### GARDEN GROVE DOWNTOWN COMMISSION

November 10, 2022

A Meeting of the Garden Grove Downtown Commission was called to order in the Founders Room, 11300 Stanford Avenue, on Thursday November 10, 2022.

ROLL CALL: PRESENT: (5) Commissioners: Dang, Lerma, Stewart, Tortalano, Weimer

ABSENT: (2) Commissioners: Lindley, Zaragoza

ALSO PRESENT: Trevor Smouse, Liaison, Amanda Pollock, Recording Secretary, Paul Guerrero, Economic Development.

#### ORAL COMMUNICATIONS

Commissioners are interested in going back to 5 Commissioners. This will be brought to the attention of the City.

#### WRITTEN COMMUNICATIONS

Trevor,

I would greatly appreciate it if you would pass along the following concern to the Downtown Commission:

My building at the corner of Garden Grove Boulevard and Main Street has been damaged by automobiles at least three times in the past several years. All three times the damage was caused by a vehicle involved in an accident of some sort careening over the sidewalk and into the building. The last incident involved a car crashing through the wall of a tutoring center - luckily no children were present at the time.

I request that permanent bollards (poles, planters, etc.) be installed on the city sidewalk to protect the building and its occupants from any future harm.

Thank you for your consideration.

Paul Guerrero Main Street update: All 35 tree wells have electrical receptacles. Timers will be placed later in the year. The receptacles will get a protective covering of some sort to keep them from getting broken. All saw-cut areas received power washing and dry vacuum. Power washing is scheduled for December 5, 2022. Panels will be delivered by end of November. Planters are there already. Installation should begin the week after Thanksgiving. The installation will be starting at Aum Beer traveling south toward Louie's and then north ending with Azteca. Each merchant is responsible for their own maintenance and upkeep for 3 years. The City will then have the option to renew.

Staff will look into cost of a new trash enclosure and bin prior to rehabbing the west parking lot.
