PROGRAM SPOTLIGHT

YOUNG REMBRANDTS

Young Rembrandts is a recognized world leader in art education, offering drawing classes for children ages 3.5-12 at local school sites, community centers, and parks and recreation centers for the past 29 years. We are the only after-school art enrichment program that teaches art using a methodology specifically designed to improve students' perception, visualization, and organizational skills.

At Young Rembrandts, we teach children to draw—the fundamental skill of all visual arts—through a sequential, ordered process. Our weekly instruction exposes students to a wide variety of subject matter, artistic concepts, art history, and mastery of their materials. Throughout our lessons, students learn concepts such as portraiture, line and patterning, still life, art vocabulary, color theory, fundamental composition skills, perspective, and realism/abstract.

We offer preschool lessons for ages 3.5-5, as well as elementary and cartoon lessons for ages 6-12. During the summer, we offer a variety of seasonal workshops, including favorites like Enchanted Academy, Space Exploration, Anime, Super Hero, Monster Cartoon, and App & Games.
