Dear Supervisor Do

Recent events have brought my attention to the City of Garden Grove plight with graffiti consuming our City and they have set aside \$250,000 per year to combat this blighted activity.

The Orange County flood control Channel is in your District at Chapman/Gilbert to Orangewood where it goes south. At Gilbert/Walmart almost daily those suspects come back climbing over the fence to tag graffiti with gang and hate symbols inside the flood Channel on both side of the Gilbert. Very Recent residents were attempting to stop the activity where four of those involved with graffiti got into some altercation and a fight occurred and I'm being told one of the suspects had pulled a knife on a resident the police I'm told were called.

Sending three waves of images because of the file size transmitting requires limiting the amount sending as evidence requesting your attention to bring the Orange County Sheriff's Dept with Garden Grove Police Dept to capture those consuming our City with blight affecting the quality of life as affecting the retail centers business to make repairs as well as the new Congressional Medal of Honor Bike /Pedestrian Park Trail. Request that OCTA do a visit with graffiti there is an area I have seen from Dale street towards Orangewood street. And a visit inside a locked fence from Gilbert to Magnolia. Request this be noted to your staff to have it recorded as an audit to limit the gang activity.

Thank You

Craig A Durfey
