

CITY OF GARDEN GROVE CODE ENFORCEMENT COMMERCIAL STANDARDS

****WARNING NOTICE****

ATTENTION INDUSTRIAL & COMMERCIAL BUSINESS OWNERS

As an owner of a business found within an industrial or commercially zoned property, you are required to ensure that property standards are maintained. The following list, while comprehensive, does not cover all the requirements that industrial or commercial properties must abide by:

Nuisances, noise, odor, dust, mud, smoke, steam and vibrations prohibited.	GGMC 9.16.020.040(B)(1)
All uses or activities must be conducted inside a building. NO outdoor storage or manufacturing.	GGMC 9.16.020.040(B)(2)
Automotive repairs to be conducted within a building.	GGMC 9.16.020.050(F)(1)
Automotive repair businesses shall not store any vehicles on the public street.	GGMC 9.16.020.050(F)(4)
Abandoned, wrecked, dismantled or inoperable vehicles prohibited on property.	GGMC 9.32.170(A)
Vehicles parked in excess of 72 consecutive hours prohibited.	CVC 22651(K)
Unregistered vehicles prohibited from parking on public street.	CVC 4000(A)(1)
Wrecked and/or abandoned vehicles prohibited on public street.	CVC 22669(D) CVC 22660

NOTE: Failure to ensure that your property is in compliance with the Garden Grove Municipal Codes, International Property Maintenance Codes, California Vehicle Codes and or any other applicable codes may result in further enforcement, which includes, but does not limit:

- Fines and fees imposed per violation
- Parking Citations Issues
- Inoperable vehicles/vehicles with expired registration may be towed at owner's expense

REQUIRED ACTIONS: Ensure that your business is in compliance with all of the above mentioned GGMCs and CVCs.
