

HOUSING ELEMENT

Community **STARTS** WITH Housing

2020 SURVEYS AND MEETINGS

The City of Garden Grove is updating the Housing Element, Safety Element, Land Use Element, and adopting a new Environmental Justice Element to the Garden Grove General Plan.

🏠 The Housing Element is mandated by the state to be updated every eight years to identify housing needs for all income levels. (2021-2029 planning period)

🏠 The Safety Element establishes policies that will minimize the risk of personal injury, loss of life, property damage, and environmental damage associated with natural and man-made hazards.

🏠 The Land Use Element will identify land for housing, businesses, industries, agriculture, open space, public facilities, and other categories.

🏠 The new Environmental Justice Element will establish policies to reduce pollution, and to provide residents with access to healthy food, physical activity, and safe and sanitary housing.

The update is a 14-month process. Over the next four months, community surveys will be conducted online, and meetings will be held in compliance with the state and county COVID-19 orders.

The success of these updates relies on community engagement and input.

For surveys or to register for meetings, visit ggcity.org/housing-element.

For more information, contact the Planning Division at (714) 741-5312 or email planning@ggcity.org.
