A/C IN ALL GGUSD SCHOOLS BY 2020

Garden Grove Unified School District (GGUSD) announces a school-wide project to install air conditioning units to all GGUSD schools by 2020. Currently, 56 schools are equipped with air conditioning, with the remaining 12 schools set to receive new units during the summer of 2019 and 2020.

GGUSD is grateful for the community support of Measure P, the district's \$311 million bond measure, which is providing funding for the completion of the school-wide air conditioning installation. For more information, please visit ggusd.us.
