CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The Fiscal Year (FY) 2025-26 Consolidated Annual Performance Evaluation Report (CAPER) captures the expenditures, accomplishments, and progress made on the strategies and goals outlined in the approved 2025-2030 Consolidated Plan for HUD Programs (Con Plan).

The FY 2019-20 Annual Action Plan (AAP) was amended to include Coronavirus Aid, Relief, and Economic Security (CARES) Act funding that the City of Garden Grove was awarded in April 2020. The CARES Act funding and expenditures are shown in the FYs 2019-20, 2020-21, 2021-22, 2022-23, 2023-24, 2024-25, and 2025-26 CAPERs. Accomplishments for the CARES Act funding will not be reported until the expenditure deadline is reached and/or the activities have been closed out in IDIS. The Workforce Activation and Readiness Program (WARP) will be closed out in FY 2025-26, which is the final CARES Act project using Community Development Block Grant Coronavirus funding. Moving into FY 2026-27, the WARP Program will be funded with CDBG entitlement funds.

The FY 2021-22 AAP was amended to include HOME American Rescue Plan (HOME-ARP) funding that the City of Garden Grove was awarded in September 2021. The HOME-ARP funding and expenditures are shown in the FY 2025-26 CAPER. Accomplishments for the HOME-ARP funding will not be reported until the expenditure deadline is reached and/or the activities have been closed out in IDIS.

The CAPER outlines achievements in affordable housing, homeless services, and community development programs. The City of Garden Grove's HUD Programs include:

- Community Development Block Grant (CDBG)
- HOME Investment Partnership (HOME)
- Emergency Solutions Grants (ESG)

The FY 2025-26 CAPER covers the time period from July 1, 2025, to June 30, 2026, and is the first annual report of the Con Plan period. It also includes activities funded in previous fiscal years with accomplishments reported during FY 2025-26.

The Con Plan includes the following high priority Goals that are the basis for the activities previously approved in the FY 2025-2026 AAP:

1. Provide decent and affordable housing;
2. Address the needs of homeless individuals;
3. Provide community and supportive services;
4. Address public facilities and infrastructure needs;
5. Promote economic development and employment; and
6. Provide for planning and administration activities.

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

During FY 2025-26, the City expended CDBG funds to meet the priority needs identified in the Con Plan through the following actions:

1. Address Public Facilities/Infrastructure Needs

- The Glen Street Rehabilitation Project was completed in FY 2025-26 and assisted approximately **6,905** individuals.

2. Address the Needs of Homeless Individuals

- The City was able to assist approximately **211** individuals (**171 households**) through our homeless non-profit service providers.

3. Promote Economic Development and Employment

- Through the MicroBiz and Boost Programs, the City was able to create and retain a total of **10** low-income employees, and assisted **16** businesses

4. Provide Community and Supportive Services

- The Garden Grove Police Department's Special Resource Team completed **282** referrals by providing street outreach and essential services.
- The H. Louis Lake Senior Center enrolled **597** new seniors into their programs.
- Meals on Wheels of Orange County provided home-delivered and congregate meals to **187** new seniors.
- The Workforce Development Program provided services to **191** individuals, including **81** individuals who secured job placements through CDBG-CV funding.
- The Workforce Development Program provided services to **15** individuals, including **7** individuals who secured job placements through CDBG entitlement funding.

5. Provide Decent and Affordable Housing

- The Home Repair Program assisted **20** low-income Garden Grove residents with rehabilitation services for their homes.
- The City assisted **30** homeless and at-risk households through the HEART Program.

Table 3 - Resources Made Available

Narrative

The CDBG, HOME, and ESG resources made available in FY 2025-26 included carryover funds from prior years.

During FY 2025-2026, the City expended a total of **\$2,635,093.45** in HUD grant funds on activities previously approved in prior year AAPs.

- **\$1,919,345.73** in CDBG funds on administration, public services, capital projects, and homeowner rehabilitation.
- **\$307,199.70** in HOME funds on administration, affordable housing, and tenant based rental assistance.
- **\$165,884.10** in ESG funds on administration and homeless service activities.
- **\$8,376.51** in CARES Act funding (CDBG-CV and CDBG-CV3) on administration and services for individuals affected by the Coronavirus (COVID-19).
- **\$234,287.41** in HOME-ARP funding on administration and planning.

HOME-ARP funds were awarded to the City of Garden Grove in September 2021. The HOME-ARP funding and expenditures are shown in the FY 2025-26 CAPER. Accomplishments for the HOME-ARP funding will not be reported until the expenditure deadline is reached and/or the activities have been closed out in IDIS.

HUD entitlement grant funds not expended during FY 2025-26 will be carried over and programmed in future AAPs.

Table 4 – Identify the geographic distribution and location of investments

Narrative

Consistent with HUD goals for the CDBG, HOME, and ESG programs, the City utilized these funds for the benefit of low and moderate-income residents and neighborhoods.

The attached FY 2025-26 AAP Project Locations Map (Attachment 2) shows the location of completed projects with specific addresses.

As identified on the Project Locations Map, several programs were made available to individuals from low or moderate-income households throughout the community, regardless of their place of residence, such as meal delivery to homebound seniors, services to the homeless, and housing rehabilitation grants.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The City implemented activities and utilized CDBG funds consistent with the FY 2025-26 AAP. The City secured and utilized HUD funds and leveraged funding consistent with the resource allocation plan. Throughout FY 2025-26, the City did not take any actions that hindered the implementation of the Con Plan or AAP.

Subrecipients for FY 2025 CDBG funds were required to detail all secured and unsecured funding sources in their proposals. Each agency was asked to identify all project funding sources at the time of contract execution and again at project closeout. The ESG program requires all sub-recipients to provide a 100% match on grant funds.

The HOME program requires a 25% match for each HOME dollar invested, and excess match may be credited for use in future years. The total match credit arising from affordable housing bond proceeds may not constitute more than 25% of a Participating Jurisdiction's (PJ) total annual contribution toward its match obligation. Match credits in excess of 25% of a PJ's total annual match obligation may be carried over to subsequent fiscal years and be applied to future year's obligations.

The City did not utilize publicly owned land or property to address the needs identified in the Con Plan and AAPs. In March 1996, the City completed the Bayfort Apartments, which is a HOME-eligible affordable housing project that was bond-financed and that exceeded the annual total match obligation of 25% (See Table 5, below).

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The rehabilitation of existing units is accomplished through the administration of the Home Repair Program. Due to the nature of the Home Repair Program, it is common for a number of the grants to be delayed and carry over into the following FY. Home Repair Program projects that were not completed in FY 2025-26 (5 total projects) will have their accomplishments recorded in the FY 2026-27 CAPER.

Discuss how these outcomes will impact future annual action plans.

The City of Garden Grove is committed to providing high-quality, affordable housing for its residents. The City is in constant contact with developers to produce affordable housing projects and, as funds become available, these projects will be included in future AAPs.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Extremely Low-income	0	30
Low-income	20	0
Moderate-income	0	0
Total	20	30

Table 13 – Number of Households Served

Narrative Information

Using CDBG and HOME funds, the City was able to assist a total of fifty **(50)** low-income households with housing-related services.

- The Home Repair Program is designed to assist Garden Grove residents who qualify at or below the "low-income" limit, which is 80% of the Orange County area median income. Through this program, the City assisted twenty **(20)** low-income residents with funds to rehabilitate their homes.
- HOME funding for the HEART Program allowed the City to serve a total of thirty **(30)** homeless households with rental assistance and supportive services.

Additionally, the City expended a total of **\$165,884.10** in ESG funds to assist homeless individuals with housing solutions.

- **\$43,231.04** in ESG funds was used to keep **10 households (29 individuals)** from losing their primary residence via homeless prevention services.
- **\$22,873.79** in ESG funds was used to keep **5 households (5 individuals)** from losing their primary residence via rapid rehousing services.
- **\$82,150.27** in ESG funds was used to provide **156 households (177 individuals)** with street outreach and emergency shelter services.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

During FY 2025-26, the City of Garden Grove was awarded **\$185,565.60** in ESG funds to address homelessness issues throughout the City. The funds were made available to various service providers offering different types of eligible homeless programs. The services included emergency shelters, essential services, homeless prevention, and homeless outreach.

The City of Garden Grove provided **\$49,000** to Volunteers of America of Los Angeles and **\$20,000** to StandUp for Kids to support Street Outreach Program. The services provided through the Street Outreach Program were directed towards deploying basic needs support to unsheltered individuals in Garden Grove. This activity created opportunities for sub-recipients to informally engage and assess unsheltered individuals within their peer and community setting. Volunteers of America of Los Angeles was able to provide essential outreach services to **134** homeless residents in FY 2025-26. StandUp for Kids was able to provide essential outreach services to **15** homeless residents in FY 2025-26.

City staff focused the majority of resources on helping service providers maintain emergency shelter operations for homeless individuals and families, provide essential services such as case management and career counseling, and support homeless prevention programs through transitional housing. The City provided **\$25,000** in ESG funding to Interval House for emergency shelter and essential services, which included community outreach and education programs to individuals at risk of domestic violence. With the Garden Grove ESG funding for emergency shelter, Interval House were able to free up their nonfederal resources to provide homeless outreach services, homeless prevention education, and domestic violence safety outreach to the population at risk of homelessness, which included **28** individuals in Garden Grove.

The City of Garden Grove Police Department's Special Resource Team (SRT), funded through the City's general fund, also implemented street outreach programs for the homeless. The SRT focused on providing resources to help reduce the number of homeless individuals as well as reducing the police responses involving the homeless and mentally ill. The Police Department also partnered up with Orange County Mental Health agencies to provide resources and assistance to homeless individuals that the SRT encounters.

Addressing the emergency shelter and transitional housing needs of homeless persons

Of the **\$185,565.60** of ESG funds, the City allocated **\$25,000** for emergency shelter. These funds provided different levels of homeless/client programs, including chronically homeless services, domestic

violence, winter armory, child care, and rental assistance.

ESG funds also supported Interval House in maintaining its Domestic Violence Shelter Program. Over **28** individuals from Garden Grove were given emergency shelter and were provided support services which included a safe living environment. Case management was provided to ensure that the clients were rapidly rehoused in decent and affordable permanent housing.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The City of Garden Grove committed **\$45,624.31** in ESG funds to StandUp for Kids and Interval House for homeless prevention services. StandUp for Kids assisted **4 households (8 individuals)** and Interval House assisted **6 families (21 individuals)** through their Homeless Prevention Programs, providing rental assistance and case management services to keep Garden Grove families from becoming homeless. Other ESG sub-recipient organizations, such as Interval House, have made great efforts to assist victims from becoming homeless after the completion of temporary housing programs. Staff at Interval House conduct follow-up case management for their domestic violence victims and make referrals to Garden Grove Housing Authority for Section 8 vouchers for permanent housing.

In FY 2025-26, the Garden Grove Housing Authority worked with Thomas House, Mercy House, and Interval House in providing Section 8 vouchers to qualified residents coming from the shelter programs. Under the voucher program, individuals or families with a voucher are able to find and lease a unit and only have to pay a portion of the rent. The program further assists low-income individuals and families to avoid becoming homeless.

Every jurisdiction receiving McKinney-Vento Homeless Assistance Act funds must develop and implement a Discharge Coordination Policy. The County of Orange assists people discharged from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions). This assistance prevents homelessness resulting from discharge. The City will refer people discharged from public institutions to the County of Orange for additional resources.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were

recently homeless from becoming homeless again

As part of the efforts to provide housing for the homeless and those at risk of homelessness, the City of Garden Grove awarded HOME funds to service providers who provide rental assistance through the Homeless Emergency Assistance and Rental Transition (HEART) Program. Interval House administered the program during FY 2025-2026 and assisted **30** households over a 12-month period by providing a portion of a household's rent (including security and utility deposits) while offering services to achieve self-sufficiency.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The City of Garden Grove does not have any units of Public Housing.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The City of Garden Grove does not have any units of Public Housing.

Actions taken to provide assistance to troubled PHAs

The City of Garden Grove does not have any units of Public Housing.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

Market and governmental factors pose barriers to the provision of adequate and affordable housing. These factors tend to disproportionately impact lower- and moderate-income households due to their limited resources for absorbing the costs. Garden Grove works to remove barriers to affordable housing by implementing a Housing Element that is consistent with California law and taking actions to reduce costs or provide off-setting financial incentives to assist in the production of safe, high-quality, affordable housing. The City is committed to removing governmental constraints that hinder the production of housing and offers a “one-stop” streamlined permitting process to facilitate efficient entitlement and building permit processing.

The City of Garden Grove has instituted additional actions aimed at reducing the impact of the public sector’s role in housing costs. City efforts to remove barriers to affordable housing include:

- Conduct periodical analysis and revision of the zoning code aimed at developing flexible zoning provisions in support of providing an adequate supply of desirable housing, such as mixed-use zoning standards and updates to the Housing Element.
- Add provision of affordable housing projects through acquisition and rehabilitation activities and new construction of affordable housing units.
- Establishment of a streamlined service counter to reduce process time.
- Incentivize density bonuses for affordable projects.
- Continued assessment of existing policies, procedures, and fees to minimize unnecessary delays and expenses to housing projects.
- Streamline construction and/or conversion of Accessory Dwelling Units (ADU's).

In addition, the City updated its Analysis of Impediments to Fair Housing Choice (AI) Report in March 2020 in coordination with other local jurisdictions. This report identifies any potential impediments to fair housing and establishes a Fair Housing Action Plan to outline steps to overcome any identified impediments.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The major obstacle to meeting under-served needs is the lack of adequate funding, especially for affordable housing activities. With the dissolution of redevelopment in California and reduced State and Federal funding levels, the City's ability to address the extensive needs in the community is seriously compromised. The City will strive to leverage available funds, to the greatest extent possible, to overcome obstacles in meeting under-served needs. The City has adopted its 2021-2028 Housing

Element, which includes a commitment to annually pursue State, Federal, and other funding opportunities to increase the supply of safe, decent, affordable housing in Garden Grove for lower-income households (including extremely low-income households), such as seniors, disabled, the homeless, and those at risk of homelessness.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The City has an aggressive policy to identify and address lead-based paint hazards in all HUD-funded housing rehabilitation projects. The City considers all housing rehabilitation an opportunity to address potential lead hazards. We, therefore, require lead paint testing for 100% of the City's HUD-funded residential rehabilitation programs where paint will be disturbed in properties built before 1978. Loan/grant recipients are required to obtain a lead-based paint inspection prior to commencement of work as well as a post-rehabilitation clearance test if the work disturbed areas where lead contamination had been found. Because the additional costs of lead hazard testing and remediation can be prohibitively expensive for low-income homeowners, the City uses CDBG funds to cover the costs of the lead paint inspection and, if necessary, any lead paint interim controls and lead clearance testing in conjunction with any CDBG-funded housing rehabilitation grants or loans. During FY 2025-26, the City funded **eighteen (18)** lead-based paint initial inspections and **fourteen (14)** clearance inspections in administration of the Home Repair Program.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

Garden Grove continues to look for ways to expand economic activities to include all people and provide programs to those people who are less fortunate. In the past, the City has focused on the creation of jobs for low- and moderate-income persons through economic development in the Harbor Boulevard area. Through the Con Plan and associated AAP, the City seeks to create and retain permanent jobs that are available to and/or filled by low- and moderate-income people. In addition, other essential elements of the City's anti-poverty strategy include:

- Section 8 Housing Choice Voucher Program;
- Housing Choice Voucher Family Self Sufficiency Program;
- Economic development programs;
- Anti-crime programs;
- Housing rehabilitation programs;
- Creation of affordable housing;
- Job training and employment development; and
- Transitional housing and homeless service programs.

Through these programs, the City is working to reduce the number of families living below the poverty line. The goals and strategies contained in the Con Plan for funding housing, community development, and community services activities often directly address poverty issues through provision of funding or services, or indirectly through the creation of jobs as several of the CDBG, HOME, and ESG funded

service providers offer job training as a component of their programs.

In addition, the City will annually allocate up to 15% of its CDBG funds to public service agencies that offer supportive services in an effort to reduce poverty.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

Successful program implementation requires coordination, both internally and with outside agencies. The City makes changes, as needed, to its staff assignments to address the administrative, planning, and reporting needs of CDBG, HOME, and ESG funds. Project management improvements have included strengthened project eligibility review and staff training of regulatory compliance and procedures. The City of Garden Grove Neighborhood Improvement Division of the Economic Development and Housing Department serves as the lead agency in administration and compliance of CDBG, HOME, and ESG Programs and grant management. The Neighborhood Improvement Division coordinates activities related to CDBG, HOME, and ESG funds, including coordination of internal departments, outside agencies, and grant recipients.

The City's ongoing efforts in its institutional structure include strengthening project designs through negotiating stronger and more specific performance goals for project contracts. This includes ongoing education and technical assistance for program stakeholders, including fellow City Departments implementing HUD-funded programs, outside contractors, the Neighborhood Improvement and Conservation Commission, the City Council, and the public in general regarding the overall objectives and eligible and ineligible uses of each of our HUD funds.

The City also amended the Citizen Participation Plan to make it more readable and to officially designate the City Council as the public hearing body and worked closely with the Neighborhood Improvement and Conservation Commission to deepen their understanding of the CDBG, HOME, and ESG Programs.

Capacity-building is another component in development of the City's institutional structure. In addition to in-house training and development of improved management systems, the City will continue to participate in all HUD training offered locally. To gather more information, build staff knowledge, and seek regional solutions to regional problems, the City participates in regional efforts such as the Orange County Continuum of Care for the Homeless.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

Housing, supportive services, and community development activities were delivered by a number of public agencies, non-profit entities, and private organizations. The City of Garden Grove continued to function in a coordinating role between local non-profit service providers and other County, State, and Federal organizations, as well as regional agencies and plans such as the Orange County Continuum of Care (CoC).

To enhance coordination, the City participated in regional planning groups and forums to foster collaboration with other agencies and organizations. Through collaboration, the City identified common goals and strategies to avoid overlaps in services and programs and identify potential for leveraging resources. The City also continued to work with a wide range of public and community social service agencies to meet and address the various needs of the community. The City utilized the services of 211 Orange County, whose mission is to help people in the community find the help they need by eliminating the barriers to finding and accessing social services.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

The City of Garden Grove is required to undertake an analysis of impediments to fair housing that may be prevalent in the community and to develop an action plan to address impediments. The City, in collaboration with other Orange County communities, participated in producing a five-year analysis of impediments to fair housing. The final product was the 2020-2024 Orange County Regional Analysis of Impediments to Fair Housing Choice (Regional AI). The following are the private sectors impediments:

- Housing Discrimination
- Discriminatory Advertising
- Denial of Reasonable Accommodation
- Hate Crimes
- Unfair Lending

During FY 2025-2026, the City of Garden Grove undertook several programs/actions (on its own or in cooperation with a fair housing provider) to overcome the impediments to fair housing choices identified in the Regional AI. Garden Grove contracted with Fair Housing Foundation (FHF) to provide comprehensive educational and enforcement programs for City residents. The FHF understands the private sector and is well equipped to analyze impediments, describe appropriate actions, and to follow-through on those actions.

During FY 2025-26, the FHF assisted a total of **5,949 individuals** with the following services:

1. Fair Housing Outreach and Education

- Planned Agency Meetings at various locations throughout the City;
- Organized booths at various events throughout the City;
- Distributed literature at various locations throughout the City (including flyers and press releases);
- Facilitated management trainings at City Hall;
- Presented programs at various locations throughout the City; and
- Coordinated landlord/tenant workshops at City Hall.

2. General Housing Counseling & Resolution

- Responded to inquiries regarding general housing issues. In addition, FHF screens, inputs data, counsels, pursues habitability cases, provides unlawful detainer assistance, conducts mediations, and provides appropriate referrals.

3. Discrimination Services

- Responded to inquiries regarding discrimination, complaints, screening, and counseling services.

4. Landlord/Tenant Services

- Responded to and assisted in the mediation of disputes between landlords and tenants.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

Although the City's HUD-funded activities and strategies have been very successful, we strive for continuous improvements in our housing, homeless prevention, neighborhood improvement, and public service priority needs, as well as our grant administration, compliance, and monitoring. During FY 2025-2026, the City continued to improve its project, fiscal, and other administrative management systems to ensure compliance with CDBG, HOME, and ESG program and comprehensive planning requirements through the following measures and accomplishments:

The City's Economic Development and Housing and Finance Departments worked together over the last six months to prepare for the FY 2025-26 CAPER and the FY 2026-2027 AAP. Through several brainstorming meetings with managers and staff from both teams, the City has achieved comprehensive training for key staff in both departments on HUD program financial administration and using IDIS. Economic Development and Housing staff have been working with Finance staff to educate them on HUD requirements. This cooperation will improve the timeliness of HUD fund drawdowns, establish better procedures and schedules for aligning the City's general budget planning and the HUD AAP process, the City's general ledger and IDIS records, and for handling remaining funds at the end of the program year.

City Staff annually monitors all HOME funded projects in accordance with the City's Monitoring Plan for HOME Rental Projects and the HOME Final Rule. See Attachment 4 for the City's HOME Monitoring Policy.

In an effort to ensure up-to-date knowledge of HUD programs and policies, staff members invested over 50 hours in training, workshops, webinars, or technical assistance sessions sponsored by HUD or by outside agencies, but with direct relevance to the HUD program implementation. Topics of the trainings included Coronavirus Aid, Relief, and Economic Security (CARES) Act funding, HOME American Rescue Plan, Financial Management, Analysis of Impediments, HMIS, HOME activities, IDIS, sub-recipient management, CDBG and Environmental Training.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

The City's effort to provide citizens with reasonable notice and an opportunity to comment on performance reported in the Draft FY 2025-26 CAPER follows the process outlined in the Citizen Participation Plan.

The Draft CAPER was made available for public review online at <https://ggcity.org/neighborhood-improvement>, and all public comments were directed to staff via email. The 30-day public review and comment period for the FY 2025-26 CAPER was from August 21, 2026, through September 22, 2026. Notices for the public hearing were published in local English, Spanish and Vietnamese newspapers on August 21, 2026. The City held public hearings to receive public comments regarding the FY 2025-26 CAPER at the September 14, 2026 Neighborhood Improvement and Conservation Commission meeting, and at the September 22, 2026, Garden Grove City Council meeting. The public notices that were published are included in Attachment 1.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The City of Garden Grove CDBG program did not have any significant changes to the Consolidated Plan goals.

The Garden Grove Housing Authority (GGHA) conducts Housing Quality Standard (HQS) inspections of Tenant Based Rental Assistance units, HOME restricted units, Density Bonus units, and Housing Successor units to determine compliance with Federal, State, and local housing standards.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 24 CFR 91.520(e) and 24 CFR 92.351(a)

All HOME funded affordable housing projects must adopt affirmative marketing procedures and submit the affirmative marketing plan to the City. During annual monitoring, overall performance related to fair housing and non-discrimination is monitored to ensure fair housing compliance.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

During FY 2025-26, the City expended **\$62,890.08** in Program Income on the HEART Program. The HEART Program provides rental assistance and supportive services for literally homeless individuals and individuals at-risk of homelessness.

Describe other actions taken to foster and maintain affordable housing. 24 CFR 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 24 CFR 91.320(j)

Section 8 funds: The Garden Grove Housing Authority administers the Section 8 Program for the City, and provides rent subsidies to 2,337 Garden Grove households.

Density Bonus: The City of Garden Grove works with housing developers to assist in the development of affordable housing projects through the execution of Density Bonus Affordable Housing Agreements. The City currently monitors three (3) density bonus affordable housing projects totaling 15 affordable units.

Redevelopment Agency: The City of Garden Grove currently monitors 11 affordable housing projects, totaling 640 affordable units previously assisted with former Low and Moderate Housing funds.

HOME-American Rescue Plan Funding: The City received a HOME-ARP allocation from HUD on September 20, 2021 in the amount of \$3,037,211. The City dedicated approximately \$1.3 Million towards the development of permanent supportive housing and another \$1.3 Million to tenant based rental assistance (TBRA) activities through the approved HOME-ARP Allocation Plan. On November 16, 2023, the City released a NOFA to select the operator for the TBRA program, and the contract was awarded to Volunteers of America Los Angeles who have started operations of the program in FY 2025-26. On December 1, 2023, the City released an RFP for affordable and permanent supportive housing developments and is currently negotiating with several developers on potential projects.

Attachment #4

HOME Monitoring Protocols

ATTACHMENT 4: HOME Monitoring Protocols

This attachment to the City of Garden Grove's (City) Monitoring Plan is prepared to establish protocols for monitoring HOME Investment Partnerships Act (HOME) assisted rental housing projects. The City is responsible to the U.S. Department of Housing and Urban Development (HUD) for monitoring HOME-assisted rental projects throughout the period of affordability to ensure that HOME-assisted rental projects are monitored adequately for continued compliance with federal and state regulations. Monitoring guidelines are intended to assist City monitoring staff in making informed judgments about asset management, HOME Investment Partnerships Act (HOME) Program compliance and management efficiency of HOME-assisted rental projects.

The primary document used to monitor projects is the Regulatory Agreement. An exhibit of the Affordable Housing Agreement (AHA) or the Disposition and Development Agreement (DDA), a Regulatory Agreement is executed by the owner and the City or the City's Redevelopment Agency (Agency) and recorded as a lien on the project in the official records of Orange County.

The Monitoring Process

Monitoring of HOME-assisted housing developments will be scheduled following the annual publication of HOME Investment Partnerships Act (HOME) rents and income limits by the U.S. Department of Housing and Urban Development (HUD), which typically occurs between March and May. Monitoring will occur at two levels:

- Annually, a desk audit will be performed wherein the owner/property manager will submit information certifying household sizes, household incomes and rents for all HOME-restricted units; and
- Periodically, an on-site visit will be conducted, which will include a property inspection and an in-depth review of all the HOME and federal cross-cutting requirements, e.g., affirmative marketing and tenant selection procedures,

On-site monitoring will occur whenever developments are inspected to ensure compliance with the City's property standards. While the City has the prerogative to monitor on-site more frequently, especially if a project is at risk because of outstanding findings or insufficient capacity, inspections and site visits will typically occur in accordance with the HOME Final Rule at 24 CFR 92.504(d):

Total No. of Units	Minimum Schedule
1 – 4 units	every 3 years
5 – 25 units	every 2 years
26+ units	annually

The following steps are to be taken when conducting a **desk audit**:

1. A monitoring letter (*Exhibit 1: Annual Monitoring Letter*) will be sent to the Owner/Property Manager transmitting the project's Annual Compliance Report and certification and recertification forms along with the new HOME rents, income limits, Garden Grove Housing Authority utility allowance schedule and a form for calculating HOME rents.
2. The Owner/Property Manager is to submit the new rent schedule and the completed Annual Compliance Report (*Exhibit 2: Project Compliance Report*) accompanied by income certification or recertification forms (*Exhibit 3: Tenant Income Certification/Recertification Form*) for each household occupying a HOME-designated unit.
3. A *Monitoring Summary* letter will be provided to the Owner/Property Manager that serves as the formal notification of the results of the monitoring. All negative conclusions will be considered a finding or concern with a specific required corrective action. A copy is retained in the Project monitoring file.
 - A "finding" is a deficiency in project performance evidencing an unmet statutory or regulatory requirement.
 - A "concern" relates to project performance requiring improvement before becoming a finding.
4. The Owner/Property Manager is to provide a written response within 30 days of the date of the Monitoring Summary letter.

5. Upon completion of all corrective actions, a letter is sent to the Owner/Property Manager stating that the monitoring findings and concerns have been closed. A copy is retained in the Project monitoring file.

The following steps are to be taken when monitoring ***on-site***:

1. A pre-monitoring letter (*Exhibit 1.1: Monitoring Letter-Site Visitation*) will be sent to the Owner and property manager at least two weeks in advance of the monitoring visit. The letter will detail the salient terms of the Project's Regulatory Agreement that will be the source of monitoring and provide the Owner/Property Manager with the new HOME rents, income limits, Garden Grove Housing Authority utility allowance schedule and a form for calculating HOME rents.
2. Upon arrival, an entrance interview will be conducted to make sure that the owner and/or manager thoroughly understand the purpose, scope and schedule for the monitoring.
3. A detailed record will be prepared of information reviewed and conversations held with the Owner/Property Manager during the monitoring visit, using a checklist (*Exhibit 4: File Checklist*) and questionnaire (*Exhibit 4.1: Monitoring Questionnaire*) of HOME Program requirements. The information gathered will serve as a basis for conclusions to be included in the Monitoring Summary letter and follow-up.
4. After the monitoring visit, a *Monitoring Summary letter* will be forwarded to the Owner/ Property Manager that serves as the formal notification of the results of the monitoring. All negative conclusions will be considered a finding or concern with a specific required corrective action. If relevant, the letter may stipulate steps initiated by the Owner/Property Manager to correct areas of noncompliance or nonperformance. A copy will be retained in the Project monitoring file.
 - A "finding" is a deficiency in project performance evidencing an unmet statutory or regulatory requirement.
 - A "concern" relates to project performance requiring improvement before becoming a finding.

5. The Owner/Property Manager is to provide a written response within 30 days of the date of the Monitoring Summary letter.
6. Upon completion of all corrective actions, a letter is sent to the Owner/Property Manager stating that the monitoring findings and concerns have been closed. A copy is retained in the Project monitoring file.

Monitoring files

The City's monitoring files will contain the following documents per project per year:

1. Copies of monitoring checklists and forms;
2. Copy of the Regulatory Agreement and Promissory Note;
3. Copy of monitoring letters to the Owner/Property Manager (Summary letter and Clearance letter);
4. Copies of the project's Management Plan;
5. Copy of rent roll information submitted by the Owner/Property Manager;
6. Copy of the project's residential lease;
7. Utility Allowance schedules;
8. If applicable, reports to confirm the owner's compliance with lead-based paint requirements;
9. Reports of property and unit inspections;
10. Project Compliance Reports submitted by the Owner/Property Manager;
11. Copy of tenant certification /recertification forms
12. Confirmation of insurance coverage submitted by the property owner or management agent;
13. Confirmation of affirmative marketing compliance for projects with 5 or more HOME-assisted units;
14. Current claim for property tax exemption*;
15. Independent Copy of Residual Receipts Report; and
16. Audit*.

**Required for a Community Housing Development Organization (CHDO) only.*

On-Site Monitoring

The City will conduct periodic on-site reviews of each HOME-assisted rental project to verify the following:

1. Continued *income* eligibility

- The City will ascertain if the owner is correctly calculating income using the 24 CFR Part 5 definition, inclusive of asset calculations and use of appropriate verification forms, and if households are low-income or very low-income.
- The City will also review tenant files to determine if the Owner/Property Manager annually re-certifies the income of each household occupying a HOME-assisted unit, and that the tenancy still meets the HOME income requirements. Though not a HOME requirement, the recertification should commence 120 days before the anniversary date and should be completed by the tenant's recertification anniversary date.

2. Continued *occupancy* eligibility

- For projects with five or more HOME-assisted units, a minimum of 20% of HOME-assisted units must continue to be occupied by very low-income households paying low HOME rents for the term of affordability, in accordance with the income limits published annually by HUD.

3. HOME *Rents*

- Maximum monthly rents of HOME-assisted units may not exceed Low HOME and High HOME rent limits as published annually by HUD. HOME rents include a tenant utility allowance generally provided by the local housing authority.
- When tenants receive additional subsidy through tenant-based rental assistance programs such as Section 8, additional requirements apply. Under the HOME Program, the total gross rent (for tenants receiving Section 8 assistance) includes the tenant's share of rent, the subsidy payment, *and the utility allowance*. The total of these three amounts can not exceed the allowable HOME rent. Any issues of non-compliance must be corrected by the Owner/ Property Manager by reducing the gross rent (tenant share, subsidy, and utility allowance) to the allowable HOME rent effective the next interim or annual recertification.

- Very low-income residents receiving project-based rental subsidies are subject to rents allowable under the federal or State project-based rental subsidy program, not the HOME rent limits.

4 Rents for *over-income tenants*

- Over-income tenants (those with incomes over 80% of the area median) in HOME-assisted fixed units must pay the lesser of the amount payable by the tenant under State or local law (rent control) or 30% of the household's adjusted income for rent. There is no rent cap for "fixed" units.
- Over-income tenants in HOME-assisted floating units must pay 30% of their adjusted income for rent. However, the rent may not exceed the market rent for comparable, unassisted units in the neighborhood.

5. Property Standards

- The Final Rule allows for inspection, using Housing Quality Standards at 24 CFR 982.201, of a sufficient sample of HOME-assisted units in a multi-family development, rather than inspection of each and every HOME-assisted unit in the development. The City will inspect 15 to 20 percent of the HOME-assisted units in a project including a minimum of one unit in every building. If consistent compliance problems are found, more units should be inspected.
- Housing Quality Standards at 24 CFR 982.201 will be the code used to inspect rental units. A separate inspection checklist will be completed for each HOME-assisted unit (Exhibit 5: HQS Inspection form).

6. Affirmative Marketing

- Owners/Property Managers of Developments with five or more HOME-Assisted Units are required to maintain an Affirmative Marketing Plan (Exhibit 6: Affirmative Marketing/Fair Housing Marketing Report and Exhibit 6.1: Race and Ethnic Data Reporting Form) and to implement the following affirmative marketing procedures in marketing the development:

- Advertisements placed in newspapers with the broadest possible circulation, including foreign language newspapers in areas with a high percentage of non-English speaking residents.
- Place the Fair Housing logo on all advertisements and marketing materials.
- Prominently display Fair Housing posters at rental offices.

7. Tenant Protection Provisions

a. Project Lease

The HOME Final Rule 24 CFR 92.253 (a) states that the "Lease between a tenant and an owner of rental housing assisted with HOME funds must be for not less than one year, unless by mutual agreement between the tenant and owner."

- The City will verify that the sample lease does not include any of the following lease provisions (Exhibit 7: Illegal Lease Provisions) are prohibited under the HOME Final Rule at 24 CFR 92.253(b):
 - Agreement by tenant to be sued, to admit guilt, or to a judgment in favor of the owner in a lawsuit in connection with the lease.*
 - Agreement by tenant that owner may take, hold or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties. This prohibition, however, does not apply to an agreement by the tenant concerning disposition of personal property remaining in the housing unit after the tenant has moved out of the unit. The owner must dispose of this personal property in accordance with State law.*
 - Agreement by tenant not to hold the owner or the owner's agents legally responsible for any action or failure to act, whether intentional or negligent*
 - Agreement of the tenant that the owner may institute a lawsuit without notice to tenant.*
 - Agreement by tenant that the owner may evict tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties.*
 - Agreement by tenant to waive any right to a trial by jury.*
 - Agreement by tenant to waive tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease.*
 - Agreement by tenant to pay attorney's fees or other legal costs even if the tenant wins in a court proceeding by the*

owner against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses.

b. Tenant Selection;

Under 24 CFR 92.253 (d), an owner of rental housing assisted with HOME funds must adopt written tenant selection policies and criteria that:

- Are consistent with the purpose of providing housing for very low-income and low-income families;
- Are reasonably related to program eligibility and the applicants' ability to perform the obligations of the lease;
- Provide for the selection of tenants from a written waiting list in the chronological order of their application, insofar as is practicable;
- Give prompt written notification to any rejected applicant of the grounds for any rejection.

The City will review the Owner's tenant selection plan to ensure that tenants are selected for occupancy in accordance with HOME regulations and established management policies. The selection plan should include:

- Citizenship/immigration status requirements. The owner should describe how citizenship/immigration requirements are implemented. Currently, there are no HOME restrictions on the use of assisted housing by non-citizens.
- Social Security number requirements. Requirements for providing SSNs, allowing extended time to provide proof of SSNs and procedures used when an individual has no SSN, must be described.
- Procedures for taking applications and selecting from the waiting list, such as the following:
 - - Selection of tenants must be based on order of application.
 - The plan must include policies for notification to tenant applicants of eligibility for residency, and based on turnover history for units in the development, the approximate date when a unit may be available.

- The plan description must include maintenance of a waiting list of applicant households eligible to occupy assisted units and units designated for various income levels, and the methods of advertising used to announce opening and closing of the waiting list.
- The plan must define each preference adopted for use in the property and any rating, ranking, or combining of the preferences the owner has established that will affect the order in which applicants are selected from the waiting list. The plan should also describe the acceptable sources of information to verify the qualification for preferences.
- The plan must describe the procedures used by the owner to meet the income targeting requirements.
- Policy for opening, closing and maintaining the waiting list.

SUBJECT: MONITORING OF [Project name]

Dear ----:

As you may know, development of the **[Project name]** included the use of federal HOME Investment Partnerships Act (HOME) funds from the City of Garden Grove (City). As a consequence, the City is required to annually monitor the project. This letter serves to transmit the following information you are to submit to the City within 30 days of this letter:

- Project Compliance Report;
- Certificate of Continuing Project Compliance; and
- Tenant Certification/Recertification Forms.

Within 30 days receipt of the aforementioned documents, the City will notify you in writing of the results of the monitoring and set forth any findings or concerns the a timeframe for a written response and corrective action.

This letter further serves to relay the following attachments for your use:

- Copy of the Regulatory Agreement;
- HOME Rent Limits
- Utility Allowance
- HOME Rent Calculation Form

Please direct your questions or comments to Michael Salazar at (714) 741-5144 or via e-mail at msalazar@garden-grove.org.

SUBJECT: MONITORING OF [**Project name**]

Dear -----:

As you may know, development of the [**Project name**] included the use of federal HOME Investment Partnerships Act (HOME) funds from the City of Garden Grove. As a consequence, the City is required to annually monitor the project and, as part of the City Monitoring Plan, to periodically conduct a site inspection and review project documents. This letter serves to notify you that the City has scheduled a monitoring visit of the [**Project name**] on --, --- 200- at --- a.m. at the office of the on-site property manager and to memorialize the information you are to provide to City representatives. Michael Salazar will hold an entrance interview on ---- with you and any representative(s) designated by the owner.

Mr. Salazar will then review project documents and tenant files to ascertain whether the project remains in compliance with HOME requirements, e.g., rents, tenant income eligibility, occupancy eligibility, property standards, affirmative marketing and fair housing and lease terms. Accompanying Mr. Salazar will be Gil Jelkin, who will need access to inspect the --- HOME-designated units to determine that the units comply with federal Housing Quality Standards (HQS), local and state codes.

The following information should be available at the time of monitoring:

- Your key staff to assist during the monitoring and the unit inspections;
- Copy of the Regulatory Agreement;
- Copy of monitoring letters (both initial summary letter and subsequent clearance letter);
- Tenant files of tenants occupying HOME units with documentation evidencing income/asset certification compliance by the property owner or management agent;
- Copies of the project's Management Plan and Management Agreement, including tenant selection procedures and the project waiting list;
- Copy of rent roll information submitted by the owner or management agent;
- Copy of the project's residential lease;
- Utility Allowance schedules;

- Reports of past property and unit inspections conducted by the City;
- Project Compliance Reports submitted by the property owner or management agent;
- Confirmation of insurance coverage submitted by the property owner or management agent; and
- Affirmative marketing plan and fair housing procedures.

Attached is the Project Compliance Report that Mr. Salazar will review with you, as well as a copy of the same Report that was submitted on -----.

Following this meeting, the City will then transmit the preliminary results of the monitoring visit, which provides you with an opportunity to correct any misunderstandings, provide additional information that may be needed and set forth the actions being undertaken to correct areas of noncompliance. Within 30 days of the --- monitoring visit, the City will notify you in writing of the results of the monitoring and set forth any findings or concerns and the timeframe for a written response and corrective action.

Please direct your questions or comments to Michael Salazar at (714) 741-5144 or via e-mail at msalazar@garden-grove.org.

Sincerely,

Susan Emery, Director

FY 2025-26 ESG Sage Report

Submission Overview: ESG: CAPER

Report: **CAPER**

Period: **7/1/2025 - 6/30/2026**

Your user level here: **Data Entry and Account Admin**

Step 1: Dates

7/1/2025 to 6/30/2026

Step 2: Contact Information

Grant Contact

The Contact Person should be the person that the HUD Field Office or HUD Headquarters should contact regarding your APR submission should there be any questions or issues. The contact person should be familiar with both the project and the APR submission. This is also the person who will receive the email from Sage acknowledging the submission of the APR to the HUD Field Office and of the action taken by the Field Office approval, request to resubmit, comments, etc.

Step 4: Grant Information

Emergency Shelter Rehab/Conversion

Did you create additional shelter beds/units through an ESG-funded rehab project	No
Did you create additional shelter beds/units through an ESG-funded conversion project	No

Data Participation Information

Are there any funded projects, except HMIS or Admin, which are not listed on the Project, Links and Uploads form? This includes projects in the HMIS and from VSP No

Step 5: Project Outcomes

Project outcomes are required for all CAPERS where the program year start date is 1-1-2021 or later. This form replaces the narrative in CR-70 of the eCon Planning Suite.

From the Action Plan that covered ESG for this reporting period copy and paste or retype the information in Question 5 on screen AP-90: "Describe performance standards for evaluating ESG."

The performance standards for evaluating ESG are described in the Protocols for Administration of The Emergency Solutions Grant, included in Appendix C.

These ESG Protocols call out the responsibilities of the subrecipients, and how the City will be monitoring compliance with federal regulations. Additionally, the protocols go over the following items:

- Summary of Eligible Components, Activities and Expenses
- ESG Subgrantee Report
- ESG Eligibility Evaluation
- Subrecipient Agreement and Contract Requirements
- Monitoring Notification Letter: On-Site Visit
- Annual Monitoring Notification Letter: Desk Audit
- Monitoring Checklist and Requirements

Based on the information from the Action Plan response previously provided to HUD:

1. Briefly describe how you met the performance standards identified in A-90 this program year. *If they are not measurable as written type in N/A as the answer.*

The City of Garden Grove conducts desk monitoring every two years to ensure the City's subrecipients are in compliance with HUD ESG regulations. City Staff reviews each quarterly report thoroughly prior to processing the invoice for payment. The City has protocols in place to ensure expenses being reimbursed are eligible ESG expenses, and the ESG matching requirements are met. The City maintains hard files in addition to electronic files to ensure backup documentation is accessible.

2. Briefly describe what you did not meet and why. *If they are not measurable as written type in N/A as the answer.*

Service providers left \$77,756.34 in FY 24-25 ESG entitlement funding unexpended last year and the City prioritized spending down prior year funds in FY 25-26. As a result, the City left \$76,846.24 in FY 25-26 ESG funds unallocated to spend down the prior year resources. The City expended a total of \$165,884.10 in ESG funding during FY 25-26.

Approximately \$76,846.24 in FY 25-26 funds were left unexpended as a result of the City's street outreach, emergency shelter and rapid rehousing providers not finding eligible client matches in the Coordinated Entry System. The unexpended FY 25-26 entitlement funds that were left unexpended or unallocated will be carried over and programmed for use in FY 26-27.

OR

3. If your standards were not written as measurable, provide a sample of what you will change them to in the future? *If they were measurable and you answered above type in N/A as the answer.*

Step 8: Program Income

Program income is the income received by the recipient or subrecipient directly generated by a grant supported activity. Program income is defined in 2 CFR §200.307. More information is also available in the [ESG CAPER Guidebook](#).

Did the recipient earn program income from any ESG project during the program year?

No

Aggregates data from CAPERs submitted to HUD by selected criteria (project type and/or specific question)

❗ Due to changes in the CAPER over time, some tables have been retired and replaced by updated versions. Depending on the date range of data included, you will automatically see previous versions of those tables, new ones, or both. Tables that are retired are marked as such in their title.

 [Click here to read a short technical explanation of how this works](#) and other important information about pulling data across report versions.

*Instructions: Select an option for each filter. **Aggregate mode** sums data together from separate CAPERs and presents the output as the regular CAPER table shell. **Details mode** outputs one row for each included CAPER, with a column for each cell of data. Data in Q4 can't be summed, and only outputs in details mode.*

In aggregate mode, numbers in green italics have been recalculated or weighted based on available totals.

If you attempt to pull an entire CAPER, especially aggregating over many recipients, you may have to wait several minutes for the result. Use the "Email me" button to run the report and email you the results when it's complete. You can navigate to other pages in Sage while that's running.

"Year" means the year of the start date for the submission.

This Aggregator uses data from reports with a status of Review in Progress, Reviewed, or Submitted.
