## Program Spotlight

### Johnny Allen Tennis

At Johnny Allen Tennis, we are committed to giving families an affordable alternative to expensive tennis classes at the local tennis club or pricey private lessons with the local tennis pro hanging out at the park. We want to provide a fun and exciting tennis experience to every student enrolled. Since we eat, breathe and sleep tennis, we understand the magic a child feels as they hit the ball for the first time, and the self-confidence they gain as they continue to grow and improve. Put simply, we want to pass on our love for the sport on to all of our students.
