

Older Adults Programming: COVID-19 Resource Toolkit

Guidance and tools to help programs for older adults successfully resume in-person services, and help support staff and volunteers in their work.

Toolkit Goal:

Help you improve care and safety practices for seniors re-emerging from isolation in our “new normal”.

NOW AVAILABLE!

Visit officeonaging.ocgov.com/covid-19/resource-toolkit to access and download resources pertaining to:

Scan QR code to access the Toolkit:
