Subject: Garden Grove Redistricting Committee: Draft map submission

To whom it may concern,

My name is Vincent Tran. I am the Community Engagement Coordinator of VietRISE, a local non-profit based in Garden Grove. I am submitting a redistricting draft map of Garden Grove on behalf of the Garden Grove Redistricting Committee (GGRC), a committee who have met with Garden Grove residents since June 2021 researching and working towards advocating for equitable redistricting for our communities.

Below I have attached the link to Dave's redistricting and the shapefile, in case the links do not work.

In addition, I have included a written PDF report that details the narratives surrounding the district draft map. It is titled "GGRC District Draft Map Report". Please include these reports with the district draft maps.

Please let me know if you have any issues accessing any of the links or attached files. Thank you very much!

Sincerely,
