Is this event open to the public? ☐ Yes ☐ No

Will any public property be affected during this event (streets, sidewalks, schools, etc.)? ☐ Yes ☐ No

If yes, please describe all such public property and provide proof of authorization from property owner:

The following plans must be submitted with this application:

A Parking Plan sufficient for 125% of the estimated attendance along with authorization from property owner or public agency whose parking facility will be utilized. (Offsite parking may not be counted for purposes of meeting the parking requirement, unless approved by the City).

A complete Security Plan detailing all necessary preparations and staffing for crowd control, site security, and limited access areas. The city may require Police staff to be assigned at the expense of the organization.

A detailed Electrical Plan for the event site including all load calculations and panel schedules.

A detailed Site Plan depicting the following information:

- All property lines and dimensions.
- Location of all structures, facilities, and equipment along with their distance from property lines and existing or proposed structures. Identify fire extinguishers where applicable by GGFD.
- Vehicular, pedestrian, disabled, and emergency access points, parking spaces, drive aisles, and traffic circulation pattern. Demonstrate clear fire lane access minimum 20 ft.
- Identify all tents and/or canopies (ez-ups) and demonstrate anchorage on site plan with detail.
- Detailed seating chart if applicable.

Complete plans and specifications certified by a licensed architect or engineer are required for the following:

- Stages (requires a Building Permit)
- Tents and/or canopies covering over 400 Sq. ft (requires a Fire Permit)
