INTER-DEPARTMENT MEMORANDUM

To: Lisa L. Kim
Dept: City Manager
Subject: Foods of Garden Grove
(FoGG) Phase 3 Update

From: Ursula Luna-Reynosa
Dept: Economic Development
and Housing
Date: June 20, 2024

OBJECTIVE

The purpose of this memorandum is to convey information related to the relaunch of the Foods of Garden Grove (FoGG) program (Phase 3).

BACKGROUND

In June 2021, the City introduced the Foods of Garden Grove (FoGG) program to support local food and beverage businesses impacted by the COVID-19 pandemic and to promote economic recovery in the industry. During Phase 1, the program provided direct business outreach support for 75 local small businesses. In January 2022, the City implemented Phase 2 which added an additional 75 restaurants to the program and invited a partnership with the Garden Grove School District (GGUSD) students to encourage community support through social media challenges. Over its two-year duration, the FoGG program successfully displayed the City's vibrant culinary scene, highlighting 150 eateries through photos, videos, and a foodie map.

In April 2024, the City announced its relaunch of the FoGG Phase 3 program including the on-boarding of a new marketing consultant, The Culinary CMO LLC, to further assist in expanding the list of enticing eateries, promote small business retention and assistance, and present all that Garden Grove has to offer. In addition, the consultant is working with the City to develop a new YouTube Channel and revive the City's Tik Tok account which will further our social network. Through the program, the City will continue to feature local eateries on the City website and on various social media platforms, showcasing ethnically diverse food options and crafted drinks to attract residents and visitors alike.

DISCUSSION

Starting mid-May, the City revived the FoGG Instagram account by consistently posting videos and photos to garner attention from social media users.

CONCLUSION

The City continues its efforts to support local businesses by highlighting the Garden Grove community's diverse cuisines including cultural richness of Little Saigon, OC Koreatown, and east-end Latin flavor, along with local favorites. This initiative will continue to leverage social media and growing platforms to reach new and existing audiences, boost business exposure, and further support economic sustainability.

Is Disneyland in Garden Grove?

BYOC TRIBUNE STAFFON JUNE 17, 2024 • (LEAVE A COMMENT)

DISNEYLAND at the entrance to "Sleeping Beauty's Castle." Bing says it's located in Garden Grove (Shutterstock).

We're back with our e-paper after a week of semi-relaxation.

Here are two items that caught our attention.

Did you know that – contrary to popular belief – Disneyland is actually located in Garden Grove and not Anaheim?

According to Microsoft Bing/Travel, "Garden Grove, California, is most famous for housing the most magical place on earth, Disneyland. Guests will love the park as it is known for featuring popular Disney cartoon characters. The park also features exciting rides and attractions that kids and kids at heart will enjoy. Lastly, it is also a perfect place to take quirky pictures, so head to the park when you visit the city."

Now, that is good news! All we have to do now is get all the tax revenue that's incorrectly gone to Anaheim since the mid-50s and into our city coffers. Let the good times roll!

ONLINE SURVEY ADDED FOR INPUT ON HOUSING, COMMUNITY DEVELOPMENT FUNDING ALLOCATIONS

The City of Garden Grove is seeking the community's input in determining how federal funds will be used in housing, community development, and infrastructure projects. An online community needs survey addressing topics such as housing, small business programs, public transit, and quality of life, can now be accessed through the City's website at ggcity.org/neighborhood-improvement. The survey is available in English, Spanish, and Vietnamese.

The City will also host a second community workshop on Thursday, June 20, 2024, at 6:00 p.m., in the Buena Clinton Family Resource Center, 12661 Sunswept Avenue. The public is encouraged to complete the survey and attend the workshop.

The City receives approximately \$2.6 million annually from the U.S. Department of Housing and Urban Development's (HUD) Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME) and Emergency Solutions Grant (ESG) programs. The allocations allow the City to provide community resources to address a wide range of unique community development needs, like financial assistance to improve homes and neighborhoods, providing decent housing, and homeless services. Feedback will be used for the City's 2025 - 2030 Consolidated Plan for future HUD funding.

Cities applaud CA Supreme Court striking Taxpayer Deception Act from November ballot

Jun 20, 2024

Contact:

Kayla Sherwood, 530-844-1744, ksherwood@calcities.org

Sacramento — This morning, the California Supreme Court issued a unanimous decision ruling the “Taxpayer Protection and Government Accountability Act” initiative cannot be included on the November 2024 ballot.

The League of California Cities Executive Director and CEO Carolyn Coleman issued the below statement:

“No amount of funding from wealthy corporations will change the fact that the California Supreme Court decided the Taxpayer Deception Act is unconstitutional. It’s great news for cities and their residents that this dangerous initiative will not move forward this year, and local officials can now keep their focus on delivering vital local services.”

Established in 1898, the League of California Cities is a nonprofit statewide association that advocates for cities with the state and federal governments and provides education and training services to elected and appointed city officials.
