Garden Grove Aquatics
How to Register for Swim Lessons

1. Go to our website, https://ggcity.org/reggister

2. Select "Summer Aquatics" and scroll until you find the level and class time at your desired pool location.

3. Select the blue "Add" button to add a class to your registration cart.

4. If you have not logged-in, you will be redirected to log-in to your ReGGister account or to create an account.

5. To create an account, first provide the information for the registering adult and then proceed to add your child to your account.
   Be sure to mark their role as a student at the top of the page.

6. Continue to register for classes or check out with your cart.
   When registering multiple children, be sure to mark the correct child with the correct course level.

   A $5 processing fee will be charged to move students to a different class or time slot.

If you would like to register for a semi-private:

1. Choose only one student and enroll them in an available private lesson at your desired time. You will only be charged for the cost of a single private lesson at this time.
2. Contact pool manager to add remaining students and pay the remaining balance for a 2 or 3 person semi private lesson.
3. If you have questions about this process, or you would like to be put in touch with a pool manager, you may call (714)-741-5200 during City Hall opening hours.

NOTE: All programs, classes and fees are subject to change or cancel without notice. Should a participant wish to cancel or change a class after the registration process, there will be a $5 processing fee per class. Refund requests must be made one week prior to the start of the first class or program. Class changes or transfers may only be accommodated if space allows and will not be permitted once the class has begun. Please be absolutely sure you register your child in the appropriate class for their swim ability. Refunds will not be offered for mis-registrations after a week before the first of the session.
For questions or more information, please call the Community Services Department at (714) 741-5200.
