APPLICANT: CITY OF GARDEN GROVE

REQUEST: A request for Planning Commission recommendation to City Council for the adoption and implementation of Mixed Use Regulations and Development Standards (Chapter 9.18 of the Land Use Code), along with focused amendments to the General Plan Land Use policy map and changes to the Zoning Map to achieve consistency with the City of Garden Grove's General Plan. The Land

Use Code text amendments and zone changes are intended to implement the General Plan, which was comprehensively updated in 2008. The focused amendments to the General Plan Land Use policy map are proposed to reflect refined policy considerations that have emerged through the process of analyzing the Zoning Map in relation to the Mixed Use applications near or next to designated Mixed Use land use designations. The proposed project consists of changes to regulatory documents that guide the development of properties citywide. The project will not directly result in any new construction.

The proposed project will affect all properties with a current General Plan Land Use designation of Civic Center Mixed Use, Residential/Commercial Mixed Use 1, Residential/Commercial Mixed Use 2, Residential/Commercial Mixed Use 3, and Industrial/Residential Mixed Use 2, located in various areas throughout the City.

Additionally, the General Plan Land Use designation of specific parcels, generally located on Garden Grove Boulevard and along the north and south sides of Chapman Avenue, west of Brookhurst Street, east of Gilbert Street, are proposed to be designated as follows with the appropriate zoning applied:
