ENVIRONMENTAL IMPACT REPORT

The General Plan Update is a comprehensive update of the City's 1995 General Plan. General Plan 2030 includes an update and reorganization of existing elements, resulting in the following State mandated and optional elements: Land Use Element; Community Design Element; Economic Development Element; Circulation Element; Infrastructure Element; Noise Element; Air Quality Element; Parks, Recreation, and Open Space Element; Conservation Element; Safety Element; and Housing Element. This is the first in a series of public hearings on the General Plan Update and accompanying Environmental Impact Report (EIR).

At this meeting, the public has the opportunity to provide oral testimony and written correspondence. The Planning Commission shall take no actions at this meeting. Written correspondence will continue to be accepted by Planning Staff at Garden Grove City Hall and through email sent to generalplanupdate@ci.garden-grove.ca.us

until July 14, 2008. July 14, 2008 is the end of the 45-day public review period. The consultant and staff will review and modify the Draft General Plan and Draft EIR based on the comments and correspondence received during the public review period. A second public hearing, held by the Planning Commission on the Draft General Plan and Draft EIR, is scheduled for July 17, 2008.

ACTION: Following a Power Point presentation on the Draft General Plan and Draft EIR, comments were received from the public and Planning Commissioners. No actions were taken. The second General Plan public hearing is scheduled for July 17, 2008.
