1. Introduction

The Consolidated Plan/Annual Action Plan

The City of Garden Grove 2020-2025 Consolidated Plan is a planning document that identifies and develops a strategy to address critical housing and community development needs that can be addressed through federal funding sources including Community Development Block Grants, HOME Investment Partnership Act funds, and Emergency Solutions Grants.

To implement the Consolidated Plan and address the adopted priorities, the City annually prepares an Action Plan to more specifically identify financial resources, priority programs and goals, as well as objectives for the fiscal year.

The Consolidated Plan and Action Plan were prepared using the eCon Planning Suite system developed by the U.S. Department of Housing and Urban Development (HUD). The system prescribes the structure and contents of this document, following HUD's Consolidated Planning regulations

This Action Plan covers the period beginning July 1, 2022 through June 30, 2023 and focuses on the use of the three federal funding resources (CDBG, HOME, and ESG) as described below.

Community Development Block Grants (CDBG): The primary objective of this program is to develop viable urban communities by providing decent housing, a suitable living environment, and economic opportunities, principally for persons of lower income. CDBG funds are relatively flexible and can be used for a wide range of activities, including housing rehabilitation, homeownership assistance, lead-based paint detection and removal, acquisition of land and buildings, construction or rehabilitation of public facilities (including infrastructure), removal of architectural barriers to housing needs, public services, rehabilitation of commercial or industrial buildings, and loans or grants to businesses. The City of Garden Grove's estimated annual entitlement of CDBG funds is **\$2,030,654**.

HOME Investment Partnership Act (HOME): The HOME program provides federal funds for the development and rehabilitation of affordable rental and ownership housing for low- and moderate-income households. The program gives local governments the flexibility to fund a wide range of affordable housing activities through housing partnerships with private industry and non-profit organizations. HOME funds can be used for activities that promote affordable rental housing and homeownership by low- and moderate-income households, including building acquisition, new construction and reconstruction, moderate or substantial rehabilitation, homebuyer assistance, and tenant-based rental assistance. The City of Garden Grove's estimated annual entitlement of HOME funds is **\$838,015**.

Emergency Solutions Grant (ESG): The ESG program provides homeless persons with basic shelter and essential supportive services, including rehabilitating or remodeling a building producing new shelter beds, operations and maintenance of a homeless facility, essential supportive services, and homeless prevention. The City of Garden Grove’s estimated annual allocation of ESG funds is **\$173,143**.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

This Consolidated Plan has established the following objectives over the life of the Plan (Program Years 2020-2025):

- Expand the City's affordable housing inventory by **5** units through new construction of affordable units for lower income households and **10** units through acquisition/rehabilitation of affordable units for lower income households;
- Provide rehabilitation assistance to **200** single-family homes;
- Provide rental assistance to **134** very low- and extremely low-income households through the TBRA program;
- Assist **1,580** persons/households with homelessness-related issues;
- Assist **3,500** persons through the provision of community services;
- Create or retain approximately **20** jobs; and
- Improve low-income neighborhoods through infrastructure and public improvement projects.

3. Evaluation of past performance

The City of Garden Grove continually strives to improve its performance, as well as the performance of its funded agencies.

During FY 2021-22, the City estimates expending a total of **\$7,260,000** in HUD grant funds to meet the goals and objectives outlined in the 2020-2025 Consolidated Plan. The approximate expended amounts by grant are as follows:

- **\$4,200,000** in CDBG funds on administration, public services, capital projects, homeowner rehabilitation, and business assistance activities;
- **\$1,850,000** in HOME funds on administration and the development of affordable housing; and

- **\$1,210,000** in ESG funds on administration and homeless service activities.

CDBG, HOME and ESG funds were targeted in four primary areas:

1. Development of decent and affordable housing;
2. Provision of community and supportive services;
3. Improvement of public facilities and infrastructure; and
4. Expansion of economic opportunities and anti-poverty activities.

The performance of programs and systems are evaluated on a regular basis through Consolidated Annual Performance and Evaluation Reports (CAPERs). A more detailed summary of the City's evaluation of past performance in previous Consolidated Annual Performance and Evaluation Reports (CAPERs) can be viewed on the City's website at <https://ggcity.org/neighborhood-improvement/reports>

4. Summary of Citizen Participation Process and consultation process

During its development, the Action Plan will be discussed in a publicly noticed NICC meeting where opportunity for public comment is provided. The draft plan will be made available for public review between **February 18, 2022 and March 22, 2022** on the City's website. Public hearings were held before the NICC on **March 7, 2022** and the City Council on **March 22, 2022** to solicit public comments on the Draft 2022-23 Action Plan. All meeting locations were accessible to persons with disabilities. The public review period and public meetings/hearings for the Draft 2022-23 Action Plan were published in the Orange County News (English), Viet Bao (Vietnamese) and La Opinion (Spanish) on **Friday, February 18, 2022**.

Program Descriptions

The Community Development Block Grant (CDBG) program was initiated by the Housing and Community Development Act (HCDA) of 1974. The primary objective of the program is to develop viable urban communities by providing decent housing, a suitable living environment, and economic opportunities, principally for persons of low and moderate income. Regulations governing the CDBG program also require that each activity undertaken with CDBG funds meet one of the following three broad national objectives:

- Benefit low- and moderate-income persons;
- Aid in the prevention or elimination of slums and blight; and
- Meet other community development needs having a particular urgency.

The HOME Investment Partnership (HOME) program was created by the 1990 National Affordable Housing Act. The HOME program provides federal funds for the development and rehabilitation of affordable rental and ownership housing for low- and moderate-income households, replacing a series of programs previously funded by HUD. The program gives the grantee flexibility to fund a wide range of affordable housing activities through housing partnerships with private industry and non-profit organizations.

The Emergency Solutions Grant (ESG) program provides homeless persons with basic shelter and essential supportive services. ESG funds can be used for a variety of activities, including rehabilitation or remodeling of a building to add new shelter beds, operations and maintenance of a homeless facility, essential supportive services, and homeless prevention.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

As part of the Consolidated Plan development, the City undertook a comprehensive outreach program to solicit input from residents and beneficiaries of entitlement programs, and to consult with elected officials, City departments, and various organizations, agencies, and service providers to inform and develop the priorities and strategies contained in the Garden Grove 2020-2025 Consolidated Plan. The City has continued to keep these lines of communications open during the preparation of the FY 2022-23 Action Plan.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

There has been input by residents, service providers, non-profit organizations, religious institutions, other city departments, and other agencies through a community survey and public hearings. These views are incorporated into the Garden Grove 2020-2025 Consolidated Plan and its programs. A total of 159 stakeholders, including: public and assisted housing providers and developers; private and governmental agencies; and health, mental health and service agencies were directly contacted and invited to participate in the planning process for Garden Grove.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The County of Orange Department of Housing and Community Services (HCS) coordinates the County Continuum of Care in response to the ongoing homeless needs in the region. A collaborative approach to addressing homelessness in Garden Grove dubbed United to End Homelessness was established in May 2019 uniting the five major sectors of the population: residents, businesses, non-profit organizations, faith-based groups and philanthropic organizations. The City of Garden Grove also participates in the Point in Time Survey that assesses the level of homelessness and an inventory of available local community resources to address homelessness in the county. The Neighborhood Improvement and Conservation Commission is an advisory body to the City Council that promotes citizen awareness, involvement, and support for neighborhood improvement and preservation for the community.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Garden Grove is one of five jurisdictions that receive ESG funds directly within the County of Orange. To this end, the city contributes to the countywide CoC providing funding to:

1. Engage homeless individuals and families living on the street;
2. Improve the number and quality of emergency shelters for homeless individuals and families;
3. Help operate these shelters;
4. Provide essential services to shelter residents;
5. Rapidly re-house homeless individuals and families; and
6. Prevent families/individuals from becoming homeless.

The City allocates the resources to sub-recipients to rehabilitate and operate emergency and transitional shelters, provide essential social services, and prevent homelessness.

The City actively participates in the Orange County CoC by attending meetings to discuss how to establish performance measures that benefit the broader goals of the region. Garden Grove provides data for CoC surveys and relies heavily upon the CoC's research and discussions to identify and address critical gaps in local care for the homeless. In doing so, the City is able to meet homeless needs in the community through assistance to providers and programs that offer emergency/transitional housing or homeless prevention services.

The Orange County CoC is the Homeless Management and Information System (HMIS) lead agency, also referred to as Orange County HMIS. This organization administers the HMIS for the region and sets a uniform standard for all homeless and at-risk service providers and agencies to submit client-level and demographic data for HUD reporting and local homeless strategies. All ESG-funded organizations enter information to the Orange County HMIS system.

During the past five years, the level of program income received varied from \$30,000 in one year to over \$90,000 in another. Program income received from of will re-programmed for similar loan activities in the same or similar programs from which the funds were originally provided.

Permanent Local Housing Allocation Program

In 2019, the City was awarded an annual allocation of Permanent Local Housing Allocation Program funds. The Permanent Local Housing Allocation Program is part of a 15-bill housing package aimed at addressing California’s housing shortage and high housing costs. The first year of the grant is designed to assist jurisdictions with planning and administration activities, including: updating the Housing Element, creating objective development standards, creating objective development standards for supportive housing, updating the City’s density bonus ordinance, creating development standards for hotel and motel conversions, updating the multi-family residential ordinance to allow by-right permanent supportive housing, and providing funding for the University of California, Irvine Housing Study.

Eligible program activities after the first year include predevelopment, development, acquisition, rehabilitation, and preservation of multifamily, residential live-work, and rental housing that is affordable to extremely low-, very low-, low-, or moderate-income households; affordable rental and ownership housing that assists households earning up to 120% AMI, or 150% AMI in high-cost areas; matching portions of funds placed into local or regional housing trust funds; matching portions of funds available through the Low- and Moderate-Income Housing Asset Fund; capitalized reserves for services connected to the preservation and creation of new permanent supportive housing; assisting persons who are experiencing or at risk of homelessness; accessibility modifications; efforts to acquire and rehabilitate foreclosed or vacant homes and apartments; homeownership opportunities; and matching funds invested by a county in an affordable housing development project.

Low-Moderate Income Housing Trust Fund

The City anticipates receiving approximately \$13M into the LMIHAF over the 5-year Consolidated Plan period. Per State regulations, up to \$250,000 per year may be expended to provide programs and services to homeless Garden Grove households. During FY 2021-2022, the City utilized \$50,000 in LMIHAF monies to subsidize the services portion of a rental assistance program for homeless households as a part of the Homeless Emergency Assistance Rental Transition (HEART) Program. The City expects to extend this program throughout the 5-year Consolidated Planning period to reduce homelessness within the jurisdiction. Remaining LMIHAF monies will be expended to produce affordable housing for low-income residents throughout the City.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The Successor Agency owns an 8-unit apartment complex located at 12602 Keel Street in Garden Grove. This location is currently being leased to the Orange County Community Housing Corporation (OCCHC) who offers the units to very-low-income families at an affordable rent. During FY 2022-23, the City will continue to monitor this project for compliance with rent/income limits to ensure Garden Grove residents have access to quality affordable housing.

Introduction

The Fiscal Year (FY) 2022-23 Action Plan implements the third year of the 2020–2025 Consolidated Plan and addresses HUD consolidated planning requirements for the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grant (ESG) programs for the City of Garden Grove. This plan outlines the action steps that Garden Grove will use to address housing and community development needs in the City. The plan also includes a listing of activities that the City will undertake during FY 2022-23 (July 1, 2022 through June 30, 2023) that utilize CDBG, HOME and ESG funds.

The City makes its funding allocation decisions in part based on proposals received as part of the annual RFP process. Through this process, funds are awarded to eligible activities that support the goals and address the priority needs described in the Strategic Plan. While CDBG, HOME, and ESG funding allocations for FY 2022-23 will not address all of the community's priority needs, allocations are focused toward specific projects addressing high community priorities and producing tangible community benefits.

Prior Year Funds Description

JOBS 1st Program - During FY 2021-22, the City funded the JOBS 1st (formerly Small Business Assistance Program) with \$805,000 in CDBG funds to provide financial assistance to businesses in exchange for creating or retaining low-income employees. The City plans to carry over any funding left over at the end of the fiscal year to support additional businesses through the Jos 1st Program.

Home Repair Program - During FY 2021-22, the City funded the Home Repair Program with \$246,480 in CDBG funds to assist 40 low-income residents with home repairs. The City plans to carry over any funding left over at the end of the fiscal year to support additional homeowners through the Home Repair Program.

Permanent Supportive Housing - During FY 2021-22, the City began funding the development of a Permanent Supportive Housing project utilizing approximately \$1.5M in prior year resources. The City plans to carry over any funding left over at the end of the fiscal year to complete the project.

Josephine/Acacia Storm Drain Improvements - During FY 2021-22, the City began funding the Josephine/Acacia Storm Drain Improvements project utilizing approximately \$1.25M in prior year resources. The City plans to carry over any funding left over at the end of the fiscal year to complete the project.

Community Center Bridge Rehabilitation - During FY 2021-22, the City began funding the Community Center Bridge Rehabilitation project utilizing approximately \$50,000 in prior year resources. The City plans to carry over any funding left over at the end of the fiscal year to complete the project.

Valley View Senior Villas - During FY 20-21, the City offered rental assistance to 17 senior citizens at-risk of becoming homeless due to the expiring affordability covenants of the Valley View Senior Villas affordable housing project. Rental assistance for this vulnerable population will continue until the 2-year assistance ends in September 2022.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The major obstacle to addressing the underserved needs in the community is the lack of adequate funding, especially for affordable housing activities. With the dissolution of redevelopment in California and reduced state and federal funding levels, the City's ability to address the extensive needs in the community is seriously compromised.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City has not established specific target areas to focus the investment of CDBG funds. Appendix B contains a map of block groups illustrating the lower-income areas in the City (defined as a block group where at least 51% of the population have incomes not exceeding 80% of the AMI). Investments in housing and community development services serving special needs populations and primarily lower-income persons will be made throughout the City. Housing assistance will be available to income-qualified households citywide.

Geographic Distribution

Target Area	Percentage of Funds
Citywide	35

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The majority of the city of Garden Grove qualifies as a low- and moderate-income area. Therefore, given the extensive needs in the community, the City has not targeted any specific neighborhood for investment of CDBG and HOME funds. Instead, projects are evaluated on a case-by-case basis, while considering emergency needs, cost effectiveness, feasibility, and availability of other funding to address the specific needs.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

Homeless prevention services are identified as a high priority need in the 2020-2025 Consolidated Plan. The City plans to address the needs of homeless individuals and those at risk of homelessness through allocation of ESG funds to support local efforts that prevent and address homelessness. The City of Garden Grove also administers the Homeless Emergency Assistance Rental Transition (HEART) Program, which forms part of the Comprehensive Four-Point Approach to End Homelessness. Through HEART, a portion of a household's rent (including security and utility deposits) is paid while offering services to achieve self-sufficiency. The program aims to assist 10 households over a 12-month period. The City will also continue to participate in the Orange County Continuum of Care System for the Homeless.

During Fiscal Year 2022-23, the City of Garden Grove will provide Tenant Based Rental Assistance to 17 seniors at-risk of becoming homeless due to the expiration of affordability covenants at the Valley View Senior Villas affordable housing project. The rental assistance will be used to keep the residents in their housing units until permanent, affordable housing accommodations can be secured.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Garden Grove participates in the Orange County Continuum of Care (CoC) system. For the past several years, leadership and coordination of Orange County's Continuum of Care planning process have been the shared responsibility of OC Partnership, 211 Orange County, and the OC Community Services. This public/nonprofit partnership helps ensure comprehensive and regional coordination of efforts and resources to reduce the number of homeless individuals and persons at risk of homelessness throughout Orange County. This group serves as the regional convener of the year-round CoC planning process and works as a catalyst for the involvement of the public and private agencies that make up the regional homeless system of care. The Orange County Continuum of Care system consists of 6 basic components:

1. Advocacy on behalf of those who are homeless or at-risk of becoming homeless;
2. A system of outreach, assessment, and prevention for determining the needs and conditions of an individual or family who is homeless;
3. Emergency shelters with appropriate supportive services to help ensure that homeless individuals and families receive adequate shelter and referrals;
4. Transitional housing to assist homeless individuals and families who are not prepared to make the transition to permanent housing and independent living;
5. Permanent housing or permanent supportive housing to help meet the long-term needs of homeless individuals and families; and

6. Reducing chronic homelessness in Orange County and addressing the needs of homeless families and individuals using motels to meet their housing needs.

During FY 2022-23, the City plans to fund street outreach services to reach out to unsheltered homeless people; connect them with emergency shelter, housing or critical services; and provide urgent non-facility-based care to unsheltered homeless people who are unwilling or unable to access emergency shelter, housing or an appropriate health facility.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City actively participates in the Orange County CoC by attending meetings to discuss how to establish performance measures that benefit the broader goals of the region. Consistent with the objectives of the countywide CoC, the City's Neighborhood Improvement Division has developed several strategies to address homelessness. Some of the tasks recently undertaken by the City include:

1. Point in Time Survey conducted by the County of Orange and City Net;
2. Development of a brochure for homeless persons that includes an inventory of local community resources; and
3. Collaborating with ESG entitlement jurisdictions within the County of Orange to discuss issues, concerns, and best practices for meeting the needs of the homeless population.

In addition, the City addresses the emergency and transitional housing needs of homeless persons through allocation of its ESG funds. Garden Grove will provide funding to Interval House, which provides domestic violence shelter and support services to victims of domestic violence. In addition, City Net, the City's street outreach service provider will connect homeless individuals and families to local shelters and service providers.

The City mobilizes its Section 8 Housing Choice Voucher Program, to the extent possible, to address the needs of homeless individuals and families. The Housing Authority gives homeless families referred by social service and emergency/transitional shelter programs preference for Section 8 vouchers to assist in transitioning to stable and permanent housing.

The City plans to fund Interval House to provide short to medium term rental assistance for up to 24 months, including up to six months of rental arrears, to homeless individuals and families. Homeless individuals and families will be located in permanent housing while they are given services to increase their income. In addition, Interval House will provide housing relocation, stabilization, case management, legal services for housing needs, and credit repair assistance. All services are designed to seamlessly transition clients into suitable and stable permanent housing.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Interval House advocates are specialized in assisting clients with housing search and placement through established operational agreements with over 40 landlords. Clients may be immediately housed in local CoC shelters or access emergency homeless assistance through social services during housing search. All ineligible applicants are offered resources through 2-1-1 County.

As part of the efforts to provide housing for the homeless and those at risk of homelessness, the City of Garden Grove will award ESG funds to service providers who provide rental assistance through the HEART Program. Interval House administers the program and are aiming to assist 10 households over a 12-month period through providing a portion of a household's rent (including security and utility deposits) while offering services to achieve self-sufficiency.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The City works diligently to expand and conserve the affordable housing inventory, especially affordable rental housing that benefits the extremely low- and very low-income households who are most at risk of becoming homeless. Lower-income households referred to the Housing Authority by local transitional housing and emergency shelters are given priority for the Section 8 program. The City will allocate ESG funds to Mercy House to provide homeless prevention services in the form of short to medium term rental assistance for up to 24 months, including up to 6 months of arrears, to individuals and families at imminent risk of homelessness. The housing assistance provided will be located in permanent housing. In addition, funds for homeless prevention will also provide financial assistance such as rental application fees, security deposits and/or services such as case management, housing search and placement, and legal services.

Mercy House will engage persons in need of homeless prevention through referrals from 2-1-1 Orange County and will participate in the Orange County Homeless Provider Forum. To ensure that the most vulnerable are served, eligible households will be those at imminent risk of homelessness, who fall at or below 30% AMI, and have been served a notice of eviction. Mercy House will work with households to

increase income, find employment, and set a household budget that will prepare them for long-term stability and to prevent recidivism and homelessness.

There will also be continued rental assistance for persons experiencing homelessness and those at risk of being homeless through the Homeless Emergency Assistance Rental Transition (HEART) Program that Interval House administers. The HEART Program is part of Garden Grove's Comprehensive Four-Point Approach to End Homelessness, which provides rental assistance for persons who are homeless, and those at risk of homelessness. In addition, while receiving services, case managers from Interval House will meet with the household receiving assistance regularly to encourage accomplishments of goals, money savings, and debt payoffs.

During Fiscal Year 2022-23, the City of Garden Grove will provide Tenant Based Rental Assistance to 17 seniors at-risk of becoming homeless due to the expiration of affordability covenants at the Valley View Senior Villas affordable housing project. The rental assistance will be used to keep the residents in their housing units until permanent, affordable housing accommodations can be secured.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

Development Fees - The fees the City Charges to process and review plans for residential developments may increase the cost of building affordable housing in the jurisdiction. This may, in turn, affect rents, which may become fair market rents.

Development Review and Permit Processing - The review process for building permits can be a constraint to housing development if they place an undue burden on the developer. The longer housing projects take to be built or rehabilitated, the higher the development or rehabilitation cost may become. This could also affect the affordable housing stock due to conversion to market rents.

Environmental Review Process - Environmental factors such as the presence of sensitive biological resources and habitats or geological hazards can constrain residential development in a community by increasing costs and reducing the amount of land suitable for housing construction

Legislative Barriers - AB 1482 legislation was voted into law to prevent arbitrary rental increases on lower-income households. However, due to the 85-day waiting period before the law came into effect on the 1st of January 2020, many tenants were given eviction notices so that their homes could be converted to market rents.

Financing - Economic conditions and national policies determine interest rates for borrowing money for residential developments as well as mortgage rates. This affects the ability to purchase or rehabilitate housing due to increased costs.

Infrastructure Constraints - Public facilities, particularly drainage and sewage, need to be updated and expanded constantly to accommodate the growing number of housing units. Deficiency in sewer capacity, as well as land designations for this essential infrastructure, reduces land that is available for housing development.

Environmental Constraints - The city of Garden Grove is located in a region with a seismic activity that may hinder the development of housing within certain areas. However, it is not located within an Alquist-Priolo Special Study Zone that would affect housing production. The Alquist-Priolo Earthquake Fault Zoning Act of 1972 prevents the construction of buildings used for human occupancy on the surface trace of active faults. The Act prohibits new construction of houses in California within these zones unless a comprehensive geologic investigation shows that the fault does not pose a hazard to the proposed structure.

The city of Garden Grove is within a flood zone, according to The Federal Emergency Management Agency (FEMA) maps. According to FEMA, the term "100-year flood" refers to the flood elevation level that has a 1% chance of being equaled or exceeded each year. There is a need for additional investment in flood

prevention when developing residential units.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Market and governmental factors pose barriers to the provision of adequate and affordable housing. These factors tend to disproportionately impact lower- and moderate-income households due to their limited resources for absorbing the costs. Garden Grove works to remove barriers to affordable housing by implementing a Housing Element that is consistent with California law and taking actions to reduce costs or provide offsetting financial incentives to assist in the production of safe, high-quality, affordable housing. The City is committed to removing governmental constraints that hinder the production of housing and offers a “one-stop” streamlined permitting process to facilitate efficient entitlement and building permit processing.

The City of Garden Grove has instituted additional actions aimed at reducing the impact of the public sector role in housing costs. City efforts to remove barriers to affordable housing include:

1. Periodical analysis and revision of the zoning code aimed at developing flexible zoning provisions in support of providing an adequate supply of desirable housing, such as mixed-use zoning standards and updates to the Housing Element;
2. Provision of affordable housing projects through acquisition and rehabilitation activities, and new construction of affordable housing units;
3. Establishing a streamlined service counter to reduce the processing time;
4. Density bonuses for affordable projects; and
5. Continued assessment of existing policies, procedures, and fees to minimize unnecessary delays and expenses to housing projects.

Also, the City will use its Analysis of Impediments to Fair Housing Choice (AI) report in coordination with other local jurisdictions. The AI has identified any potential impediments to fair housing and has established a Fair Housing Action Plan to outline steps to overcome any identified impediments.

AP-85 Other Actions – 91.220(k)

Introduction:

This section discusses the City's efforts in addressing underserved needs, expanding and preserving affordable housing, reducing lead-based paint hazards, and developing institutional structure for delivering housing and community development activities.

Actions planned to address obstacles to meeting underserved needs

The major obstacle to addressing underserved needs is the lack of adequate funding, especially for affordable housing activities. With reduced state and federal funding levels, the City's ability to address the extensive needs in the community is seriously compromised. The City will strive to leverage available funds to overcome obstacles in meeting underserved needs. The City continues to use its 2014-2021 Housing Element, which includes a commitment to pursue state, federal, and other funding opportunities to increase the supply of safe, decent, affordable housing in Garden Grove for lower-income households (including extremely low-income households), which includes: senior citizens, disabled, homeless, and those at risk of homelessness.

Actions planned to foster and maintain affordable housing

Garden Grove has several programs in place to increase and preserve the supply of affordable housing for lower-income households. One of these programs produces affordable housing through the acquisition and rehabilitation of existing housing units, as well as the construction of new units. In the past, the City has partnered with nonprofit organizations and housing developers to accomplish this goal. Increased sustainability of existing single-family housing is accomplished through the provision of grants to low-income residents and senior repairs homes.

Actions planned to reduce lead-based paint hazards

The City has an aggressive policy to identify and address lead-based paint hazards in HUD-funded housing rehabilitation projects. A licensed professional for detecting the presence of lead-based paint first inspects all housing units rehabilitated with federal funds. The City ensures lead-safe work practices are used to perform all rehabilitation where lead-based paint is identified. All homes identified as containing lead paint are tested post-rehabilitation to ensure the hazard has been mitigated.

Actions planned to reduce the number of poverty-level families

Garden Grove continues to look for ways to expand economic activities to include all people, including those at or below the poverty line. In the past, the City has focused on the creation of jobs for low- and moderate-income persons through economic development in the Harbor Boulevard area. In recent years, the Jobs 1st Program was implemented as a resource for businesses to create or retain jobs. The Jobs 1st

Program offers financial assistance to for-profit businesses in exchange for them to hire or retain at least one low-income full-time employee.

In addition, other essential elements of the City's anti-poverty strategy include:

1. Section 8 Housing Choice Voucher Program;
2. Housing Choice Voucher Family Self Sufficiency Program;
3. Economic development programs;
4. Workforce Investment Board outreach and training programs;
5. Anti-crime programs;
6. Housing rehabilitation programs;
7. Creation of affordable housing; and
8. Homeless service programs.

Through these programs, the City is working to reduce the number of families living below the poverty line. The goals and strategies contained in this Consolidated Plan aim to fund housing, community development, and community services. In addition, the City will allocate up to 15% of its CDBG funds annually to public service agencies that offer supportive services in an effort to reduce poverty.

Actions planned to develop institutional structure

Successful program implementation requires coordination, both internally and with outside agencies. The City makes changes, as needed, to its staff assignments to address the administrative, planning, and reporting needs of CDBG, HOME, and ESG funds. Project management improvements have included strengthened project eligibility review and staff training of regulatory compliance and procedures. The City of Garden Grove Neighborhood Improvement Division of the Community and Economic Development Department serves as the lead agency in the administration and compliance of CDBG, HOME, and ESG programs and grant management. The Neighborhood Improvement Division coordinates activities related to CDBG, HOME, and ESG funds, including coordination of internal departments, outside agencies, and grant recipients.

The City's ongoing efforts in its institutional structure include strengthening project designs through negotiating stronger and more specific performance goals for project contracts. This includes ongoing education and technical assistance for program stakeholders including fellow City Departments implementing HUD-funded programs, outside contractors, Neighborhood Improvement and Conservation Commission, City Council, and the public. The City also amended the Citizen Participation Plan to make it more readable and to officially designate the City Council as the public hearing body.

Capacity building is another development component within the City's institutional structure. In addition to in-house training and development of improved management systems, the City will continue to participate in all HUD training offered locally. To gather more information, build staff knowledge, and seek regional solutions to regional problems, the City participates in regional efforts such as the Orange County

Continuum of Care for the Homeless.

Actions planned to enhance coordination between public and private housing and social service agencies

Housing, supportive services, and community development activities are delivered by a number of public agencies, nonprofit entities, and private organizations. The City of Garden Grove will continue to function in a coordinating role between local non-profit service providers and other county, state, and federal organizations. To enhance coordination, the City participates in regional planning groups and forums to foster collaboration with other agencies and organizations.

Through collaboration, the City identifies common goals and strategies to avoid overlaps in services and programs and identify potential for leveraging resources. The City also continues to work with a wide range of public and community social service agencies to address the various needs of the community. The City also utilizes the services of 211 Orange County, whose mission is to help people in the community find the help they need by eliminating the barriers to finding and accessing social services.

Tiếp VIẾT trang 3

một chương trình chia sẻ phòng trọ trong khu nghỉ dưỡng (vacation home) cao cấp. Xây cất hàng loạt theo lối khách sạn. Mỗi một căn nhà sang trọng với đầy đủ tiện nghi, ở những nơi nghỉ dưỡng nổi tiếng trên thế giới được bán ra từng phòng, từng tuần cho nhiều người trong giới hạn.

Chia sẻ thời gian là một hình thức sở hữu theo phân đoạn, trong đó người mua có quyền chiếm giữ một đơn vị bất động sản trong những khoảng thời gian xác định. Ví dụ: mua một tuần chia sẻ thời gian có nghĩa là người mua sở hữu 1/52 đơn vị. Mua một tháng tương đương với quyền sở hữu một phần mười hai. Chia sẻ thời gian là phổ biến trong ngôn ngữ kỳ nghỉ. Các loại tài sản bao gồm nhà ở, chung cư và khu nghỉ dưỡng.

Người có quyền sở hữu có thể sử dụng bất cứ thời gian nào khi nó khả dụng. Có nghĩa là ai ghi danh trước được dùng trước và thay phiên. Nếu không đi được chỗ này thì đi nơi khác, luân phiên các mùa trong năm, theo kế hoạch mua bán của từng sở hữu chủ. Vì vậy, mỗi sở hữu chủ đều được hưởng các mùa chính như nhau ngoại trừ những ai là nhân viên trực thuộc các công ty đang quản trị nhà đất của cơ sở trực thuộc.

Sau khi nghe thuyết trình riêng, nhân viên của họ chia nhau họp riêng với từng gia đình. Ở lần họp này, người ta cố gắng tối đa giảng giải, chiêu dụ người mua. Nghe rất hấp dẫn, rất dễ cho những ai yếu lòng. Họ sẽ đưa ra một giá, khi mình lắc đầu thì họ mời một người cao cấp hơn để cho mình một giá dễ chịu hơn; không được nữa thì họ bớt đi một vài chi tiết rồi cho một giá thấp nhất... Vì đây quyết

định với nhau trước khi tới đây nên chúng tôi “lắc đầu” cho mọi mời mọc. Họ đành gửi chúng tôi qua phòng nhận quà... Quà từ những món cần thiết trong đời sống hằng ngày, là những giấy chứng nhận các bữa ăn giá trị cho hai người ở các nhà hàng sang trọng trong vùng và sau cùng là vé máy bay đi/về Las Vegas cho hai người. Chúng tôi chọn vé máy bay. Hai người mất gần nửa ngày ngồi nghe họ nói rã họng mà không bán được lại mắt cho mình hai vé máy bay nghỉ cũng không bỏ công. Tôi âm thầm nghĩ vậy.

Khi đã nhờ được chị vợ, nhà gần bên, giúp chăm sóc ba đứa con đang đi học, cả hai xin được phép nghỉ làm mấy hôm, nhà tôi liền lặn lội về máy bay theo chỉ dẫn trong giấy chứng nhận. Trong tiến trình điền chi tiết, có một chỗ nói rằng, qua Las Vegas có thể được ở khách sạn 5 sao miễn phí 3 hôm nếu chúng tôi đồng ý ghi tên tham dự một buổi thuyết trình có đề tài tương tự nhưng bảo đảm hay hơn nhiều. Vẫn không ai bắt buộc mua bán bất cứ thứ gì. Tôi bàn với nhà tôi, “Có lẽ cũng là ‘bỏn củ soạn lại’ là cùng, và như vậy mình cũng sẽ say NO như đã; cứ nhận lời để khỏi tốn chi phí khách sạn. Một chuyến đi chơi vui ở Las Vegas mà không tốn tiền máy bay, không tốn tiền khách sạn thì tại sao không.” Nhà tôi nghe bàn cũng xuôi tai. Thế là chúng tôi chuẩn bị đi Las Vegas để... hấp hồn.

Mọi sự diễn ra như hứa hẹn. Phòng khách sạn tuyệt vời, nằm ngay đại lộ chính, trong một khách sạn sòng bài rất sang trọng. Trong phòng có cả cà phê, nước ngọt thừa dư, nằm trên tầng 10 ngó bao quanh khu Las Vegas. Nhất là về đêm, còn

nữa, lúc ghi danh lấy phòng lại được chiêu đãi hai vé ăn buffet đồ biển miễn phí tại nhà hàng lâu. Chúng tôi thuộc dạng không ham bài bạc nên chẳng đoái hoài. Buổi tối sau khi ăn, chúng tôi đi dạo chơi mãi miết tới rã chân mới về phòng ngủ. Trong lòng thoải mái, vui vẻ lắm, nghĩ rằng mình hên quá là hên.

Buổi sáng ngủ vui trong chăn êm nệm ấm, mãi tới 9g mới đi ăn sáng và chuẩn bị tới nơi hẹn. Ánh nắng dịu dàng như tấm lụa mỏng trải đều trên các biệt thự, hoa lá đó đây; cảnh trí thơ mộng, người người với quần là áo lượt tấp nập dọc hai bên đại lộ. Tôi nắm tay nhà tôi hoà nhập cùng dòng người và lòng tôi cảm thấy phơi phới trong niềm vui chứa chan.

Nơi hẹn cũng là một căn phòng sang trọng, rộng rãi. Có rất đông người tham dự. Chúng tôi gi danh và biết đúng Timeshare, y hệt hình thức cũ... chỉ khác chương trình ở đây hấp dẫn hơn nhiều. Những chỗ Timeshares cao cấp hơn, ở những thắng cảnh nổi tiếng thế giới. Giá cuối cùng họ cho chúng tôi chọn lựa là 15 năm, mỗi năm 3 tuần, bắt cứ chỗ nào trong 10 địa điểm trong danh sách có sẵn. Nhìn vào thấy hơn chục địa điểm khác nhau trên thế giới, mùa nào cũng được tùy lúc ghi danh, giá \$2,995 cộng chi phí quản trị \$395/năm, trả trước \$595, phần còn lại trả góp trong vòng 5 năm với phân lợi 5.25% và năm đầu không tính tiền lãi; hoặc 40 năm, 4 tuần/năm, bất cứ mùa nào, nơi nào trong 20 danh lam thắng cảnh trong danh sách, giá \$9,995 và chi phí quản trị \$550/năm, có thể gia tăng chút đỉnh theo vật giá. Trả trước \$1,595; phần còn lại trả góp với phân lợi vẫn 5.25%. Cũng vậy, nếu trả hết trong vòng 1 năm không

tính tiền lãi. Tất cả những chi tiết vừa kể nếu so với văn phòng Texas thì thuận lợi hơn nhiều. Cả hai chọn lựa đều có thể sang nhượng cho con hoặc người thụ hưởng đặc biệt nào đó.

Trước khi chúng tôi quyết định, thấy có rất nhiều cặp đã mua. Mỗi lần có ai đó ký giấy mua thì cả hội trường vang lời chúc mừng. Tôi thầm nghĩ, “Không lẽ những ông bà lịch sự thế kia mà nhẹ dạ sao.” Cuối cùng chúng tôi quyết định chọn một trong hai giải pháp.

Chúng tôi xin được thảo luận riêng với nhau một lúc. Người hướng dẫn lịch sự đứng dậy ra khỏi phòng. Chúng tôi đồng ý với nhau rằng, không bao lâu nữa chúng tôi sẽ nghỉ hưu, sẽ có nhiều thì giờ rảnh rỗi để du lịch đó đây. So hai giải pháp, chúng tôi chọn giải pháp thứ hai vì tính ra với giá trung bình \$800 gồm chi phí bảo trì cho 4 tuần lễ/năm; vị chi mỗi tuần nghỉ đi nhưng khi ghi tên đặt cọc sang trong tốt bụng thì cũng không cần phải đắn đo gì cho lắm. Về phần tiền lãi trả góp, chúng tôi không bận tâm vì quyết định sẽ trả hết trong vòng một năm. Khi người salesman trở lại, chúng tôi quyết định ký giấy tờ, dùng thẻ tín dụng để trả số tiền đặt cọc. Lúc này người hướng dẫn mới nói cho biết là tiền bảo trì phải trả cùng lúc khi ký giấy mua. Có nghĩa là chúng tôi phải trả ngay \$2,145. Nhà tôi đưa mắt nhìn tôi như thăm dò ý kiến; với chỉ mấy giây ngần ngừ, tôi gật đầu đồng ý... Và chúng tôi được tuyên dương âm ỉ trước hội trường là cặp Á châu đầu tiên tham dự chương trình. Người hướng dẫn chúc mừng chúng tôi với câu nói, “Chúc mừng các bạn, ngày từ lúc này các bạn có thể

bắt đầu cho những chuyến du lịch thú vị mà các bạn đã từng mong đợi.”

Kết thúc chuyến đi vui vẻ, chúng tôi trở lại nhà đi cây tiếp. Thịnh thàng công ty Timeshares lại gửi email giới thiệu những khu du lịch sang trọng trong danh sách đang không có ai cư ngụ; thế nhưng, chúng tôi đang đi làm đâu có muốn đi đâu nào thì đi... nên tiếp tục làm lơ; dự định sẽ sử dụng thẻ tín dụng; mà trả bằng thẻ cũng sẽ phải trả dứt cho họ vào đúng hạn kỳ nhưng bù lại mình lại được điểm bonus.

Rồi cơ hội nghỉ cũng đã đến, đó là dịp kỷ niệm ngày cưới của chúng tôi. Nhà tôi liên lạc tìm kiếm nơi muốn đi nhưng khi ghi tên đặt cọc lại không hữu dụng. Hết chỗ này tới chỗ khác đều trả lời giống nhau, phải đặt cọc trước, vì có rất nhiều sở hữu chủ nên ai ghi tên trước người đó sẽ được. Và họ cho biết thời gian tới chỗ này chỗ kia sẽ hữu dụng, nhưng thời gian họ có thì chúng tôi lại không thể đi. Tình trạng này cứ lặp đi lặp lại vài ba lần nữa, tôi nổi sùng cự nự thì họ biểu xem lại trong kế hoạch có nói, “...đi bất cứ lúc nào, chỗ nào cũng được trên căn bản ghi trước được trước...” (first come first serve basis). Biết rằng nếu có trách thì phải tự trách mình vì đã không chịu đọc kỹ kế hoạch có hàng tá điều khoản với chữ li ti – mà điều nào cũng dành cái lợi cho người bán – trong mọi trường hợp lực mua bán rất căng thẳng của cuộc họp mặt.

Không mấy chốc, giấy nợ trả cho việc bảo trì đã tới, chúng tôi lại phải móc túi gửi chi phiếu \$550 đi mà vẫn chưa có cơ hội sử dụng “sở hữu chủ” của mình. Sau bao nhiêu lần lự, cuối cùng chúng tôi cũng đi được tới New York trong một dịp rất tình cờ. Thấy họ gửi giới thiệu vài chỗ đang hữu dụng, dù không dự định trước nhưng cũng muốn thử một lần xem sao. Chúng tôi vội ghi danh liền, dù chỉ một tuần nhưng... vẫn chậm chân hơn người khác, chỉ còn chỗ New York. Chúng tôi có thể dùng 4 tuần lễ như trong kế hoạch; tuy nhiên, vì thời gian không cho phép nên chỉ xin lấy hai phòng đôi cho một tuần vì là dịp nghỉ hè nên các con cùng đi với chúng tôi.

Phải công nhận phòng ốc quá sang trọng. Tiếc là chúng tôi ở chỉ có thể nghỉ một tuần thôi vì ngày nghỉ không còn nhiều. Sau một tuần rong chơi đây đó với sinh hoạt quá đỗi thú vị của thành phố nổi tiếng này, chúng tôi trở về lại với công việc.

Làm sao chúng tôi có thể biết được đây là lần đầu và cũng là lần duy nhất chúng tôi dùng tới sở hữu chủ Timeshares của mình! Vì thay đổi công việc làm ăn, thay đổi nơi ăn chốn ở, con cái đua nhau lớn, đưa nhập trường, đưa tốt nghiệp... Những cơ hội nghỉ dưỡng sức mà hai vợ chồng có thể sắp đặt xin nghỉ việc cùng lúc, các con không bận trường lớp rất hiếm; thế nhưng những lần thụ xếp được lại không thể tìm được những chỗ muốn đi vì không ghi tên giữ chỗ đủ sớm. Dù rất mệt mỏi và bất mãn nhưng chúng tôi vẫn nghĩ thời gian làm chủ của Timeshares còn dài nên bền

REVIEW OF THE CODE OF ETHICS/BROWN ACT: After a brief summary by staff, the Commission acknowledged the Code of Ethics and the Brown Act governing the Neighborhood Improvement and Conservation Commission.

MATTERS FROM STAFF:

NICC OVERVIEW: Staff presented a Housing and Urban Development (HUD) overview which focused on the allocation of available Federal funds for various programs including: Community Development Block Grant (CDBG), HOME Investment Partnership Act (HOME), Emergency Solutions Grant (ESG), CARES Act Funding, Citizen Participation Plan, 5-Year Consolidated Plan (ConPlan), Annual Action Plan (AAP), and the Consolidated Annual Performance and Evaluation Report (CAPER). Staff noted that some allocations were yet to be fully expended, while others were approaching their expenditure deadlines and may be extended into FY 22-23.

Staff then explained how the Action Plan allocations are projections, based on the prior year's allocation, which can change when HUD releases the actual allocation amounts for April/May. Staff calculates each program's percentage breakdown of the total HUD allocations on a funding worksheet, and if the allocations HUD awards the City vary from the Action Plan projected totals, then the program changes will be based on the percentage breakdown on the funding worksheet.

2021 HOUSING ELEMENT ANNUAL PROGRESS REPORT (APR): The staff report dated March 7, 2022 was introduced. Staff provided the Commission the opportunity for engagement, discussion, and input on the City's progress in implementing the Housing Element, of which a brief summary follows:

The Regional Housing Needs Assessment (RHNA) is mandated by State Housing Law as part of the periodic process of updating local Housing Elements of General Plans. The RHNA quantifies the housing need, for all income levels, within each jurisdiction. Consistent with the State Housing Element laws, it must be analyzed and updated on a regular basis. The current Housing Element covers an 8-year period from January 1, 2014 to December 30, 2021.

The City is required by the State to prepare an Annual Progress Report (APR) on the status of the Housing Element in order to monitor progress in addressing housing needs and goals. The APR includes information on the City's progress in addressing its Regional Housing Need Allocation (RHNA), which includes the number

of new units constructed for low and very low income households; the number of units rehabilitated by the City and made available to extremely low, very low, and low income households; the number of units permitted by the City for moderate and above moderate income households; the status of programs listed in the Housing Element, and the status of tasks under the Local Early Action Planning (LEAP) State grant program.

As determined by the Southern California Association of Government (SCAG), Garden Grove's fair share allocation of new housing units during the current 8-year period is 747 units. The City is currently in planning year eight (8) of the 8-year period. For the 2021 reporting year, the City permitted (building permit issued) 288 (above-moderate) housing units. Based on the cumulative housing data from the eight (8) reporting years (2014-2021), the City has permitted a total of 1214 units. The breakdown (income levels) of the housing units can be found in Table B of the attached 2021 Housing Element Annual Progress Report.

Staff recommended that the NICC:

- Review and issue comments regarding the 2021 Housing Element Annual Progress Report, and;
- Recommend its transmittal to the City Council.

It was moved by Commissioner Hanssen and seconded by Vice Chair Gonzalez, to accept staff's recommendation to transmit the Housing Element Update to the City Council. The motion carried by a 6-0 vote as follows:

Ayes: (6) Blackmun, Crawford, Gonzalez, Hanssen, Rubin, Williams
Noes: (0) None
Absent: (1) Tran

PUBLIC HEARING – FY 2022-23 ANNUAL ACTION PLAN FOR THE USE OF HOUSING AND URBAN DEVELOPMENT (HUD) FUNDS: The U.S. Department of Housing and Urban Development (HUD) requires a public hearing be conducted prior to the approval of the FY 2022-23 Annual Action Plan to receive and utilize HUD grants. The City must submit an Annual Action Plan to HUD forty-five (45) days prior to the start of the fiscal year, or by May 15, 2022. Each year's Action Plan must address the Priority Objectives adopted by the City Council in 2020 for the 5-Year Consolidated Plan for the use of HUD Funds. The Draft FY 2022-23 Action Plan is available on the City's webpage for public review until March 22, 2022 (ggcity.org/neighborhood-improvement/reports).

Approximately \$5.6 million in HUD funds will be available during FY 2022-23. This budget includes approximately \$2.5 million of carryover, or previously unallocated HUD funds from prior years' entitlement allocations, and a new entitlement allocation of \$3 million in HUD funds.

Program plans and funding recommendations for FY 2022-23 are based upon the Priority Objectives and input received during the public comment period on community and housing development needs conducted during the preparation of the 2020-2025 Consolidated Plan. During FY 2022-23, HUD funds will address a

wide range of Garden Grove housing and community development needs as follows: Public Services, Public Facilities and Infrastructure, Owner Occupied Housing Rehabilitation, Economic Development, Affordable Housing, Emergency Solutions Grant, and Administration.

Staff noted that all HUD citizen participation requirements had been met for HUD's 30-day minimum public comment period.

The proposed FY 2022-23 Action Plan will allow the City to access \$3 million in new entitlement grants from HUD and an estimated \$2.5 million in unexpended previous year's funds. The allocation of HUD funds effectively leverages competitive grants and the City's General Funds. Funds will be included as part of the upcoming biennial budget for FY 2022-23.

Staff was asked to clarify the difference in allocation of funds for Meals on Wheels vs. the Senior Center. Staff explained that the two services were a partnership with more funds allocated for the Senior Center to cover other resources such as certified case management personnel, well-checks, socializing services and in-person, as well as take-home meals. Staff added that combined services include assisting seniors with home-delivered meals and well-checks, along with referrals for the Be Well OC mobile-unit. Be Well OC provides services to the community at large for mental health crisis and intervention, as well as offering assistance to school students in crisis.

In regard to the 17 affordable housing units at the Valley View Senior Villa, the tenants have a two-year term and must find other housing at the end of 24 months. Currently, two sets of tenants found housing on their own, others may qualify and transition to the Senior Brook Village apartments, and those who do not qualify, will have housing seek other housing options. The City will attempt to provide additional assistance if possible.

Staff also mentioned that in the Buena Clinton neighborhood, eight (8) available apartment units may be occupied by homeless families with vouchers by the end of March, and exterior rehabilitation of the units could be conducted while the tenants are in place.

Staff was asked to explain why the Special Needs allocation was "\$0". Staff stated that the Special Needs listing was included as a default category from HUD to be used as needed. The City tries to remain less restrictive with allocations to be available to all, however, a special needs case would not be turned away. The City's Housing Authority utilizes some Section 8 vouchers for people with disabilities.

Chair Williams opened the Public Hearing to receive comments. The Be Well OC phone number was offered as (714) 741-5704, after which the Public Hearing was closed.

It was moved by Commissioner Crawford and seconded by Commissioner Hanssen, to accept staff's recommendation to transmit the draft Fiscal Year 2022-23 Action Plan, along with any public comments, and an updated staff report, to City Council for adoption. The motion carried by a 6-0 vote as follows:

Ayes: (6) Blackmun, Crawford, Gonzalez, Hanssen, Rubin, Williams
Noes: (0) None
Absent: (1) Tran

MATTERS FROM COMMISSIONERS: None.

ADJOURNMENT: The meeting was adjourned at 7:35 p.m. The next Meeting of the Neighborhood Improvement and Conservation Commission will be held Monday, June 6, 2022, at 6:30 p.m., in the Council Chamber of the Community Meeting Center, 11300 Stanford Avenue, Garden Grove, CA.

EMERGENCY SOLUTIONS GRANT PROTOCOLS

GARDEN GROVE

City of Garden Grove

Protocols for Administering The Emergency Solutions Grant

City of Garden Grove

COMMUNITY DEVELOPMENT DEPARTMENT

NEIGHBORHOOD IMPROVEMENT DIVISION

11222 ACACIA PARKWAY

GARDEN GROVE, CA 92840

OVERVIEW

This document establishes protocols for administering the Emergency Solutions Program (ESG) and replaces previous protocols for the defunct Emergency Shelter Grants Program. The protocols herein incorporate changes in the ESG program pursuant to the Interim Rule (effective January 4, 2012), which established the regulations for the Emergency Solutions Grants Program (ESG). Unlike the former Emergency Shelter Grants Program that emphasized serving the needs of the homeless in emergency or transitional shelters, the focus of the ESG aims at “assisting people to quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness” (Interim Rule, Federal Register / Vol. 76, No. 233. p. 75954).

Regulatory Authority. The Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009, was promulgated on May 20, 2009, reauthorized and amended the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11371 et seq) consolidating three homeless assistance programs into one grant program and revising the Emergency Shelter Grants program and renaming it as the Emergency Solutions Grants (ESG) program. The HEARTH Act also codifies into law the Continuum of Care planning process.

Effective January 4, 2012, the Homeless Emergency Assistance and Rapid Transition to Housing: Emergency Solutions Grants Program and Consolidated Plan Conforming Amendments interim rule revised the regulations for the Emergency Shelter Grants program by establishing the regulations for the Emergency Solutions Grants program, which replaced the Emergency Shelter Grants program.

Objectives. The ESG Program provides funding to achieve these objectives:

- Engage homeless individuals and families living on the street;
- Improve the number and quality of emergency shelters for homeless individuals and families;
- Help operate these shelters;
- Provide essential services to shelter residents,
- Rapidly re-house homeless individuals and families, and
- Prevent families/individuals from becoming homeless.

Beneficiary Eligibility

City staff will ensure compliance by subrecipients with the minimum eligibility criteria for ESG beneficiaries:

- For essential services related to street outreach, beneficiaries must meet the criteria under paragraph (1)(i) of the “homeless” definition under 24 CFR 576.2, namely:

(4) Any individual or family who:

(i) Is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member, including a child, that has either taken place within the individual's or family's primary nighttime residence or has made the individual or family afraid to return to their primary nighttime residence;

At Risk of Homelessness” means an individual or family who has an annual income below 30 percent of median family income for the area, as determined by HUD, and does not have sufficient resources or support networks.
- For rapid re-housing assistance, beneficiaries must meet requirements described in 24 CFR 576.104, that is:

Further eligibility criteria may be established at the local level in accordance with 24 CFR 576.400(e).

Minimum Documentation. The following standards for documenting homelessness are to be monitored by City staff.

Persons living on the street	Certify that the persons served reside on the street. THE MONITORING PROCESS

Monitoring of ESG-assisted activities takes place on a quarterly and annual basis.

Quarter Reports

Each quarter, subrecipients submit an ESG Subgrantee Report (**Exhibit 2**), which City staff use to monitor performance measured against the requirements initially outlined in the Eligibility Evaluation (**Exhibit 3**) and Subrecipient Agreement (**Exhibit 4**).

Desk Audit

Desk reviews are done at the City and entail a review of reports and other documentation that are submitted to the City that help the City understand how well a project is managed, and whether it is achieving its goals and compliance obligations.

At the close of each program year, City staff issue a monitoring letter (**Exhibit 5: Monitoring Notification Letter: On-Site Visit** or **Exhibit 6: Annual Monitoring Notification Letter: Desk Audit**) will be sent to the subrecipient transmitting the following documents to be completed and returned to the City prior to the scheduled monitoring visit:

- **Monitoring Notification Letter: Desk Audit**
A Monitoring Notification Letter: Desk Audit will be sent to the owner/property manager detailing the salient terms of the Subrecipient Agreement that will be the source of monitoring.
- **Monitoring Checklist**
This report collects information as a basis for conclusions to be included in the Monitoring Summary letter and follow-up (**Exhibit 7: Monitoring Checklist**).
- **Monitoring Summary**
A Monitoring Summary Letter will be provided to the subrecipient that serves as the formal notification of the results of the monitoring. All negative conclusions will be considered a finding or concern with a specific required corrective action. A copy is retained in the Project monitoring file.
 - ✓ A “finding” is a deficiency in project performance evidencing an unmet statutory or regulatory requirement.
 - ✓ A “concern” relates to project performance-requiring improvement before becoming a finding.

The subrecipient is to provide a written response within 30 days of the date of the Monitoring Summary letter. Upon completion of all corrective actions, a letter is sent to the owner/property manager stating that the monitoring findings and concerns have been closed. A copy is retained in the Project monitoring file.

ON-SITE VISIT

On-site monitoring enables the City to conduct a more in-depth level of review than the desk review and entails a visit to the office of the owner or property manager to review documents and source information, as well as observe operations. On-site monitoring is necessary when the risk analysis or desk review suggests that there may be problems, or if a protracted period of time has elapsed since the last visit.

The following steps are to be taken when monitoring **on-site**:

- **Monitoring Notification Letter: On-Site Visit**

A Monitoring Notification Letter: On-Site Visit will be sent to the owner/property manager at least two weeks in advance of the monitoring visit. The letter will detail the salient terms of the Subrecipient Agreement that will be the source of monitoring. The letter will also notify the owner/property manager of the date and time of an interview that will be conducted to make sure that the owner and/or manager thoroughly understands the purpose, scope, and schedule for the monitoring.

In addition to the aforementioned reports, these items also are to be reviewed:

- **Monitoring Summary**

After the monitoring visit, a Monitoring Summary letter is forwarded to the subrecipient that serves as the formal notification of the results of the monitoring. All negative conclusions are considered a finding or concern with a specific required corrective action. If relevant, the letter may stipulate steps initiated by the owner/property manager to correct areas of noncompliance or nonperformance. A copy is retained in the Project monitoring file.

- ✓ A “finding” is a deficiency in project performance evidencing an unmet statutory or regulatory requirement.
- ✓ A “concern” relates to project performance requiring improvement before becoming a finding.

The owner/property manager is to provide a written response within 30 days of the date of the Monitoring Summary letter. Upon completion of all corrective actions, a letter is sent to the owner/property manager stating that the monitoring findings and concerns have been closed. A copy is retained in the Project monitoring file.
