#### 4. DISCUSSION ITEMS

##### a. Pedestrian Access Closure-Vons Drive @ Magnolia Street

The staff report was introduced. It was noted that the petition signed by the residents on Vons Drive that an entry gate was called out as opposed to closing off the access by walling it up with matching block.

The City does not install gates as a means of closing off the pedestrian walkway. If approved it will be closed off with matching cinder blocks.

It was moved and seconded to table this item until more information and a new petition can be secured by the original petitioner that calls out the appropriate closure.
