requirements are implemented. Currently, there are no HOME restrictions on the use of assisted housing by non-citizens.
- Social Security number requirements. Requirements for providing SSNs, allowing extended time to provide proof of SSNs and procedures used when an individual has no SSN, must be described.
- Procedures for taking applications and selecting from the waiting list, such as the following:
 - Selection of tenants must be based on order of application.
 - The plan must include policies for notification to tenant applicants of eligibility for residency, and based on turnover history for units in the development, the approximate date when a unit may be available.

- The plan description must include maintenance of a waiting list of applicant households eligible to occupy assisted units and units designated for various income levels, and the methods of advertising used to announce opening and closing of the waiting list.
- The plan must define each preference adopted for use in the property and any rating, ranking, or combining of the preferences the owner has established that will affect the order in which applicants are selected from the waiting list. The plan should also describe the acceptable sources of information to verify the qualification for preferences.
- The plan must describe the procedures used by the owner to meet the income targeting requirements.
- Policy for opening, closing and maintaining the waiting list.

SUBJECT: MONITORING OF [**Project name**]

Dear -----:

As you may know, development of the [**Project name**] included the use of federal HOME Investment Partnerships Act (HOME) funds from the City of Garden Grove. As a consequence, the City is required to annually monitor the project and, as part of the City Monitoring Plan, to periodically conduct a site inspection and review project documents. This letter serves to notify you that the City has scheduled a monitoring visit of the [**Project name**] on --, --- 200- at --- a.m. at the office of the on-site property manager and to memorialize the information you are to provide to City representatives. Michael Salazar will hold an entrance interview on ---- with you and any representative(s) designated by the owner.

Mr. Salazar will then review project documents and tenant files to ascertain whether the project remains in compliance with HOME requirements, e.g., rents, tenant income eligibility, occupancy eligibility, property standards, affirmative marketing and fair housing and lease terms. Accompanying Mr. Salazar will be Gil Jelkin, who will need access to inspect the --- HOME-designated units to determine that the units comply with federal Housing Quality Standards (HQS), local and state codes.

The following information should be available at the time of monitoring:

- Your key staff to assist during the monitoring and the unit inspections;
- Copy of the Regulatory Agreement;
- Copy of monitoring letters (both initial summary letter and subsequent clearance letter);
- Tenant files of tenants occupying HOME units with documentation evidencing income/asset certification compliance by the property owner or management agent;
- Copies of the project's Management Plan and Management Agreement, including tenant selection procedures and the project waiting list;
- Copy of rent roll information submitted by the owner or management agent;
- Copy of the project's residential lease;
- Utility Allowance schedules;

- Reports of past property and unit inspections conducted by the City;
- Project Compliance Reports submitted by the property owner or management agent;
- Confirmation of insurance coverage submitted by the property owner or management agent; and
- Affirmative marketing plan and fair housing procedures.

Attached is the Project Compliance Report that Mr. Salazar will review with you, as well as a copy of the same Report that was submitted on -----.

Following this meeting, the City will then transmit the preliminary results of the monitoring visit, which provides you with an opportunity to correct any misunderstandings, provide additional information that may be needed and set forth the actions being undertaken to correct areas of noncompliance. Within 30 days of the --- monitoring visit, the City will notify you in writing of the results of the monitoring and set forth any findings or concerns and the timeframe for a written response and corrective action.

Please direct your questions or comments to Michael Salazar at (714) 741-5144 or via e-mail at msalazar@garden-grove.org.
