

How We Can Help

Our attorneys and staff provide free evaluation, advice, and counsel. We also offer no-cost legal support at our clinics, workshops, and Self-Help Centers, and provide direct representation on a case-by-case basis. If you are not eligible to receive our services, we will provide you with an appropriate referral.

We provide free legal advice, counseling, and representation to low-income individuals and seniors on many civil matters.

Helping our neighbors fight injustice
by providing compassionate,
high-quality legal aid and advocating
for stronger communities since 1958.

Community Legal Aid SoCal is dedicated to meeting the legal needs of low-income residents and seniors throughout Orange and Los Angeles Counties. We provide help on a wide range of civil law.*

Family Security

We support clients with divorce, child custody, limited conservatorship, foster and transition age youth issues, and barriers to education.

Housing Defense

We support clients with eviction, publicly subsidized housing, substandard housing, landlord/tenant issues, housing discrimination, and predatory mortgage lending practices.

Economic Justice

We support families struggling with financial challenges and assist clients with consumer debt relief, discrimination, employment issues, expungement, loans, tax controversies, unemployment benefits, and utilities.

Small Claims

We offer information to individuals who are involved in, or could become involved in, Small Claims Court in Orange County. Our Online Dispute Resolution system can help you negotiate a settlement online.

Protection from Abuse

We provide trauma-informed legal services to support clients who are victims of crime including domestic violence, child abuse, harassment, sexual assault, human trafficking, elder abuse, and other serious crimes. Services include protective orders, crime victim assistance, and representation.

Immigration

We focus our immigration work on adults and minors who are survivors of a crime. We assist with VAWA Self-Petitions, T-Visas, U-Visas, naturalization, Special Immigrant Juvenile Status, adjustment of status, cancellation of removal, and asylum applications.

Health Access

We provide legal assistance to clients in Orange County who qualify for our services related to health care coverage and access issues involving Covered California, Cal Medi-Connect (OneCare Connect), Medi-Cal (CalOptima), Medicare, Medical Safety Net Program, and private health insurance plans. We are also the Ombudsman for the OneCare Connect plan.
